

## The Social Reality of Violence and Violent Crime

The book "The Social Reality of Violence and Violent Crime" by Henry H. Brownstein concerns a very critical and disturbing aspect of life of our modern society. Indeed, some of the most hotly debated topics today are in one way or another connected to violence, be they issues of adolescent crime, the high percentage of violent behavior at the workplace, in families, violence by drug addicts, etc.

To put it simply - it must be acknowledged that the anxiety about violence as such within our society has become one of the most prominent elements of our world view. In this regard, the mentioned book by Henry H. Brownstein aims to accomplish a truly important task of uncovering the role that violence and violent crime play within our perception of the social reality that surrounds us.

In accordance with this task and considering the complexity of the field of his study, the author of this work decided to maintain a live connection with his audience by means of collecting stories from real life, which helps to characterize violence and violent crime in the United States from points of view of both individuals and social groups.

This approach of the author is really important as in this way he manages to convincingly show how violence may be perceived differently by different people, and how those differences in perception of violence have developed in our society during the last century.

Thus, the author's views on the perception of violence are to a large degree based on the principles of social constructivism which state that our knowledge is not completely objective, but rather is to a certain degree subjectivity constructed by existing social influences (Brownstein 1999, p.3).

I think that the useful tool that helped the author to achieve his aim was his ability to meld together his personal narratives and experiences of other people related to violence with excerpts from reports of media, official statistics, and research.

As the author opens each chapter with some story that helps readers properly understand what forms violence may take, where it exists, and what are probable reasons of its existence, readers can begin to see how all those complex and often seemingly separated from real life sociological concepts in fact stem from concrete historical and cultural conditions of our society.

Indeed, even though it might sound quite sad, it seems that for many of us who were lucky to avoid personal encounters with violence it takes only shocking stories of real victims of violence and violent offenders to be able to see violence not as a merely dry statistics but as a terrible reality.

At the same time, I think that one of the merits of Brownstein is that along with his personalized approach to interpretation of place of violence in our lives he nevertheless does not forget about more general social considerations and at the end of every chapter also discusses relevant soci

## **Social Reality Of Violence And Violent Crime:**

**The Social Reality of Violence and Violent Crime** Henry H. Brownstein, 2000 This book is written in the form of stories that individually and collectively describe violence and violent crime in America in the twentieth century Because violence means different things to different people this book attempts to show the many ways in which we as a society think about violence and how these perceptions have developed in our society during the twentieth century Weaving a personal narrative style together with official statistics media reports research findings and first hand accounts the author illustrates the American experience and the social construction of various forms of violence Since the language of social constructionism is often difficult to understand this book utilizes simple explanations of how violence and violent crime are socially constructed This book succeeds in making an abstract but important theory accessible by grounding these explanations in specific historical and biographical experiences of American society For anyone interested in understanding violence

**Convicted and Condemned** Keesha Middlemass, 2017-06-27 **Convicted and Condemned** examines the lifelong consequences of a felony conviction through the compelling words of former prisoners Winner W E B DuBois Distinguished Book Award presented by the National Conference of Black Political Scientists Political science scholar Keesha M Middlemass's **Convicted and Condemned** explores the issue of prisoner reentry from the felons perspective It features the voices of formerly incarcerated felons as they attempt to reconnect with family learn how to acclimate to society try to secure housing find a job and complete a host of other important goals By examining national housing education and employment policies implemented at state and local levels the author shows how the law challenges and undermines prisoner reentry creating second class citizens Felony convictions restrict social interactions and hinder societal reintegration The educational and vocational training offered in many prisons are typically not recognized by accredited institutions as acceptable course work or by employers as valid work experience making it difficult for recently released prisoners to find jobs Families often will not or cannot allow their formerly incarcerated relatives to live with them In many states convicted felons cannot receive financial aid for further education vote in elections receive welfare benefits or live in public housing forcing them to live on society's margins Even if the criminal justice system never convicted another person of a felony millions of people would still have to reenter society on their own A sobering account of the after effects of mass incarceration **Convicted and Condemned** is a powerful exploration of how individuals and society as a whole suffer when a felony conviction exacts a never ending punishment

