## **Social Science Political Theory:**

**Social Science and Political Theory** W. G. Runciman, 1969-05-02 This 1969 study considers the relation of sociology to political philosophy and extends traditional political philosophy in the direction of contemporary developments *Political Theory and Social Science* J. Gunnell, 2011-02-14 This work is devoted to a critical analytical examination of the history character and conduct of contemporary academic political theory and to a reconsideration of significant elements of this field of inquiry from the perspective of the philosophy of Ludwig Wittgenstein **Political Theory and Social Science** J. Gunnell, 2011-02-14 This work is devoted to a critical analytical examination of the history character and conduct of contemporary academic political theory and to a reconsideration of significant elements of this field of inquiry from the perspective of the philosophy of Ludwig Wittgenstein The Social Science Encyclopedia Adam Kuper, 2003-12-16 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic This third edition has been radically recast Over half the entries are new or have been entirely rewritten and most of the balance have been substantially revised Written by an international team of contributors the Encyclopedia offers a global perspective on the key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society **Routledge International Handbook of Contemporary Social and Political Theory** Gerard Delanty, Stephen P. Turner, 2011-03-23 The Handbook will address a range of issues that have emerged out of recent social and political theory It will focus on key themes as opposed to schools of thought or major theorists Each chapter is an emerging cutting edge topic that is of interest both to social theory and to political theory Most topics will have a clear and substantive focus on social or political problems **Encyclopedia of Political Theory** Mark Bevir, 2010-03-18 How do we arrange our collective affairs Why do we live together in the ways we do How ought we to live together All humans think about the world they live in its history and future and the ideals by which they want to live in relation to others How we think today decisively influences the world of tomorrow This encyclopedia attempts to bring greater clarity and understanding to political debate Drawing together a team of international scholars the Encyclopedia of Political Theory examines the ideas of the major political theorists from before Plato to our own times the main schools of political thought the concepts and issues that have captured the imagination and attention of political theorists and some of the main institutions and practices inspired by political thought With more than 450 entries these three volumes provide a quick one stop source to key topics in

the field Key Features Examines the global landscape of all the key theories and the theorists behind them Includes specific lists of entries that deal with constitutional thought and democratic thought Refers to distinctive norms and features of various governments legal systems and societies Devotes large parts to the history of ideas about government ethics and society Provides a chronology of political theory to help readers see how a given theorist school or issue fits into the bigger historical picture Key Themes Ancient Thought Applied Ethics Biographies Comparative Theory Constitutional Thought Critical Theory Democratic Thought Early Modern Thought International Theory Justice Liberal Theory Medieval Thought Modern Theory Power and Authority Religious Thought Self and Community This work is designed to serve as a reference source for anyone interested in the roots of contemporary political theory It will be a welcome addition to any academic or public library

**Political Theory** David Leopold, Marc Stears, 2008-07-31 Political Theory Methods and Approaches is one of the first books to analyze research methods in political theory and political philosophy Drawing together a distinguished set of contributors the book asks how political theory should be conducted today and examines the connections between political theory and a range of adjacent disciplines including moral philosophy the empirical social sciences the history of political thought the world of real politics critical social theory and ideology

*Contemporary Empirical Political Theory* Kristen R. Monroe, 1997-01-01 How can we best understand the major debates and recent movements in contemporary empirical political theory Is there a human nature on which we can construct scientific theories of political life What is the role of culture in shaping any such nature How objective and value free can political theories be These are only a few of the issues addressed by this collection of essays from a disparate group of contributors

*A Historiography of the Modern Social Sciences* Roger E. Backhouse, Philippe Fontaine, 2014-09-22 A Historiography of the Modern Social Sciences exposes parallels and contrasts in the way the histories of the social sciences are written

**Political Theory** VD Mahajan, 2006 This is new edition contains a comprehensive study of the subject with the latest thinking by the political scientists of the world today

Logics of Critical Explanation in Social and Political Theory Jason Glynos, David Howarth, 2007-09-12 This book develops a novel approach to critical explanation as a function of logics taking a distinctive approach to social science explanation and political studies more specifically which avoids the problem of scientism

*The Restructuring of Social and Political Theory* Richard J. Bernstein, 1978-03 In this volume Bernstein foresees and outlines the development of a social theory that is at once empirical interpretive and critical

Social Theory and Political Practice (RLE Social Theory) Brian Fay, 2014-08-27 This book examines the question of how our knowledge of social life affects and ought to affect our way of living it In so doing it critically discusses two epistemological models of social science the positivist and the interpretive from the viewpoint of the political theories which it is argued are implicit in these models moreover it proposes a third model the critical which is organised around an explicit account of the relation between social theory and practical life The book has the special merit of being a good overview of the principal current ideas about the relation between social theory and political

practice as well as an attempt at providing a new and more satisfactory account of this relationship To accomplish this task it synthesises work from the analytic philosophy of social science with that of the neo Marxism of the Frankfurt school

Congress of Arts and Science: Economics. Politics. Jurisprudence. Social Science Howard Jason Rogers,1906      *Social Sciences* ,      Studies in Social and Political Theory (RLE Social Theory) Anthony Giddens,2014-08-21 The studies which comprise this book are essentially organized around a critical encounter with European social theory in its classical period i e from the middle years of the nineteenth century until the First World War and have the aim of working out some of the implications of that encounter for the position and prospects of the social sciences today The issues involved relate to the following series of problems method and epistemology social development and transformation the origins of sociology in nineteenth century social theory and the status of social science as critique In each of these areas Giddens develops views that challenge existing orthodoxies and connects these ideas to a reconstruction of social theory in the contemporary era

**Rationality and the Social Sciences (RLE Social Theory)** S.I. Benn,G.W. Mortimore,2014-08-21 The concepts of rationality that are used by social scientists in the formation of hypotheses models and explanations are explored in this collection of original papers by a number of distinguished philosophers and social scientists The aim of the book is to display the variety of the concepts used to show the different roles they play in theories of very different kinds over a wide range of disciplines including economics sociology psychology political science and anthropology and to assess the explanatory and predictive power that a theory can draw from such concepts      Unesco and Social Sciences S. P. Agrawal,J. C. Aggarwal,1988      Is Rational Choice Theory All of Social Science? Mark I. Lichbach,2009-12-11 A timely examination of the current paradigm wars in political science      *Social Science Abstracts* ,1929
