**Mark J. Macgowan**

## **Social Work Practice With Groups A Clinical Perspective:**

**Social Work Practice with Groups** Kenneth E. Reid, 1997 This book provides a unique and compassionate perspective on group social work with a focus on clinical settings In an open and user friendly style author Kenneth Reid offers practical day to day strategies to help social workers work with people in small groups in a way that is therapeutic growth producing and life enhancing In addition to integrating small groups theory and therapeutic principles *Social Work Practice with Groups* also offers numerous clinical examples that bring the material alive and into context Notes to Myself vignettes that begin with each chapter and relate the author's experience to the topics in the chapter while they convey a piece of personal and practical wisdom and a focus on the personhood of the group leader which explores how the practitioner's own personality development and life situation are brought into the therapeutic relationship

**Handbook of Social Work with Groups** Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-02-13 This comprehensive handbook presents major theories of social work practice with groups and explores contemporary issues in designing and evaluating interventions Students and practitioners gain an in depth view of the many ways that groups are used to help people address personal problems cope with disabilities strengthen families and communities resolve conflict achieve social change and more Offering authoritative coverage of theoretical practical and methodological concerns coupled with a clear focus on empowerment and diversity this is an outstanding text for group work and direct practice courses

*A Guide to Evidence-Based Group Work* Mark J. Macgowan, 2008-02-12 This is the first textbook that illustrates step by step how to practice evidence based group work As group workers are increasingly being held accountable to evaluate monitor and improve their practice there are scant resources available that apply specifically to their practice General books on evidence based practice lack the rich material on group work organized for the first time in this one volume Designed specifically as a supplement for undergraduate and graduate group work courses the text is organized around the process and philosophy of evidence based practice formulating appropriate practice questions searching for evidence critically reviewing available evidence applying the evidence with judgment skill and concern for the group members and evaluating the outcomes achieved The evidence based group work framework teaches students how to skillfully apply best practices through practical learning activities case examples research designs step by step guidelines and checklists assessment tips and detailed instructions for formulating questions and evaluating answers It will be equally valuable as a handy reference for professionals eager to hone their practice skills

**Encyclopedia of Social Work with Groups** Alex Gitterman, Robert Salmon, 2009-06-02 What do you have to know today to be an effective group worker and what are the different group work approaches With 110 articles and entries this book provides a comprehensive overview of social work with groups from its initial development to its astounding range of diverse practice today with many populations in different places The articles have been written by social workers trained in the group approach from the United States Canada England Australia Spain

and Japan and all involved are well known group workers acknowledged as experts in the area The book covers all aspects of social work with groups including its history values major models approaches and methods education research journals phases of development working with specific populations and ages plus many more Each article includes references which can be a major resource for future exploration in the particular subject area Both editors have many years of productive work in group work practice and other areas and are board members of The Association for the Advancement of Social Work with Groups The Encyclopedia of Social Work with Groups will be of interest to students practitioners social work faculty novice and experienced group workers      Case-Based Learning for Group Intervention in Social Work Jacqueline Corcoran,2020 Case Based Learning for Group Intervention in Social Work provides essential information on planning and facilitating groups in a clear and easy to understand format To develop student competency the volume uses a contemporary pedagogy case based learning as a teaching tool for analysis application and decision making By working through cases students gain exposure to the considerable range of populations that can be served by social work group intervention      *Chapters 1-7: The Practice of Generalist Social Work* Marla Berg-Weger,Julie Birkenmaier,2017-05-25 The fourth edition of The Practice of Generalist Social Work continues to teach students to apply micro macro and mezzo social work skills This new edition strengthens the connection between the three levels of practice and is fully updated to the 2015 EPAS This edition also contains more illustrations of theory and more context for deciding which type of intervention is a good fit Most chapters now open with a case study and continually refer back to the case to provide additional connections between theory and real life practice Each chapter also incorporates a link to a Grand Challenge of Social Work from the American Academy of Social Work and Social Welfare which shows the connection between social work and the most significant societal challenges of today The Quick Guides within the text offer students guidance for their field experience and practice after graduation The text also comes with a rich companion website that includes support materials and six unique cases that encourage students to learn by doing Go to [www.routledgesw.com](http://www.routledgesw.com) to explore the cases and additional resources      **Social Work Practice with Groups** Kenneth E. Reid,1997 This book provides a unique and compassionate perspective on group social work with a focus on clinical settings In an open and user friendly style author Kenneth Reid offers practical day to day strategies to help social workers work with people in small groups in a way that is therapeutic growth producing and life enhancing In addition to integrating small groups theory and therapeutic principles Social Work Practice with Groups also offers numerous clinical examples that bring the material alive and into context Notes to Myself vignettes that begin with each chapter and relate the author's experience to the topics in the chapter while they convey a piece of personal and practical wisdom and a focus on the personhood of the group leader which explores how the practitioner's own personality development and life situation are brought into the therapeutic relationship      *Working with Older Adults: Group Process and Technique* Barbara Haight,Faith Gibson,2005-03-30 Beginning with an overview of the changing world of aging this book goes on to address practical

principles and guidelines for group work      Handbook of Social Work with Groups, Second Edition Charles D.

Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-06-27 Revised edition of Handbook of social work with groups 2006

**Chapters 10-13: The Practice of Generalist Social Work, Third Edition** Julie Birkenmaier,      *Chapters 1-5: The Practice of Generalist Social Work, Third Edition* Julie Birkenmaier, Marla Berg-Weger, 2014-01-21 This text for generalist practice courses is also available with a treasure trove of related materials for use in a two or three course practice sequence. The text helps translate the guiding theoretical perspectives of social justice, human rights, and critical social construction into purposeful social work practice. Six unique cases specially written for this Series provide a learning by doing framework unavailable from any other social work publisher. Companion readings and many other resources enable this text to be the centerpiece for three semesters of practice teaching. Go to [www.routledgesw.com](http://www.routledgesw.com) to learn more. This custom edition includes the first five chapters for instructors teaching the first semester of a three semester generalist practice sequence and is also available in e-book editions in a full range of digital formats.      *The Practice of Generalist Social Work* Julie

Birkenmaier, Marla Berg-Weger, 2017-05-25 The fourth edition of *The Practice of Generalist Social Work* continues to teach students to apply micro, macro, and mezzo social work skills. This new edition strengthens the connection between the three levels of practice and is fully updated to the 2015 EPAS. This edition also contains more illustrations of theory and more context for deciding which type of intervention is a good fit. Most chapters now open with a case study and continually refer back to the case to provide additional connections between theory and real life practice. Each chapter also incorporates a link to a Grand Challenge of Social Work from the American Academy of Social Work and Social Welfare which shows the connection between social work and the most significant societal challenges of today. The Quick Guides within the text offer students guidance for their field experience and practice after graduation. The text also comes with a rich companion website that includes support materials and six unique cases that encourage students to learn by doing. Go to [www.routledgesw.com](http://www.routledgesw.com) to explore the cases and additional resources.      *Social Workers' Desk Reference* Albert R. Roberts, Gilbert J. Greene, 2002

Following in the groundbreaking path of its predecessor, the second edition of the *Social Workers' Desk Reference* provides reliable and highly accessible information about effective services and treatment approaches across the full spectrum of social work practice.      Chapters 1-7: The Practice of Generalist Social Work, Third Edition Julie Birkenmaier, Marla

Berg-Weger, 2014-01-10 This text for generalist practice courses is also available with a treasure trove of related materials for use in a two or three course practice sequence. The text helps translate the guiding theoretical perspectives of social justice, human rights, and critical social construction into purposeful social work practice. Six unique cases specially written for this Series provide a learning by doing framework unavailable from any other social work publisher. Companion readings and many other resources enable this text to be the centerpiece for three semesters of practice teaching. Go to [www.routledgesw.com](http://www.routledgesw.com) to learn more. This custom edition includes the first seven chapters for instructors teaching the first

semester of a two semester generalist practice sequence and is also available in e book editions in a full range of digital formats      Group Work and Aging Roberta K Graziano, Robert Salmon, 2013-09-13 Get a wealth of information about the theory and practice of social work with older adults their families and their caregivers Although there is a considerable amount of writing on both group work and social work with the elderly there is surprisingly little about applying this practice method to this specific age group Group Work and Aging Issues in Practice Research and Education fills this gap by presenting penetrating articles about a mutual aid approach to working with diverse groups of older adults with varied needs Respected experts and gifted researchers provide case studies practice examples and explanation of theory to illustrate this practice method with aging adults their families and their caregivers Group Work and Aging Issues in Practice Research and Education discusses in depth information on group work with gay and lesbian elders caregivers elders with Alzheimer s disease service providers special populations such as Vietnamese and Latino a elders and provides information on the use of expressive therapies like art drama and dance Each well referenced chapter presents high quality up to date social group work practice strategies to prepare practitioners for the needs of the growing population of elderly in the near future Group Work and Aging Issues in Practice Research and Education discusses the adaptation of group work practice approaches when working with older group members the use of a Record of Service as an analytical tool in group work with aging lesbians a chronicle of a student s field placement at a drop in center for homeless senior citizens the sociocultural reality of the Asian immigrant elderly residential substance abuse treatment for older adults mutual aid groups for older persons with mental illness the relationship between caregiver support groups and the marker framework of family caregiving telephone caregiver support groups group work interventions with elderly parents of adults with severe mental illness a program for the development and implementation of an intergenerational singing group support groups as an effective therapy at end of life the use of a mutual aid group with home attendants and much more Group Work and Aging Issues in Practice Research and Education reveals the latest examples of good group work practice with aging adults and their support systems perfect for practitioners educators and anyone interested in and or work with older adults      Chapters 6-9: The Practice of Generalist Social Work, Third Edition Julie Birkenmaier, Marla Berg-Weger, Martha P. Dewees, 2014-01-21 This text for generalist practice courses is also available with a treasure trove of related materials for use in a two or three course practice sequence The text helps translate the guiding theoretical perspectives of social justice human rights and critical social construction into purposeful social work practice Six unique cases specially written for this Series provide a learning by doing framework unavailable from any other social work publisher Companion readings and many other resources enable this text to be the centerpiece for three semesters of practice teaching Go to [www.routledgesw.com](http://www.routledgesw.com) to learn more This custom edition includes chapters 6 9 for instructors teaching the second semester of a three semester generalist practice sequence and is also available in e book editions in a full range of digital formats      Chapters 8-13: The Practice of

