Summer Folk

Eiríkr Magnússon, William Morris

Summer Folk:

Summerfolk Stephen Lovell, 2016-05-19 The dacha is a sometimes beloved sometimes scorned Russian dwelling Alexander Pushkin summered in one Joseph Stalin lived in one for the last twenty years of his life and contemporary Russian families still escape the city to spend time in them Stephen Lovell's generously illustrated book is the first social and cultural history of the dacha Lovell traces the dwelling's origins as a villa for the court elite in the early eighteenth century through its nineteenth century role as the emblem of a middle class lifestyle its place under communist rule and its post Soviet incarnation A fascinating work rich in detail *Summerfolk* explores the ways in which Russia's turbulent past has shaped the function of the dacha and attitudes toward it The book also demonstrates the crucial role that the dacha has played in the development of Russia's two most important cities Moscow and St Petersburg by providing residents with a refuge from the squalid and crowded metropolis Like the suburbs in other nations the dacha form of settlement served to alleviate social anxieties about urban growth Lovell shows that the dacha is defined less by its physical location usually one or two hours distance from a large city yet apart from the rural hinterland than by the routines values and ideologies of its inhabitants Drawing on sources as diverse as architectural pattern books memoirs paintings fiction and newspapers he examines how dachniki summerfolk have freed themselves from the workplace cultivated domestic space and created informal yet intense intellectual communities He also reflects on the disdain that many Russians have felt toward the dacha and their association of its lifestyle with physical idleness private property and unproductive use of the land Russian attitudes toward the dacha are Lovell asserts constantly evolving The word dacha has evoked both delight in and hostility to leisure It has implied both the rejection of agricultural labor and more recently a return to the soil In *Summerfolk* the dacha is a unique vantage point from which to observe the Russian social landscape and Russian life in the private sphere *Return to Holly Cottage* Norma Collis, 2024-06-25 Like entering the home of an old friend *Return to Holly Cottage* is a second collection of stories from the beloved 1878 stone farmhouse otherwise known as the house that hugs you Located in Canada's southern Georgian Bay near the famous Bruce Trail *Holly Cottage* was a beloved country Bed Breakfast frequented by fascinating guests and surrounded by quirky neighbours Some guests were looking for love others for a bit of peace and quiet One particularly memorable Italian speaking guest was looking for a bear Charmed by the beautiful gardens pristine natural surroundings and caring hosts guests returned to *Holly Cottage* over and over again Readers too will return again and again to these smart wryly funny and deeply touching stories **The Sportswoman** Constance M.
