**Transformed** Dan Kenner, 2021-02-04 Once one of the most deadly assassins in Lindrad Janis is now plagued by the bureaucratic limitations of Evenir and the odd Light powers they wield Newly awakened to his own powers Marric wants only to prove his worth in the world he s now part of Together the assassin and novice are thrown into the front lines of a growing conflict against Watchlight As they both manifest and expand their abilities each must also navigate missions to recruit new Lightbearers before the enemy reaches them first Prost an ex military man turned Watchlight operative looks forward to meeting Janis in battle again despite his Lightbearing immunity being called into question While he plots his next move Prost dreams of ending his days playing pawn to Riln a leader blinded by his obsession with power What seemed a mortal conflict has now turned into something far more foreboding Further complicating matters new figures emerge who haunt and wreak havoc Yet hope still remains in the form of an uncovered history Ultimately Janis Marric and even Prost must learn the value of balance in their own lives as well as for the fate of the world at large Should they fail darkness will irrevocably be unleashed

I Accidentally Summoned a Demon Jaide Harley, 2023-02-13 Shy and innocent Katherine has always dreamed about getting the main part in one of her theater s plays In addition to a love for stage acting the role would help distract her from the looming anniversary of her parents tragic deaths A home rehearsal turns into something unexpected when her script s Latin incantation accidentally summons a high ranking demon Nex Getting summoned is a nuisance but in the name of all that s unholy why did Nex have to be bonded by blood to the purest human He can only return to hell if he kills the person she names and Katherine is too virtuous to have a murder on her hands Though Nex utilizes a multitude of devilish tactics to convince her otherwise he s now stuck in the human realm Katherine should be scared of Nex s demonic powers and foul mouth but she can t seem to resist his charm and sinfully good looks The longer he stays their mutual attraction and

desire become undeniably heated Unfortunately human and demon relations are strictly forbidden While supernatural forces and the demon leader herself try to tear them apart the only thing they can rely on is love and a little bit of faith **Hero**

important theoretical contribution both to the anthropology of individual experience and to the psychoanalytic understanding of culture In its analyses of the symbolism of guilt the adaptational and integrative significance of belief in spirits and a host of related issues concerning possession states and religiosity this book marks a provocative advance in psychological anthropology
