**The Sugar House** Laura Lippman, 2009-03-17 New York Times bestselling author Laura Lippman's Tess Monaghan must solve one of the most baffling murders in her PI career When Tess Monaghan agrees to talk to Ruthie Dembrow she senses she'll regret it If there's anything Tess has learned in her work both as a newspaper reporter and then as a PI it's to trust your instincts Still she can't deny she's intrigued when Ruthie asks her to investigate the fatal stabbing of her brother Henry while he was locked away for murdering a teenage runaway over a bottle of glue Henry's death at the hands of fellow convicts doesn't surprise Tess but what does is that he was convicted for murdering a Jane Doe something that rarely happens in the judicial system No ID was found on the victim's body and her fingerprints didn't match up to any in the national database How could anyone escape all the identity nets of the modern world Ruthie is convinced if she learns the identity of her brother's victim maybe she can also find out why he was killed Tess's search takes her on a harrowing journey from Baltimore's exclusive Inner Harbor to the seedy neighborhood of Locust Point But it's the shocking discovery of the runaway's true identity that turns Tess's hunt deadly Suddenly her supposedly solved murder case keeps turning up newer fresher corpses and scarier versions of the Sugar House places that look so sweet and safe but only from the outside **The**

**Sugar House [sound Recording] : a Tess Monaghan Mystery** Karmazyn, Barbara, Laura Lippman, British Columbia.

Public Library Services Branch, 2002 When a convicted murderer is himself murdered in prison the sister of the dead prisoner seeks out Tess Monaghan to unravel the identity of the woman her brother killed Women of the Mean Streets: Lesbian Noir J.M. Redmann, Greg Herren, 2011-07-01 Women Crime Justice At least the search for it On the mean streets the back allies the dark corners These are stories of tough women in hard places The nights are long the women are fast and danger is always a short block or quick minute away Edited by award winning author editors J M Redmann and Greg Herren Women of the Mean Streets is an anthology of some of the top tough women crime writers today noir stories with a lesbian twist

**Great Women Mystery Writers** Elizabeth A. Blakesley, 2006-11-30 Mysteries are among the most popular books today and women continue to be among the most creative and widely read mystery writers This book includes alphabetically arranged entries on 90 women mystery writers Many of the writers discussed were not even writing when the first edition of this book was published in 1994 while others have written numerous works since then Writers were selected based on their status as award winners their commercial success and their critical acclaim Each entry provides biographical information a discussion of major works and themes and primary and secondary bibliographies The volume closes with appendices and a selected general bibliography Public library patrons will value this guide to their favorite authors while students will turn to it when writing reports *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is

interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

**Another Thing to Fall** Laura Lippman, 2009-10-13 New York Times Bestseller Award winning and New York Times bestselling author Laura Lippman's Tess Monaghan first introduced in the classic Baltimore Blues must protect an up and coming Hollywood actress but when murder strikes on a TV set the unflappable PI discovers everyone's got a secret A welcome addition to Tess Monaghan's adventures and an insightful look at the desperation that drives those grasping for a shot at fame and those who will do anything to keep it San Francisco Chronicle When private investigator Tess Monaghan literally runs into the crew of the fledgling TV series Mann of Steel while sculling she expects sharp words and evil looks not an assignment But the company has been plagued by a series of disturbing incidents since its arrival on location in Baltimore bad press union threats and small costly on set accidents that have wreaked havoc with its shooting schedule As a result Mann's creator Flip Tumulty the son of a Hollywood legend is worried for the safety of his young female lead Selene Waites and asks Tess to serve as her bodyguard Tumulty's concern may be well founded Recently a Baltimore man was discovered dead in his home surrounded by photos of the beautiful if difficult aspiring star In the past Tess has had enough trouble guarding her own body Keeping a spoiled movie princess under wraps may be more than she can handle since Selene is not as naive as everyone seems to think and instead is quite devious Once Tess gets a taste of this world of make believe with their vanities their self serving agendas and their remarkably skewed visions of reality she's just about ready to throw in the towel But she's pulled back in when a grisly on set murder occurs threatening to topple the wall of secrets surrounding Mann of Steel as lives dreams and careers are scattered among the ruins
