## **Sittang The Last Battle Epic Story Of An Unsung Japanese Army:**

**Sittang** Louis Allen,1973      *Sittang* Louis Allen,1973 Historien om den 28 japanske h rs nederlag ved Sittang Burma overfor britisk indiske tropper 1945      **Harp of Burma** Michio Takeyama,2011-12-20 Harp of Burma is Japan s classic novel of pathos and compassion in the midst of senseless warfare Winner of the prestigious Mainichi Shuppan Bunkasho prize and the basis for the critically acclaimed film The Burmese Harp by Ichikawa Kon Harp of Burma shares a powerful human story about Japanese soldiers on the front lines in WWII Losing a desperate battle against British forces in the tropical jungles of Burma the young soldiers discover that the trials of war involve more than just opposing the enemy Distressed and disoriented by the alien climate and terrain strange behavior of foreigners and the emotions stirred by the senselessness of war their commander s ability to lead them in song helps them discover music s power to make even the most severe situations more tolerable Even though they face the inevitability of defeat singing the songs of their homeland revives their will to live Through the story of these men and of the music that saw them through the war Takeyama presents thought provoking questions about political hostilities and the men who unleash them Harp of Burma is Japan s classic novel of pathos and compassion in the midst of senseless warfare      **Road of Bones** Fergal Keane,2010 Kohima In this remote Indian village near the border with Burma a tiny force of British and Indian troops faced the might of the Imperial Japanese Army Outnumbered ten to one the defenders fought the Japanese hand to hand in a battle that was amongst the most savage in modern warfare A garrison of no more than 1 500 fighting men desperately short of water and with the wounded compelled to lie in the open faced a force of 15 000 Japanese They held the pass and prevented a Japanese victory that would have proved disastrous for the British Another six weeks of bitter fighting followed as British and Indian reinforcements strove to drive the enemy out of India When the battle was over a Japanese army that had invaded India on a mission of imperial conquest had suffered the worst defeat in its history Thousands of men lay dead on a devastated landscape while tens of thousands more Japanese starved in a catastrophic retreat eastwards They called the journey back to Burma the Road of Bones as friends and comrades committed suicide or dropped dead from hunger along the jungle paths Fergal Keane has reported for the BBC from conflicts on every continent over the past 25 years and he brings to this work of history not only rigorous scholarship but a raw understanding of the pitiless nature of war It is a story filled with vivid characters the millionaire s son who refused a commission and was awarded a VC for his sacrifice in battle the Roedean debutante who led a guerrilla band in the jungle and the General who defied the orders of a hated superior in order to save the lives of his men Based on original research in Japan Britain and India Road of Bones is a story about extraordinary courage and the folly of imperial dreams      **No Surrender** Hiroo Onoda,2013-12-04 In the spring of 1974 Second Lieutenant Hiroo Onoda of the Japanese army made world headlines when he emerged from the Philippine jungle after a thirty year ordeal Hunted in turn by American troops the Philippine police hostile islanders and successive Japanese search parties Onoda had skillfully

outmaneuvered all his pursuers convinced that World War II was still being fought and that one day his fellow soldiers would return victorious This account of those years is an epic tale of the will to survive that offers a rare glimpse of man's invincible spirit resourcefulness and ingenuity A hero to his people Onoda wrote down his experiences soon after his return to civilization This book was translated into English the following year and has enjoyed an approving audience ever since

**The Breaking Jewel** Makoto Oda, 2003-01-23 Set on an island in the South Pacific during the final days of World War II when the tide has turned against Japan and the war has unmistakably become one of attrition The Breaking Jewel offers a rare depiction of the Pacific War from the Japanese side and captures the essence of Japan's doomed imperial aims The novel opens as a small force of Japanese soldiers prepares to defend a tiny and ultimately insignificant island from a full scale assault by American forces Its story centers on squad leader Nakamura who resists the Americans to the end as he and his comrades grapple with the idea of *gyokusai* translated as the breaking jewel or the pulverization of the gem the patriotic act of mass suicide in defense of the homeland Well known for his antiestablishment and antiwar sentiments Makoto Oda gradually and subtly develops a powerful critique of the war and the racist imperial aims that proved Japan's undoing

Eventually, you will unquestionably discover a new experience and achievement by spending more cash. yet when? reach you give a positive response that you require to acquire those all needs subsequently having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to comprehend even more more or less the globe, experience, some places, behind history, amusement, and a lot more?

It is your totally own period to doing reviewing habit. accompanied by guides you could enjoy now is **Sittang The Last Battle Epic Story Of An Unsung Japanese Army** below.