**Criminological Theories** James F. Anderson, 2014-06-24 Designed for undergraduate criminology and criminological theory courses **Criminological Theories Understanding Crime in America Second Edition** explores crime crime theory and various forms of criminal behavior within the United States It focuses exclusively on theory avoiding superfluous discussion of the criminal justice system Students will come away from the text with plausible explanations of crime causation a greater appreciation of criminological theory and the ability to think critically about the social reality of crime

Current and highly relevant the text includes coverage of new developments in the field of criminology including cultural integrative life course and green criminological theories Revitalizing Victimization Theory Travis C. Pratt, Jillian J. Turanovic, 2021-04-08 *Revitalizing Victimization Theory Revisions Applications and New Directions* revises some of the major perspectives in victimization theory applies theoretical perspectives to the victimization of vulnerable populations and carves out new theoretical territory that is clearly needed but has yet to be developed With the exception of a handful of isolated works in the mid twentieth century theory and research on victimization did not come into its own until the late 1970s with the articulation of lifestyle and routine activity theories Research conducted within this tradition continues to be an important part of the overall criminological enterprise and a large body of empirical knowledge has been generated Nevertheless theoretical advances in the study of victimization have largely stalled within the field of criminology Indeed little in the way of new theoretical headway has been made in well over a decade This is an ideal time to revitalize victimization theory and this volume does just that It is an ambitious project that will hopefully reignite the kinds of theoretical discussions that once held the attention of the field The work included here will shape the future of victimization theory and research in years to come This volume should be of interest to a wide range of criminologists and have the potential to be used in graduate seminars and upper level undergraduate courses *The Handbook of Drugs and Society* Henry H. Brownstein, 2015-09-25 This handbook provides a comprehensive examination of the past and present roles of drugs in society with a focus on theory research policy and practice Includes 28 original chapters with multi disciplinary and international perspectives by top social and behavioral scientists Reviews current knowledge in the field including key research findings theoretical developments and methodological debates Identifies ongoing controversies in the field emergent topics and areas in need of further inquiry Discusses individual drugs as well as topics like physiological theories of drug use and abuse public health implications of drugs patterns of drugs and crime international drug trade and trafficking and designer drugs The Relativity of Deviance John Curra, 2016-01-25 This engaging and informative book by award winning sociologist and criminologist John Curra offers a valuable perspective on attitudes and behaviors labeled as deviant The Relativity of Deviance Fourth Edition explores the meanings and constructions of social deviance and social reactions to it he answers such questions as What is deviance What comprises deviant behavior How are deviants treated How is deviance socially constructed and socially sustained Why is the same attitude behavior or condition praised in one situation and condemned in another Through insightful and thought provoking examples and informed accounts the author illustrates that deviance cannot be explained or understood in terms of absolutes or essential characteristics nor can it be explained or understood apart from its social setting This book approaches sex violence theft drugs suicide rape and mental disorders in a way that shows the critical role of sociocultural factors and social reactions in constructions of deviance and crime

**Juvenile Justice Sourcebook** Albert R. Roberts, 2004-07-22 Several million reported and unreported delinquent acts

take place each year In fact according to the U S Department of Justice and the U S Bureau of Justice Statistics juvenile delinquency acting out and oppositional behavior illegal drugs guns and youth violence are pervasive throughout American society Juvenile Justice Sourcebook is the first comprehensive volume devoted exclusively to the biopsychosocial assessment police and juvenile court processing and institutional and community based treatment and rehabilitation of juvenile offenders The overriding objective of this sourcebook is to trace the tremendous progress achieved toward resolving juvenile justice issues dilemmas and controversies while providing futuristic visions for the juvenile justice field Each chapter authored by preeminent expert practitioners and researchers explores topics ranging from innovative counseling and multisystemic programs to restorative justice to rehabilitation programs such as aggression replacement training wilderness programs family treatment substance abuse treatment restitution and aftercare This volume grounded in history and exhaustive research presents the latest evidence based policies programs and innovative treatment alternatives Examining the entire juvenile justice system including juvenile law policies practices and research the Juvenile Justice Sourcebook will be invaluable to all juvenile justice practitioners policy analysts researchers and students

