Six Messiahs:

The Six Messiahs Mark Frost, 1996-09-01 The ancient holy texts are missing The death of the world approaches Six extraordinary men have shared one vision of a black tower and a river of blood Somewhere in the desert wastelands of America the ultimate battle will be waged The greatest experiment in evil since the beginning of time is under way with all humanity its designated sacrifice The future is in the hands of the Six An Exposition of Daniel XII. 5, 6, 7.; wherein the Messiah's official character; the interest that angels take in the concerns of the Church; and the twofold method of ascertaining her future destinies, are briefly considered John CAMPBELL (Minister of Nicholson Street Chapel, Glasgow.), 1817

The Six Messiahs Mark Frost, 2013 The sequel to *The List of 7* Ten years have passed since Doyle first met the brilliant Jack Sparks and together they cracked the deadly case of the List of 7 Inspired by his friend Doyle went on to create Sherlock Holmes the character that has since made him a wealthy and celebrated man Now off to America for his first book tour Doyle is joined by his impetuous younger brother and a cryptic Irish priest During their voyage the men are stalked by an otherworldly order of assassins attempting to steal a precious piece of the ship's cargo a priceless book of ancient mysticism The Book of Zohar is the first piece of a lethal puzzle that will draw Doyle across the young nation Doyle and his companions track the paths of six mysterious strangers who are united by a single eerie dream a black tower rising out of a wasteland and a river of blood As their trails converge at the source of this terrifying vision Doyle and company confront an evil so dark and profound that it threatens to obliterate the very fabric of the world **The 6 Messiahs** Mark Frost, 2006-03 This clever terrifying novel is a classical style slam bang adventure First came the 7 now there are 6 Arthur Conan Doyle is a celebrated author due to the enormously popular exploits of the fictional detective he fashioned after his boldly eccentric sleuthing partner Jack Sparks Together a decade earlier they curtailed the apocalyptic triumph of a dread otherworldly menace And now an even more horrific game is afoot Certain doom awaits Doyle his impetuous younger brother Innes on a book tour across America as do 6 extraordinary personages linked solely by dreams of a black tower a river of blood For each has a leading role to play in the ultimate drama of light versus darkness **The Messiah in the Old Testament** Walter C. Kaiser, 1995 The Old Testament both tells the story of Israel and points to the coming Messiah Kaiser distinguishes between Old Testament passages that describe national Israel's glorious future and those that point to Christ and his kingdom Kaiser's chronological approach traces Israel's developing concept of Messiah through different time periods **Zechariah: Prophet of Messiah's Glory** Merrill F. Unger, 2025-06-18 Merrill F. Unger's Zechariah Prophet of Messiah's Glory is a profound exploration of the Old Testament book of Zechariah offering deep theological insight into its prophetic messages and their significance for both Israel and the Christian faith With scholarly precision and a clear accessible style Unger unpacks Zechariah's visions prophecies and symbolic imagery demonstrating their relevance to biblical history eschatology and the coming of the Messiah Zechariah a post exilic prophet spoke words of encouragement to the Jewish people

rebuilding Jerusalem but his prophecies extended far beyond his time Unger carefully examines Zechariah's predictions concerning Israel's restoration the coming of the Messiah and the ultimate triumph of God's kingdom He provides historical context theological interpretation and practical application making the book a valuable resource for pastors students and anyone seeking a deeper understanding of biblical prophecy Rooted in a conservative evangelical perspective Zechariah Prophet of Messiah's Glory is both a scholarly and devotional work illuminating how Zechariah's prophecies point to Jesus Christ and God's redemptive plan for humanity A must read for those interested in Old Testament prophecy biblical studies and the grand narrative of salvation history
