Many found a positive experience in the education they received and discovered new sources of pride such as the Native American Church Haskell's renowned football team and its equally accomplished school band Haskell is the only former government boarding school to evolve into a four year university and still boasts a unique intertribal character providing a culturally diverse learning environment for more than 1 000 students from 150 tribes every year The first in depth study of the school from its founding through the first quarter of the twentieth century Voices from Haskell is a frank look at its history a tribute to its accomplishments and a major contribution to studies of the Indian boarding school experience
