Anthropology Nigel Rapport, Joanna Overing, 2000 *Social and Cultural Anthropology* The Key Concepts is the ideal introduction to this discipline defining and discussing its central terms with clarity and authority Among the concepts explored are cybernetics écriture the feminine gossip human Rights moralities stereotypes thick description and violence Each entry is accompanied by extensive cross referencing and an invaluable list of suggestions for further reading

The Consumer Society Reader Juliet Schor, Douglas B. Holt, 2011-07-26 *The Consumer Society Reader* features a range of key works on the nature and evolution of consumer society Included here is much discussed work by leading critics such as Jean Baudrillard Susan Bordo Dick Hebdige bell hooks and Janice Radway Also included is a full range of classics such as Frankfurt School writers Adorno and Horkheimer on the Culture Industry Thorstein Veblen's oft cited writings on conspicuous consumption Betty Friedan on the housewife's central role in consumer society John Kenneth Galbraith's influential analysis of the affluent society and Pierre Bourdieu on the notion of taste Consumer society the air we breathe as George Orwell has described it disappears during economic downturns and political crises It becomes visible again when prosperity seems secure cultural transformation is too rapid or environmental disasters occur Such is the time in which we now find ourselves As the roads clog with gas guzzling SUVs and McMansions proliferate in the suburbs the nation is once again asking fundamental questions about lifestyle Has luxury fever to use Robert Frank's phrase gotten out of hand Are we really comfortable with the Brand Is Me mentality Have we gone too far in pursuit of the almighty dollar to the detriment of our families communities and natural environment Even politicians ordinarily impermeable to questions about consumerism are voicing doubts and polls suggest majorities of Americans feel the country has become too materialistic too focused on getting and spending and increasingly removed from long standing non materialist values From the introduction by Douglas B Holt and Juliet B Schor

Social-Cultural Anthropology George Allan Phiri, 2009-09-01 Effective communication with the African society in the field of missions church planting and social development work has been and continues to be a great challenge particularly to people from western cultural and language orientation Africans are a we rather than I and a depended on rather than independent of society The worldview of a traditional African in terms of society relationships and communication is communal Certainly the African perception of communalism affects how they communicate with the people of different cultural orientation Africa has several cultures and people differ in their communication depending on their cultural orientation However there are universal African cultures that act as a framework for understanding key aspects of communication with Africans for successful missions church planting and social development work This book therefore provides a strategy of understanding communication with the African society The discussions in this book provide readers with different cultural orientations unique perception of the African society as s he may be planning to communicate with the

African society for missions church planting and social development work even doing humanitarian ministry in African society Although literacy levels have improved tremendously in most African countries most of Africa is not a reading society It is imperative to understand that most Africans still communicate orally and are not time conscious Hence effective communication in African societies ought to be based on storytelling rather than literature distribution although this is in transition In fact Africans are oratory and good listeners Thus this book provides an understanding to people of different cultural orientations when they plan to communicate with the people in Africa

Readers and Society in

Nineteenth-Century France M. Lyons,2001-07-24 In the nineteenth century the reading public expanded to embrace new categories of consumers especially of cheap fiction These new lower class and female readers frightened liberals Catholics and republicans alike The study focuses on workers women and peasants and the ways in which their reading was constructed as a social and political problem to analyse the fear of reading in nineteenth century France The author presents a series of case studies of actual readers to examine their choices and their practices and to evaluate how far they responded to or subverted attempts at cultural domination

Routledge Handbook of Social and Cultural Theory Anthony Elliott,2013-12-04 If today students of social theory read Jurgen Habermas Michel Foucault and Anthony Giddens then proper regard to the question of culture means that they should also read Raymond Williams Stuart Hall and Slavoj Zizek The Routledge Handbook of Social and Cultural Theory offers a concise comprehensive overview of the convergences and divergences of social and cultural theory and in so doing offers a novel agenda for social and cultural research in the twenty first century This Handbook edited by Anthony Elliott develops a powerful argument for bringing together social and cultural theory more systematically than ever before Key social and cultural theories ranging from classical approaches to postmodern psychoanalytic and post feminist approaches are drawn together and critically appraised There are substantive chapters looking at among others structuralism and post structuralism critical theory network analysis feminist cultural thought cultural theory and cultural sociology Throughout the Handbook there is a strong emphasis on interdisciplinarity with chapters drawing from research in sociology cultural studies psychology politics anthropology women s studies literature and history Written in a clear and direct style this Handbook will appeal to a wide undergraduate and postgraduate audience across the social sciences and humanities

The Cultural Studies Reader Simon During,1999 The Cultural Studies Reader is essential reading for any student wanting to know how cultural studies developed where it is now and its future directions

Cultural Memory and Identity in Ancient Societies Martin Bommas,2011-10-06 In recent years memory

has become a central concept in historical studies following the definition of the term Cultural Memory by the Egyptologist Jan Assmann in 1994 Thinking about memory as both an individual and a social phenomenon has led to a new way of conceptualizing history and has drawn historians into debate with scholars in other disciplines such as literary studies cultural theory and philosophy The aim of this volume is to explore memory and identity in ancient societies We are what we remember is the striking thesis of the Nobel laureate Eric R Kandel and this holds equally true for ancient societies as modern ones How did the societies of Mesopotamia Egypt Greece and Rome remember and commemorate the past How were relationships to the past both individual and collective articulated Exploring the balance between memory as survival and memory as reconstruction and between memory and historically recorded fact this volume unearths the way ancient societies formed their cultural identity

