## **Sir Arthur Sullivan A Resource:**

**Sir Arthur Sullivan** Philip H. Dillard,1996-08-30 The definitive reference work to the composer who matched his scintillating melodious music to Gilbert's clever words      **The Gasbag** ,1996      **Biographical Dictionary of Literary Influences** John Powell,2000-10-30 Over the past two decades the process of cultural development and in particular the role of reading has been of growing interest but recent research has been episodic and idiosyncratic In this biographical dictionary research devoted specifically to the reading habits of 19th century individuals who shaped Western culture is brought together for the first time While giving prominent coverage to literary and political figures the volume's 270 entries also include musicians painters educators and explorers Each entry includes brief biographical information a concise summary of literary influences on the subject and clear direction for further research The book provides a practical tool for scholars wishing to trace the reading experience of important Western cultural figures Subjects were selected from the people most responsible for the cultural development of Europe Britain and the British Empire and the Americas between 1800 and 1914 Although selective the sample of 270 figures is substantial enough to suggest broad cross cultural habits and effects enabling scholars to better understand the relationship between reading and culture In an introductory essay Powell explores the patterns and relationships that can be discerned from the entries The first of three anticipated volumes the book is an important step forward in researching the role of reading in cultural development      **Souvenir of Sir Arthur Sullivan: A Brief Sketch of His Life and Works (1901)** Walter J. Wells,2009-08 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work      *Opera* Guy A. Marco,2001 Opera is the only guide to the research writings on all aspects of opera This second edition presents 2 833 titles over 2 000 more than the first edition of books parts of books articles and dissertations with full bibliographic descriptions and critical annotations Users will find the core literature on the operas of 320 individual composers and details of operatic life in 43 countries All relevant works through to November 1999 have been considered covering more than fifteen years of literature since the first edition was published Provided by publisher      **The Oxford Handbook of Shakespeare and Music** Christopher R. Wilson,Mervyn Cooke,2022 Engages with musical practice in a wide range of countries Offers a cutting edge resource for Shakespeare scholars and musicians alike Sheds light on a crucial and fascinating aspect of Shakespeare studies Book jacket      *New Makers of Modern Culture* Justin Wintle,2016-04-22 New Makers of Modern Culture is the successor to the classic reference works Makers of Modern Culture and Makers of Nineteenth Century Culture published by Routledge in the early 1980s The set was extremely successful and continues to be used to this day due to the high quality of the writing the distinguished contributors and the cultural sensitivity shown in the

selection of those individuals included New Makers of Modern Culture takes into full account the rise and fall of reputation and influence over the last twenty five years and the epochal changes that have occurred the demise of Marxism and the collapse of the Soviet Union the rise and fall of postmodernism the eruption of Islamic fundamentalism the triumph of the Internet Containing over eight hundred essay style entries and covering the period from 1850 to the present New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley next to John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping runs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin Once again Wintle has enlisted the services of many distinguished writers and leading academics such as Sam Beer Bernard Crick Edward Seidensticker and Paul Preston In a few cases for example Michael Holroyd and Philip Larkin contributors are themselves the subject of entries With its global reach New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing There is an index of names and key terms

**Historical Dictionary of English Music** Charles Edward McGuire, Steven E. Plank, 2011-04-08 This reference seeks to identify and briefly annotate a wide range of subjects relating to English musical culture largely from the early 15th century through 1958 dates that reflect the coalescence of an identifiable English style in the early Renaissance and the death of the iconic Ralph Vaughan Williams in the mid 20th century Some of the truly great English composers figuring in this volume include Johann Christian Bach Felix Mendelssohn and Georg Frideric Handel along with singers like Jenny Lind and Farinelli and many others The Historical Dictionary of English Music covers its subject matter through a chronological table of important events an introductory essay on the history of English music an extensive bibliography and over 600 cross referenced dictionary entries on people venues repertory genre and sources This book is an excellent access point for students researchers and anyone wanting to know more about English music during this important period *Historical Dictionary of Romantic Music* John Michael Cooper, 2024-02-12 Library Journal praises the book as an excellent one volume ready reference resource for students researchers and others interested in music history Historical Dictionary of Romantic Music Second Edition covers the persons ideas practices and works that made up the worlds of Western music during the long 19th century ca 1780 1918 It is the first book to recognize that Romantic music was very nearly a global phenomenon It includes more women more Black musicians and other musicians of color and more exponents of musical Romanticism from Central and South America as well as Central and Eastern Europe than any other single volume study of Romantic music thus challenging the conventional hegemony of musical Romanticisms by men and by Western European nations This book includes entries on topics including anti-Semitism sexism and racism that were pervasive and defining to the worlds of musical Romanticism but are rarely addressed in general studies of that subject It includes Romantic musicians who were not

primarily composers as well as topics such as the Haitian Revolution spirituals and ragtime that were more important for music in the long 19th century than is generally acknowledged The result is an expansive inclusive diverse and more richly textured portrayal of Romantic music than is elsewhere available Historical Dictionary of Romantic Music Second Edition contains a chronology an introduction an extensive bibliography and a dictionary section with more than 600 cross referenced entries on traditions famous pieces persons places technical terms and institutions of Romantic music This book is an excellent resource for students researchers and anyone wanting to know more about Romantic music *The*