*Contemporary Drug Policy* Henry Brownstein, 2013-02-11 This book focuses on the use of drugs in our lives and how we respond to them Whereas drug policy typically centres on the problems of illicit drugs or licit drugs used in illicit ways or circumstances *Contemporary Drug Policy* instead considers the wide variety of substances we call drugs as a normal part of our personal and social experience and asks how and when drugs benefit us as well as how and when they are harmful The evidence is clear that at some times in some circumstances and in some places drugs are a problem This book does not ignore these issues but shifts our attention to making policies that also recognize their legitimate and constructive place in society It focuses on asking questions challenging assumptions and developing responses to drugs based on evidence from scientific study as directed by critical criminological theory rather than mainstream theory or unfounded assumptions Different from other books on drug policy this book does not offer answers or solutions Rather it shows how critical criminological theories can lead scientific research in new directions supportive of policies that offer both solutions to problems that are found to be related to drugs and an appreciation for the benefits that drugs can bring to people and society This book will be of interest to those studying or researching drug policy as well as professionals involved in policy making processes

**Television and Behavior: Technical reviews**, 1982 Abstract A comprehensive report summarizes the past 10 years of research activities and findings concerning the effects of television viewing on child behavior and development Approximately 90% of all research publications on this topic appeared during this period representing over 2500 titles The report is presented in 2 volumes a summary report and technical reviews The technical reviews comprise overall comprehensive and critical syntheses of the scientific literature on specific topic areas developed by 24 researchers in this area The topic areas address such issues as cognitive and emotional aspects of television viewing television s influences on physical and mental health television as it

relates to socialization and viewer's conceptions of social reality and television as an American institution. The overall orientation of the report is toward research and public health issues. *Journal of Crime & Justice*, 1999

**Homeward** Bruce Western, 2018-05-04 In the era of mass incarceration over 600 000 people are released from federal or state prison each year with many returning to chaotic living environments rife with violence. In these circumstances how do former prisoners navigate reentering society? In *Homeward* sociologist Bruce Western examines the tumultuous first year after release from prison. Drawing from in-depth interviews with over one hundred individuals he describes the lives of the formerly incarcerated and demonstrates how poverty, racial inequality, and failures of social support trap many in a cycle of vulnerability despite their efforts to rejoin society. Western and his research team conducted comprehensive interviews with men and women released from the Massachusetts state prison system who returned to neighborhoods around Boston. Western finds that for most leaving prison is associated with acute material hardship. In the first year after prison most respondents could not afford their own housing and relied on family support and government programs with half living in deep poverty. Many struggled with chronic pain, mental illnesses, or addiction, the most important predictor of recidivism. Most respondents were also unemployed. Some older white men found union jobs in the construction industry through their social networks, but many others, particularly those who were black or Latino, were unable to obtain full-time work due to few social connections, to good jobs, discrimination, and lack of credentials. Violence was common in their lives and often preceded their incarceration. In contrast to the stereotype of tough criminals preying upon helpless citizens, Western shows that many former prisoners were themselves subject to lifetimes of violence and abuse and encountered more violence after leaving prison, blurring the line between victims and perpetrators. Western concludes that boosting the social integration of former prisoners is key to both ameliorating deep disadvantage and strengthening public safety. He advocates policies that increase assistance to those in their first year after prison, including guaranteed housing and health care, drug treatment, and transitional employment. By foregrounding the stories of people struggling against the odds to exit the criminal justice system, *Homeward* shows how overhauling the process of prisoner reentry and rethinking the foundations of justice policy could address the harms of mass incarceration.

**The Concise Encyclopedia of Communication** Wolfgang Donsbach, 2015-02-03 This concise volume presents key concepts and entries from the twelve-volume ICA International Encyclopedia of Communication 2008, condensing leading scholarship into a practical and valuable single volume. ### **Social Reality Of Violence And Violent Crime Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Social Reality Of Violence And Violent Crime PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Social Reality Of Violence And Violent Crime PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Social Reality Of Violence And Violent Crime free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Social Reality Of Violence And Violent Crime Books**

1. Where can I buy Social Reality Of Violence And Violent Crime books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Social Reality Of Violence And Violent Crime book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Social Reality Of Violence And Violent Crime books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
