*Father Knows Best* Mary R. Desjardins, 2015-11-16 A historical and analytical examination of the iconic 1950s television and radio family sitcom Although the iconic television series *Father Knows Best* CBS 1954 55 NBC 1955 58 CBS 1958 60 has enjoyed a long history in rerun syndication and an enduring fan base it is often remembered as cultural shorthand for 1950s era conformism and authoritarianism In this study of *Father Knows Best* author Mary R Desjardins examines the program its popularity and its critical position within historical industrial and generic contexts to challenge oversimplified assumptions about the show s use of comedy and melodrama in exploring the place of family in mid twentieth century American society Desjardins begins by looking at *Father Knows Best* within media and production contexts including its origin on radio its place in the history of Screen Gems telefilm production and its roots in the backgrounds and creative philosophies of co producer Eugene Rodney and star producer Robert Young She goes on to examine the social contexts for the creation and reception of the series especially in the era s emphasis on family togetherness shared parenting by both father and mother and generational stages of the life cycle Against this background Desjardins also discusses several *Father Knows Best* episodes in depth to consider their treatment of conflicts over appropriate gender roles for women She concludes by exploring how the series cast participated in reevaluations of the Anderson family s meaning in relation to real families of the fifties through television specials talk show appearances magazine and book interviews and documentaries Blending melodrama and comedy naturalistic acting and stylized cinematic visuals *Father Knows Best* dramatized ideological tensions in the most typical situations facing the American family Scholars of mid century American popular culture and film history as well as fans of the show will appreciate Desjardin s measured analysis

*Friends Forever* Gary Susman, Jeannine Dillon, Bryan Cairns, 2019-11-26 An authorized episode guide of the hit television show *Friends* with an insider look at cult favorite episodes exclusive photos and interviews The beloved show *Friends* introduced the world to six young New Yorkers living together falling in love breaking up and getting into hilarious shenanigans which became an instant classic formula that

inspired dozens of hangout sitcoms long after the show's reign. But no sitcom has ever come close to the series that started it all, spawning iconic looks like the Rachel and timeless catchphrases like "How you doin'?" while creating a cultural sensation that catapulted the cast members to instant mega stardom. Throughout the show's ten-season run, viewers watched Monica, Rachel, Phoebe, Ross, Chandler, and Joey navigate their twenties and thirties with unwavering friendship, determination, and of course, plenty of sarcasm. *Friends Forever* takes fans back to the set where it all began with exclusive photos of the sitcom that won four Primetime Emmy Awards, including Outstanding Comedy Series, eleven People's Choice Awards, and a Golden Globe for Jennifer Aniston for Best Lead Actress in a Television Series. This fully illustrated episode guide will treat readers to nostalgic flashbacks of the top one hundred episodes and sneak peeks of how popularly referenced lines from the show came to be. *Friends Forever* also boasts new interviews with show creators David Crane and Marta Kauffman on how the show got its start and set designer John Shaffner, who reveals his inspirations behind the iconic looks behind Monica's and Rachel's apartment and Central Perk. It's no wonder why *Friends* is often called one of the best sitcoms of all time. *Digit Eyes*

Timothy Linnomme, 2012. Welcome to one person's personal hell along with a vision of just how malevolent the dark side of humanity can be. Isaiah Roberts is your average twenty-five-year-old making his way as best as he can in the world, considering his liabilities. Though his hairstyle is as out of date as his second-hand clothing is worn, that is not the primary concern of the profoundly blind. It takes a lot of effort to navigate the hostile world where he resides and to avoid the human vermin waiting at every turn, but survival is all that matters. Though most would call Josef Mengele a monster, SWR reveres him as a visionary. Scientific research free of the disease of religion or the cowardice of politics is all that concerns them. To SWR, results are all that count: the piles of dead from experimentation along with the collection of genetic obscenities that must be kept locked away are no more to them but the cost of doing business. An incinerator deals with the dead while cells deal with the rest. Simon is a member of the SWR Committee and only the most ruthless ever gain that position. Simon treats all defiance as disrespect and deals with it in a very harsh manner. To date, Project Vision has been a spectacular failure, but the SWR Committee still thinks it is a viable pursuit with a proper candidate. All they need is the right test subject. When cutting-edge surgical procedures are performed with no oversight, disavowing anything that might interfere with the process can have serious repercussions, and the results-driven approach of SWR almost guarantees such a thing will happen. Only the general health of Isaiah Roberts is taken into account without any further testing. There is an aberrant loopback process going on in Isaiah's forebrain, which isn't really abnormal in itself, but that ceases to be the case when some unwelcome disruption occurs. It takes hours to replace Isaiah's optic system; metal sockets are created to hold the optic modules; metal mesh replaces the optic nerve and chiasma, and microfilaments are used for potential data transference. While twenty-four of the microfilaments wind up where they are supposed to be, eight more carom off the mesh and lodge in Isaiah's forebrain, disrupting the aberrant process. When it is shattered by eight intrusions into its path, the aberrancy should have died, but