The Cultural Sociology of Reading María Angélica Thumala Olave, 2022-12-12 This book showcases recent work about reading and books in sociology and the humanities across the globe From different standpoints and within the broad perspectives within the cultural sociology of reading the eighteen chapters examine a range of reading practices genres types of texts and reading spaces They cover the Anglophone area of the United States the United Kingdom and Australia the transnational multilingual space constituted by the readership of the Colombian novel *One Hundred Years of Solitude* nineteenth century Chile twentieth century Czech Republic twentieth century Swahili readings in East Africa contemporary Iran and China during the cultural revolution and the post Mao period The chapters contribute to current debates about the valuation of literature and the role of cultural intermediaries the iconic properties of textual objects and of the practice of reading itself how reading supports personal social and political reflection bookstores as spaces for sociability and the interplay of high and commercial cultures the political uses of reading for nation building and propaganda and the dangers and gratifications of reading under repression In line with the cultural sociology of reading s focus on meaning materiality and emotion this book explores the existential ethical and political consequences of reading in specific locations and historical moments

Bulletin of Cultural Life in the U.S.S.R. , 1927 **Reading Beyond the Book** Danielle Fuller, DeNel Rehberg Sedo, 2013 This volume offers the first critical analysis of mass reading events and the contemporary meanings of reading in the UK USA and Canada based on original interviews and surveys with readers and event organisers The authors interrogate the enduring attraction of an old technology for readers community organizers and government agencies exploring the social practices inspired by the sharing of books in public spaces and revealing the complex ideological investments made by readers cultural workers institutions and the mass media in the meanings of reading

Readers' Guide to Periodical Literature , 1920 **Women, Reading, and the Cultural Politics of Early Modern England** Edith Snook, 2017-07-05 A study of the representation of reading in early modern Englishwomen s writing this book exists at the intersection of textual criticism and cultural history It looks at depictions of reading in women s printed devotional works maternal advice books poetry and fiction as well as manuscripts for evidence of ways in which

women conceived of reading in sixteenth and early seventeenth century England Among the authors and texts considered are Katherine Parr Lamentation of a Sinner Anne Askew The Examinations of Anne Askew Dorothy Leigh The Mothers Blessing Elizabeth Grymston Miscelanea Meditations Memoratives Aemelia Lanyer Salve Deus Rex Judaeorum and Mary Wroth The First Part of the Countess of Montgomery s Urania Attentive to contiguities between representations of reading in print and reading practices found in manuscript culture this book also examines a commonplace book belonging to Anne Cornwallis Folger Folger MS V a 89 and a Passion poem presented by Elizabeth Middleton to Sarah Edmondes Bod MS Don e 17 Edith Snook here makes an original contribution to the ongoing scholarly project of historicizing reading by foregrounding female writers of the early modern period She explores how women s representations of reading negotiate the dynamic relationship between the public and private spheres and investigates how women might have been affected by changing ideas about literacy as well as how they sought to effect change in devotional and literary reading practices Finally because the activity of reading is a site of cultural conflict over gender social and educational status and the religious or national affiliation of readers Snook brings to light how these women when they write about reading are engaged in structuring the cultural politics of early modern England

A Reader on Audience Development and Cultural Policy Steven Hadley, 2024-02-22 This book brings together for the first time twenty two chapters on arts marketing and audience development Edited and curated to be accessible to both academics and those working in the cultural sector the book provides an invaluable resource for anyone interested in the traditions philosophies and approaches which underpin our ideas about increasing audiences for the arts Covering a range of topics and international perspectives it tells the story of how arts marketing and audience development came to be such an important management practice in the cultural sector This edited volume discusses the relationship of audience development to arts management and cultural policy and outlines the foundational arguments which have led to contemporary debates around everyday creativity and cultural democracy By providing vital insights from both the theory and practice of arts marketing and audience development the book will serve as an excellent reference work for researchers Simultaneously this book will also be an invaluable read for those working in cultural leadership and arts management roles The chapters in this book were originally published in various Routledge journals

Reader's Guide to Periodical Literature Supplement ,1917

Novels, Novelists, and Readers Mary Frances Rogers, 1991-01-01 Focusing on British and American novels Rogers takes a sociological look at the business of literature the book industry and the experiences of novelists and readers Viewing the novel as a vehicle of cultural meaning the author shows how the literary canon overlooks substantial similarities among novels in favor of restrictive codes based on social as well as literary considerations She emphasizes the kinship between the social sciences and humanities in her analysis by reinvigorating affection for the novel and also establishing its rich cultural significance

Cultural Participation Ann Rigney, Douwe Wessel Fokkema, 1993 Culture is studied in this collection not merely as a set of products but in terms of the involvement of

individuals and groups in the making and using of such products A wide range of activities from the reading and writing of poetry to watching soccer on television is surveyed by an international group of scholars from diverse disciplines cultural history literary studies sociology Topics include the social distribution of cultural activities populism and elitism in modern aesthetics the nature of cultural competence and the channels through which it is acquired the impact of electronic media on traditional modes of cultural involvement the role of public institutions such as churches schools and libraries in stimulating participation and the relationship between cultural participation and socialization *Cultural History of Reading* Sara E. Quay, Gabrielle R. Watling, 2008-11-30 What is it about some books that makes them timeless Cultural History of Reading looks at books from their earliest beginnings through the present day in both the U S and regions all over the world Not only fiction and literature but religious works dictionaries scientific works and home guides such as Mrs Beeton s all have had an impact on not only their own time and place but continue to capture the attention of readers today Volume 1 examines the history of books in regions throughout the world identifying both literature and nonfiction that was influenced by cultural events of its time Volume 2 identifies books from the pre colonial era to the present day that have had lasting significance in the United States History students and book lovers alike will enjoy discovering the books that have impacted our world
