General Custer Sitting Bull Brett Griffin,2017-12-15 Sitting Bull a Sioux chief lived a life filled with difficulty and determination He was alive during a time of great hardship for Native Americans in the western United States when Native communities were being pushed from their homelands onto territory in the South This is his remarkable story of staunch resistance and perseverance Sitting Bull; Dakota Boy Augusta Stevenson,2009-07-01 A great Sioux chief who fought to preserve his people s homeland and way of life from the white man Sitting Bull Elizabeth Schleichert,1997 Leader of the Hunkpapa Sioux Sitting Bull was a famous medicine man and leader of his people He was known for his visions through which he could predict future events One of the events he predicted was the defeat of U S troops at the Battle of the Little Bighorn Give your readers a compelling narrative they will not forget **Sitting Bull** Stanley Vestal,1989 A multi faceted view of the Sioux leader whose achievements and personal qualities brought him world wide fame American Legends Charles River Charles River Editors,2018-03-14 Includes pictures of Sitting Bull and important people and places in his life Explains the Battle of the Little Bighorn and several Lakota oral legends Includes a Table of Contents When I was a boy the Sioux owned the world The sun rose and set on their land they sent ten thousand men to battle Where are the warriors today Who slew them Where are our lands Who owns them Is it wrong for me to love my own Is it wicked for me because my skin is red Because I am Sioux Because I was born where my father lived Because I would die for my people and my country Sitting Bull A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known In 1872 during a fight along the Yellowstone River between U S troops protecting railroad workers and Sioux warriors one of the Sioux did something both unusual and inspiring At the height of the battle with bullets whizzing all around him this warrior sat down loaded his cannupa sacred pipe and began to smoke partaking in his people s religious sacrament For the Sioux smoking a pipe was akin to praying and the smoke wafting up through to the heavens represented those prayers as they floated up to Wakan Tanka the god of the Native Americans who occupied the North American Plains Wakan Tanka is not the name of their god but rather a description for the words literally mean Great Mystery The Sioux warrior continued smoking until done with his pipe and after carefully reaming and cleaning out the pipe he rose to his feet and rejoined the battle Of course it was not that battle which made Sitting Bull one of the most famous Native Americans in American history Like Geronimo in the Southwest during the same era Sitting Bull was a warrior who fought in several skirmishes against settlers and U S forces across the Plains during the 1860s and while it is still debated whether he was the Supreme Chief of the whole Sioux Nation by 1868 it s clear that he was one of the influential leaders of the Lakota And when The Great Sioux War of 1876 began Sitting Bull was recognized as the most important leader among all Native American tribes on the Plains and the one to turn to for those who intended to keep fighting whites Sitting Bull ensured he would become a legend at the

Battle of the Little Bighorn during which an estimated 2 000 Lakota and Cheyenne warriors inspired by one of his visions routed and then annihilated the 7th U S Cavalry led by George Custer That disaster led the American government to double down on its efforts to pacify the Sioux and by the end of the decade many of them had surrendered and been moved onto a reservation Sitting Bull defiantly refused to surrender instead heading with a smaller band into Canada and remaining exiled When he finally surrendered to the U S in 1881 he was a celebrity of sorts and Sitting Bull went on to appear in Buffalo Bill Cody s Wild West Show during the decade Not surprisingly his death was as controversial as his life in 1890 Sitting Bull was killed on a reservation after plans to arrest him went terribly awry leading to fighting in the aftermath that left over a dozen dead American Legends The Life of Sitting Bull chronicles the amazing life of the Sioux leader who defiantly fought to save his people s homeland but it also humanizes the man who became one of the most famous Native Americans in American history Along with pictures of important people places and events you will learn about Sitting Bull like you never have before in no time at all
