Summer Of The Great Grandmother:

The Summer of the Great-Grandmother Madeleine L'Engle, 2016-11-29 A poignant meditation on the bonds between mothers and daughters and the inescapable effects of time from the author of *A Wrinkle in Time* In the second memoir of her Crosswicks Journals Madeleine L'Engle chronicles a season of extremes Four generations of family have gathered at Crosswicks her Connecticut farmhouse to care for L'Engle's ninety year old mother As summer days fade to sleepless nights her mother's health rapidly declines and her once astute mind slips into senility With poignant honesty L'Engle describes the gifts and graces as well as the painful emotional cost of caring for the one who once cared for you As she spends her days with a mother who barely resembles the competent and vigorous woman who bore and raised her L'Engle delves into her memories reflecting on the lives of the strong women in her family's history Evoking both personal experiences and universal themes *The Summer of the Great Grandmother* takes an unflinching look at diminishment and death all the while celebrating the wonder of life This ebook features an illustrated biography of Madeleine L'Engle including rare images from the author's estate
