## **Sinuousities Lesbian Poetic Politics:**

**Sinuositities, Lesbian Poetic Politics** Jeffner Allen, 1996-01-22 Allen's work is virtually unique among American writers. It illustrates a deep knowledge of the issues raised by the postmodernists yet she does not succumb to the playing field constructing instead her own philosophical direction and aesthetic. Sarah Hoagland Jeffner Allen shapes a poetic politics that transforms textual and everyday realities. The surprising resilient and transformative windings of lesbian writing and lesbian lives a poetics of sinuous movement the turning of women to women informs these reflections **Aeneidos** Virgil, 1894

A Classical Dictionary ... A new edition, revised and considerably enlarged, by the Rev. T. Smith John LEMPRIERE (D.D.), 1833 Bibliotheca classica: or, A classical dictionary John Lemprière, 1833 *A Smaller Classical Dictionary* William Smith, 1916 *A System of Ancient and Mediæval Geography for the Use of Schools and Colleges* Charles Anthon, 1855 **May Sarton** Margot Peters, 2011-05-04 The first biography of May Sarton a brilliant revelation of the life and work of a literary figure who influenced her thousands of readers not only by her novels and poetry but by her life and her writings about it. May Sarton's career stretched from 1930 early sonnets published in Poetry magazine to 1995 her journal *At Eighty Two*. She wrote more than twenty novels and twenty-five books of poems and journals. The acclaimed biographer Margot Peters was given full access to Sarton's letters, journals and notes and during five years of research came to know Sarton herself the complex woman and artist. She gives us a compelling portrait of Sarton the actress the poet the novelist the feminist the writer who struggled for literary acceptance. She shows us beneath Sarton's exhilarating irresistible spirit the needy courtier and seducer the woman whose creativity was propelled by the psychic drama she created in others. We watch young May at age two as she is abruptly uprooted from her native Belgium by World War I a child ignored both by her mother who was intent on her own artistic vision and reluctant to cope with a child and by her father obsessed with his academic research. We see Sarton as a young girl in America and then later at nineteen choosing a life in the theatre landing a job in Eva Le Gallienne's Civic Repertory and gathering what would become a tight knit coterie of friends and lovers. Sarton beginning to write poetry and novels Sarton making friends with Elizabeth Bowen and Julian Huxley Erika and Klaus Mann Virginia Woolf the poet H. D. charming and enlisting them with her work her vitality her hunger for love driven by her need to conquer among her conquests Bowen Huxley and later his wife Juliette. We see her intense friendships with literary pals including Muriel Rukeyser her lover and Louise Bogan Sarton's literary sibling who at once encouraged her and excluded her from a world in which Bogan was a central figure. We see Sarton begin to create in the spiritual journals that inspired the devotion of readers the image of a strong independent woman who lived peacefully with solitude an image that contradicted the reality of her neediness loneliness and isolation as she pushed away loved ones with her demands and betrayals. A fascinating portrait of one of our major literary figures a book that for the first time reveals the life that she herself kept hidden **Gay & Lesbian Biography** Michael J. Tyrkus, 1997 Profiles the achievements of prominent and noteworthy gays
