John Kaufan, 2013-04-01 Mel P Dread Private Eye Investigation Division Matter regarding one ton of priceless missing gold coins My early investigations led me to find three gold coins The coins had been buried deep underground along with the first clues that could dramatically change my life forever My quest to find the priceless coins led me and my new friend Bonnie Lou Starr to Des Moines Iowa In search for more clues we visited the famous Des Moines Christian Cathedral Church and homeless shelter where the two of us spent five nights eating sleeping and pretending to be homeless Des Moines is where my great grandfather Melvin Porter Dread was buried His grave was where I dug up more clues which led me to believe I could become one of the richest twelve year old kids in the entire world if I found that priceless lost gold Soon after we returned home a story of two twelve year old kids from Nebraska was all over the national and local TV news Could that be it Maybe this case needed to be stamped closed Then I started connecting the missing pieces in this Dread family mystery with all those clues that could only lead to one remaining question just where did my great grandfather hide the gold I now have a good idea where it might have been hidden in the very church the Dread family had built back in 1906 It is the same church my father who believes that God does love the poor as much as the rich still preaches in every Sunday I know you are anxious to see how this mystery will turn out I still believe there could be a fortune of gold coins hidden somewhere and I have been busy doing every possible thing I can do to find them I assure you As luck would have it I am unfortunately trapped and in a great amount of pain As I lie here trying to make it through the night I know however this story turns out at