instead it creates a new path to include the eight microfilaments When optic modules are inserted into the sockets a complete path is formed and now a portion of the human brain not designed to see has access to visual input Even with the sockets in place the challenge to come up with working optic modules takes even more time but with each improvement in the technology the aberrant process becomes more assertive It is when Isaiah s vision approaches basic human capacity that a war erupts in his mind The aberrant process is at first isolated from the portion of the brain that holds images and the words to describe them so it seizes on a discrete numeric concept to order its view while it names itself IT for lack of any other name The struggle almost kills Isaiah but a proprietary numbering system forces order on the chaos that has been created With order enforced IT expands its horizons by leaps and bounds but the bad also comes with the good No one walks away from Simon and SWR but it is the synthesis of malevolence and aberrancy that brings out the darker side of Isaiah and what he can do if sufficiently provoked A showdown will occur in the desert lands of the west but only the arrogant the duty bound and the angry will be witness because If he can see you then it is too late to run

*Friends* , **How Can They Say There is No God, When the Evidence is So Clear** Barbara Crawford,2021-10-20 How Can They Say There is No God When the Evidence is So Clear By Barbara Crawford The author began journaling in 1985 maybe even earlier She looked through her house in closets and under the nightstand discovering eight journals She knew that discovery was of God When she began reading the journals she was in awe of how God was always there and still is How Can They Say There is No God When the Evidence is so Clear is a journey through those miraculous journal entries and the author s life its ups and downs its successes and failures its joy and heartbreak Through it all God was there

**The Accidental Abduction** Darcie Wilde,2014-09-02 One of Publishers Weekly s Most Anticipated Books of Fall 2014 A headlong flight across London to stop an elopement leads to a hasty wedding between strangers A sizzling new romance for fans of Sarah MacLean and Elizabeth Hoyt Harold Rayburn is about to be taken for the ride of his life After having his proposal rejected by a beautiful but flighty woman Harry vows he is done with unpredictable and impetuous women for good Until beautiful and fierce Leannah Wakefield barrels into his life inadvertently kidnapping him while on a wild carriage ride and leaving him all too eager to get back in the saddle Leannah would sacrifice everything to protect her family So upon hearing of her sister s intended elopement she races across London to stop the ill advised ceremony before it can happen However when her mad journey picks her up an unlikely stowaway one who ignites her desire beyond all reason she s the one who ends up hastily wedding a handsome and secretive stranger But as Leannah and Harry immediately encounter opposition jealousy and suspicion of their hurried nuptials they begin to doubt that their unquenchable passion can truly lead to a happy marriage especially when both the bride and groom have devastating secrets to hide Scintillating Publishers Weekly starred review

**Curb Your Enthusiasm and Philosophy** Mark Ralkowski,2012-07-19 In a promotional video for the eighth season of HBO s Curb Your Enthusiasm Larry David appears as Godzilla walking through the streets of New York City terrorizing everyone who sees him

People scream and run for their lives Larry meanwhile has a quizzical look on his face and asks What are you people nuts What makes Larry a monster and why doesn't he know that he's a monster Curb Your Enthusiasm and Philosophy discusses several answers to these questions This book revolves around Curb Larry the character that the real Larry David plays on HBO's popular television series his outlook on life his unusual ways of interacting with people his inability or unwillingness to conform to the world Many of the chapters discuss ethical and existential issues such as whether Larry is a bad apple Larry doesn't ask questions about free will or wonder whether the world outside our minds really exists because he's more like Socrates than Descartes He tells bitter truths about how we live our lives There's something heroic about Larry's independence from social conventions and something tragic about his tendency to hurt people with his frankness It's hard not to ask should we curb our enthusiasm
