**Michael Oakeshott Selected Writings Collection** Michael Oakeshott, 2014-08-26 A collection of 6 volumes of Oakeshott's work Notebooks 1922-86 Early Political Writings 1925-30 The Concept of a Philosophical Jurisprudence Vocabulary of a Modern European State Lectures in the History of Political Thought and What is History *The Early Essays* Talcott Parsons, 1991-08-07 The Heritage of Sociology In his superb introductory essay Camic situates Parson's early writings in their sociointellectual and biographical context Drawing upon extensive historical research he identifies three overlapping but relatively distinct thematic phases in the early development of Parson's ideas that on capitalist society and its origins that on the historical development of the theory of action and that on the foundations of analytical sociology Reproducing in full each of twenty one selections this volume charts the changes and continuities in the early development of some of Parson's most fundamental ideas *The Concept of a Philosophical Jurisprudence* Michael Oakeshott, 2011-10-26 This volume brings together for the first time over a hundred of Oakeshott's essays and reviews written between 1926 and 1951 that until now have remained scattered through a variety of scholarly journals periodicals and newspapers A new editorial introduction explains how these pieces including the lengthy essay on the philosophical nature of jurisprudence that occupies an important position in Oakeshott's work illuminate his other published writings The collection throws new light on the context of his thought by placing him in dialogue with a number of other major figures in the humanities and social sciences during this period including Leo Strauss A N Whitehead Karl Mannheim Herbert Butterfield E H Carr Gilbert Ryle and R G Collingwood **Modern Political Ideologies** Andrew Vincent, 2023-12-15 MODERN POLITICAL IDEOLOGIES Modern Political Ideologies provides a broad overview of the origins development and core principles of the major political ideologies of the past two centuries With an accessible student friendly format this bestselling textbook helps students understand the values beliefs and social forces that shape today's political messaging public discourse and legislative agendas Concise and approachable chapters describe ideologies such as liberalism conservatism socialism fascism fundamentalism and nationalism Retaining the student friendly format of previous editions the fourth edition of Modern Political Ideologies is fully revised to reflect the social changes that inform today's political views An entirely new chapter offers insights into the growth of populism and its effects on contemporary political dialogue while expanded material addresses anarchism feminism neoliberalism environmentalism and green ideologies identity politics and other topics of current relevance Containing a useful glossary of key terms and extensive end notes for each chapter Modern Political Ideologies Fourth Edition is the ideal textbook for advanced undergraduate courses in political science political ideology political theory comparative politics and international relations It is also an excellent supplement for courses in the social sciences and humanities that investigate the history of political ideas History, Historians, and Conservatism in Britain and America Reba Soffer, 2009 Reba Soffer examines the subjects motives and origins of conservative historians who were

also successful public intellectuals Providing a comprehensive account of the content context and consequences of conservative ideas Soffer explains their dominance in Britain and marginalization in America until the Reagan ascendancy

*The Age of Reform, 1815-1870* Ernest Llewellyn Woodward, 1962 Between Waterloo and Gladstone's first ministry Britain underwent a series of rapid and complex changes At home repression gave way to reform of the franchise local government education poor relief and the factory and legal systems Further agitation arose in the 1840s over the Corn Laws the People's Charter and the Irish Question By the 1860s Britain was able to bask in the glow of the mid Victorian supremacy forged by its economic might and the foreign policy pursued by Castlereagh Canning and Palmerston which maintained the balance of power and extended the colonial empire Authoritative and incisive this newly paperbacked volume in the Oxford History of England is a classic study of Britain in the ascendant

**The Conservative Mind** Russell Kirk, 1968 *British Sources of Information* P. Jackson, 2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual

**The Conservative Mind** Russell Kirk, 2001-09-01 It is inconceivable even to imagine let alone hope for a dominant conservative movement in America without Kirk's labor

WILLIAM F BUCKLEY A profound critique of contemporary mass society and a vivid and poetic image not a program an image of how that society might better itself The Conservative Mind is in important respects the twentieth century's own version of the Reflections on the Revolution in France Kirk was an artist a visionary almost a prophet

DAVID FRUM author of Dead Right I have been one of your fans since the time many years ago when I read The Conservative Mind

RICHARD NIXON Dr Russell Kirk's impact on conservative thought and policy in America has been decisive It was his writings and in particular his seminal work The Conservative Mind that laid the foundation for many of the ideas that continue to shape public discourse and debate to this day

JOHN ENGLER former Governor of Michigan Kirk is assured a place of prominence in the intellectual histories for helping to define the ethical basis of conservatism He has tried to pull conservatism away from the utilitarian premises of libertarianism toward which conservatism often veers toward a philosophy rooted in ethics and culture

THE WALL STREET JOURNAL Russell Kirk's The Conservative Mind is one of the greatest contributions to twentieth century American conservatism Brilliant in every respect from its conception to its choice of significant figures representing the history of intellectual conservatism The Conservative Mind launched the modern American Conservative Movement when it was first published in 1953 and has become an enduring classic of political thought The seventh revised edition features the complete text and an introduction by publisher Henry Regnery A must read

The Concept of Popular Education Harold

Silver,2013-02-01 Originally published 1965 This reprints the 1977 edition which included a new introduction From the starting point of popular charity education the book traces the dynamic of ideological and social change from the 1790s to the 1830s in terms of attitudes to education and analyzes the range of contemporary opinions on popular education It also examines some of the channels through which ideas about education were disseminated and became common currency in popular movements
