smugglers and the sea this will delight fans of Nicola Pryce Gloria Cook and Winston Graham's Poldark novels *Summer's Adventure* Sally M. Russell, 2013-02-01 Lucas Gillette recruited his 18 year old grandson Mark to accompany him on a search of a lifetime His mother Ruth Hayes had left her family in Colorado when she was just a teenager to live with her grandparents in NY while she finished school but for some unknown reason she'd never returned No one in New York knew of this family connection to Hayes Colorado until Ruth had finally told her husband as he lay on his death bed that she could have family living out West Although Lucas had tried he'd learned very little before his mother's death but he's determined now to find out if there could still be relatives in this small Colorado town Their summer adventure took them across Ohio Michigan Illinois Wisconsin Minnesota South Dakota and then south in Wyoming and Colorado until they reached their destination just west of Pueblo Colorado Finding relatives was exciting and more wonderful than they'd ever expected A wedding a romance for Mark and many other experiences of fun and surprises filled their days and evenings The family was united and all was well at the Haven of Rest Ranch

The Opposite of Dark Debra Purdy Kong, 1900 When the cops tell Casey Holland that her dad was murdered the previous night Casey doesn't believe them After all she buried her dad three years ago Casey's quest to learn the truth takes her to England Paris and Amsterdam where the unwelcome help of a persistent stranger endangers her life and those of the people she loves Hoof Prints on My Heart Mitzy Tait-Zeller, 2012-05-09 Hoof Prints on My Heart is a poignant and heartwarming recollection of the author's experiences with horses her own and those she came in contact with over the last thirty two years Her horse experiences shared with family and friends are fondly remembered from a now experienced heart and often in a humorous light From a wee girl madly in love with horses to the horsewoman she is today she recalls the humor the heartbreak and the obstacles that could not deter her love of the equine species Her dreams and goals change as her horse and life experiences evolve Mount up and ride with the author on the backs of the horses that have left hoof prints on her heart *Carlyle on Cromwell and Others (1837-48)* David Alec Wilson, 1925 *Ashbel P. Fitch* David F. Remington, 2011-06-28 The concept of an honest Tammany man sounds like an oxymoron but it became a reality in the curious career of Ashbel P Fitch who served New York City as a four term congressman and a one term city comptroller during the late nineteenth century Although little known today Fitch was well respected in his own day and played a pivotal role on both national and local stages In the U S Congress Fitch was a passionate advocate of New York City His support of tariff reform and his efforts to have New York City chosen as the site for an 1892 World Exposition reflected his deep interest in issues of industrialization and urbanization An ardent defender of immigrant rights Fitch opposed the xenophobia of the times and championed cosmopolitan diversity As New York's comptroller he oversaw the city's finances during a time of terrible economic distress withstanding threats from Tammany Hall on one side and from Mayor William L Strong's misguided reform administration on the other In *Ashbel P Fitch* Remington succeeds in illuminating the independence and integrity of this unsung hero against the backdrop of the Gilded

Age s corrupt politics and fierce party loyalty *Path Chosen* Delane Quiver Boyer,2014-04-09 This is my story of my memories thoughts and interpretations that I made from my experiences starting at the beginning of my age of awareness I grew up on the Pine Ridge Indian Reservation in South Dakota where I faced living in two different cultures to the time I joined the U S Army My story is not about the accumulation of wealth or being famous or being some savior It is about a simple dream My story starts from the time I remember reaching the age of awareness to the present I do not claim to be a writer so my story may not be a well planned or polished literary work that meets all the high standards of writing The story is about being on a path out of poverty I was raised by my grandparents from a baby to the time I joined the U S Army For some reason my mother left me to be raised by her parents They were poor people seasonal laborers who lived with a strong belief in their God We lived in a two room shack with tarpaper siding that had not inside toilet running water or electricity That was our home They were always short of money to buy necessities and usually faced hunger However they were a good couple and had a faith to believe in God However I was fortunate to get a good education and had the opportunity to join the army for a career I experienced new horizons that exposed me to new learning s that tempered my attitude I wish to share my experiences and thoughts from traveling along a path chosen with especially the Lakota youth and the non Lakota youth what have written in this book Pilamaya Thank you *Catalog of Copyright Entries* ,1938 Horse Spy Bonnie

Bryant,2013-01-30 When Carole Hanson learns that the newly elected president of a Middle Eastern country will be visiting Washington with his horse crazy daughter it seems only natural to write the girl a letter inviting her to come for a ride at Pine Hollow Carole thinks she might get a reply with an interesting stamp on it Instead of a stamp however Carole gets men with dark suits and sunglasses who walk around Pine Hollow talking into their lapels looking for spies in the hayloft and asking for security clearance for horses Isn t this a little extreme Especially since the four girls only wanted to go on a trail ride But when a real spy turns up at Pine Hollow The Saddle Club rides to the rescue to protect national horse safety