Generalist Social Work, Third Edition Julie Birkenmaier, Marla Berg-Weger, 2014-01-10 This text for generalist practice courses is also available with a treasure trove of related materials for use in a two or three course practice sequence The text helps translate the guiding theoretical perspectives of social justice human rights and critical social construction into purposeful social work practice Six unique cases specially written for this Series provide a learning by doing framework unavailable from any other social work publisher Companion readings and many other resources enable this text to be the centerpiece for three semesters of practice teaching Go to [www.routledgesw.com](http://www.routledgesw.com) to learn more This custom edition includes chapters 8-13 for instructors teaching the second semester of a two semester generalist practice sequence and is also available in e book editions in a full range of digital formats

**Group Work With Overwhelmed Clients** Elaine Pinderhughes, June Gary Hopps, 2002-02 Respected experts June Gary Hopps and Elaine Pinderhughes advocate for the efficiency and power of group therapy in this first of its kind handbook that will aid social service agency administrators clinicians and paraprofessionals in the implementation of group counseling When considering the benefits of group counseling it is no surprise that group psychotherapy is proven to be one of the most effective treatments for overwhelmed clients Now from the educated and experienced minds of Hopps and Pinderhughes comes an authoritative comprehensive guide that explores the use of group therapy in poor and oppressed populations to help cope with addiction gang membership job preparation sex education and many other topics Group Work for Overwhelmed Clients offers case specific vignettes insights on leader issues and practical application methods in the form of hands on guides and step by step instructions to organizing groups targeting and screening members establishing goals and managing group dynamics Unlike books that focus on single issue therapy this one of a kind guide presents an approach to integrated treatment demonstrating that the sharing support and empowerment from group settings can be life transforming

Social Work Evaluation, Second Edition James R. Dudley, 2013-09-01 Accountability to stakeholders is essential for program funding and policy development It is increasingly the responsibility of all professionals to provide evidence supporting the relevance and effectiveness of their programs and individual practices Social Work Evaluation is a straightforward guide to conducting evaluations during the planning implementation and outcome stages of programs and practices Dudley has developed a seven step process for evaluations using qualitative quantitative and mixed research methods This comprehensive book offers students the knowledge and skills to play a more accountable role in the future of their profession

**Perspectives on Social Group Work Practice** Albert S. Alissi, 2008-06-30 Not simply another how to book this provocative collection of readings does not advance a single viewpoint or approach to group work Instead the 25 selections present the full spectrum of classic and current perspectives providing student and practitioner alike with a sound basis for evaluating contemporary practice and for formulating a personal approach to social group work The historical and conceptual roots of modern social group work methods are examined in Part I Conceptual Foundations which contains some of the classic statements in the field Part II

Current Perspectives explores the most widely influential contemporary models of group work social goals perspectives remedial perspectives and mediative perspectives The two part section that concludes the volume focuses on applications group work is first discussed in relation to family and community casework and administration then self help groups and other techniques used in the fields of medicine counseling and psychology are surveyed in light of their implications for social workers To encourage the reader s active participation in the development of an individual philosophy and approach to social group work Dr Alissi concludes each chapter with probing study questions These open ended questions stimulate comparisons among the methods presented and urge the reader to relate new ideas to his or her own experience in the field Introductions to each part and chapter also stress comparative aspects An annotated list of articles and books on the subject of each chapter allows the reader to explore it in greater depth A stimulating and systematic exposure to the most important ideas in social group work today Perspectives on Social Group Work Practice expands the repertoire of working concepts vital to contemporary practice
