**Scenes From a Summer House** Norma Roth, 2008-06 The group of poems were written in Nova Scotia Canada and contain the inspiration of a land and sea that have affected me deeply Although not the place in which my husband and I reside most of the year it has become very dear An old house a pebbled beach and a new environment have given us in unexpected ways gifts allowing us both to come to terms with a life lived while also bestowing upon us a gift of new beginnings This group of poems then is dedicated to our new home and the landscape and seascape that we now share where there are no boundaries between time and space beginnings and endings where all things appear to exist simultaneously on the horizon within the sea and upon the land and where most important of all life seems good

Poetic Writing and the Vietnam War in West Germany Mererid Puw Davies, 2023-05-30 In the 1960s and 1970s in the Federal Republic of Germany FRG or West Germany newspaper readers and television viewers were appalled by terrible images of fires burning half a world away The Vietnam War was a decisive catalyst for the era's wider protest movements and gave rise to an ardent anti war discourse This discourse privileged writing in many forms Within it poetry and poetic writing were key and because coverage of the conflict in Vietnam often focused on spectacular destructive conflagrations ignited by hi tech machines of war their dominant trope was fire Hundreds of poems and related writings about Vietnam circulated in the FRG yet they are almost entirely forgotten today *Poetic Writing and the Vietnam War in West Germany* uncovers and explores some of this rich production in order to present a new history of engaged poetic writing in

the FRG in the 1960s and 1970s and to draw out distinctive characteristics of wider protest culture In doing so it makes the case for attending to marginal non canonical or neglected literary and cultural forms and for critical thinking about why they might over time have been obscured This book offers too a case study for reflection on the representation of war on ways in which German oppositional culture could imagine its others and the ways in which other voices could speak to it in turn and on the relationship of poetry to the historical world International Who's Who of Authors and Writers 2004 Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature TheInternational Who s Who of Authors and Writersoffers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters **Twentieth Century American Literature** Warren French,1980-11-01 **An Upright Research on The Vietnam War** Tranduc Han Prudence,2021-05-13 After The Fall of South Vietnam both the southerners and northerners differentiate between helpers and deceivers Americans arrived in South Vietnam to help as they had done in Japan and West Germany after WWII the great majority of Vietnamese people appreciate 58 276 US soldiers who sacrificed their lives and other Americans who contributed valuable help in the years from 1954 1975 Contrarily the communists from the North with deceitful slogans like Let us fight Americans to recue our country and Nothing is precious than freedom and so on are deceivers Additionally the Vietnamese felt miserable in the stringent dictatorship of the communists so millions of them risked their lives to escape at least 300 000 died on the East Sea or in the forests The Vietnamese refugees escapees former officials and officers from prisons or labor camps of the communists appreciate all countries that welcome and help them and their families rebuild their lives they have better lives now The United States of America received the majority of Vietnamese refugees Most of them have overcome difficulties and procured successes in different fields especially in business and public health careers *Of Vietnam* J. Winston,L.
