The Auction Part 4: A Mobster Romance A. G. Khaliq, I've come too far to turn back now The world I'm living in is darker than I

ever imagined but it's mine Arben's world the underworld where danger lurks around every corner We've dived deeper into the abyss taking on Victor Dragan and his shady empire Every day feels like a battle and I'm fighting harder than ever to prove myself But with every move we make the stakes rise and the risks get deadlier Arben's changed though He looks at me differently now It's not just about control anymore it's something deeper something I can't ignore I can feel it his respect for me growing even as the danger around us tightens He sees me the woman I am beneath everything else And it makes me want to fight even harder for him for us But we're not alone in this The enemies I can't see are closing in watching our every move The world we've chosen is suffocating and trust is the rarest thing of all We're being followed Threatened And the weight of it all is crushing making me question everything I've fought for I've never been one to back down My faith my beliefs they've always been my anchor But in this world they feel like a liability How can I stay true to who I am when every part of me is being pulled into the darkness Arben and I have built something fragile something beautiful but in a place like this can anything truly survive I don't know how much longer we can keep the world at bay But I'll fight for us For the love I've found in the middle of all this chaos The question is will it be enough to keep us safe or will the abyss finally swallow us whole
