the legacy of his great grandfather's fatal pursuit of the hidden nature of time itself Part madcap adventure part harrowing family drama part scientific mystery and never less than wildly entertaining *The Lost Time Accidents* is a bold and epic saga set against the greatest upheavals of the twentieth century **American Woman Suffrage Postcards** Kenneth

Florey, 2016-04-29 American women's suffrage activists were fascinated with suffrage themed postcards They collected them exchanged them wrote about them used them as fundraisers and organized postcard day campaigns The cards they produced were imaginative and ideological advancing arguments for the enfranchisement of women and responding to antisuffrage broadsides Commercial publishers were also interested in suffrage cards recognizing their profit potential Their products though were reactive rather than proactive conveying stereotypes they assumed reflected public attitudes often negative towards the movement Cataloging approximately 700 examples this study examines the visual rhetoric of suffrage postcards in the context of the movement itself and as part of the general history of postcards **Karen's Chain Letter**
