Ohio's Amusement Parks in Vintage Postcards David W. Francis, Diane DeMali Francis, 2002 By 1912 there were 54 amusement parks in Ohio The parks came in all sizes and featured such attractions as the Flying Ponies carousel the Chute the Chutes water ride and the Cyclone Racer and Dip the Dips roller coasters Some like Cleveland's White City seemed to be courted by bad luck from the beginning and folded after only a few disappointing seasons Others like Youngstown's Idora Park enjoyed long lives and fostered beloved memories but eventually closed down in the 1960s 70s and 80s A few like Sandusky's Cedar Point have grown to be considered among the greatest amusement parks in the world But most are now forgotten

Crooked Deals and Broken Treaties John Tully, 2016 Draws on contemporary accounts and a wealth of studies to produce this history of the Cuyahoga Valley Tully pays special attention to how settlers notions of private property and the impulse to own and develop the land clashed with more collective social organizations of American Indians He also documents the ecological cost of settlement long before heavy industry laid waste to the region From publisher description
