Sundancing Thomas E. Mails, 1998 To the Plains Indians the Sun Dance has traditionally been a profound religious ceremony the highest form of worship of the Most Holy One Thomas E Mails was invited to attend and record in detail the Sioux Sun Dances at Rosebud and Pine Ridge This was a singular honor no white man has been accorded before or since The result is this groundbreaking work illustrated with rare photographs and stunning four color paintings Faith in the Neighborhood - Praying Lucinda Allen Mosher, 2005-12 Praying is the second in a series of books that offer Christians a new way of understanding what it means to live and worship among America s many faiths and introduces them to the religions that make up the American neighborhood Praying will explore public family and individual worship in Judaism Islam Hinduism Jainism Buddhism Sikhism Baha i Zoroastrianism American indigenous spiritualities Chinese spiritualities Confucianism Taoism Shinto and Afro Caribbean religions Praying answers and discusses questions such as these How does your religion understand measure the passage of time daily weekly annually over the course of a lifetime What is the vocabulary of ritual and practice in your religion e g worship prayer meditation pilgrimage feasting and fasting Is there a distinction between public and private individual worship practice in your religion What are this religion s most distinctive practices What makes them so significant Praying includes a quick guide to each religion a glossary and recommended reading **Dancing on the Earth** Johanna Leseho, Sandra McMaster, 2011-06-01 The essays in this dynamic compilation are a testament to dance as a healing art Widely interdisciplinary in nature and written by women dancers from around the world they illustrate a rich array of dance practices cultures and disciplines and show how this expressive therapy can be both empowering and exhilarating The women s narratives all share a deep appreciation for the connection between mental spiritual and physical dimensions offering dance as a transformative power of renewing and rebuilding that bond Both personal and professional the stories weave a vivid tapestry of lived experiences and insights balance and a community healed by dance Pipe, Bible, and Peyote among the Oglala Lakota Paul B. Steinmetz, S.J., 1998-12-01 When Paul B Steinmetz worked among the Oglala Lakota in South Dakota he prayed with the Sacred Pipe conversed with medicine men and participated in their religious ceremonies Steinmetz describes the history belief systems and contemporary ceremonies of three religious groups among the Oglala Lakota traditional Lakota religion the Native American Church and the Body of Christ Independent Church a small Pentecostal group On the basis of these descriptions Steinmetz discusses the interdynamics of Pipe Bible and Peyote and offers a model for understanding Oglala religious identity Steinmetz maintains that a sense of sacramentalism is essential in understanding Native American religions and that the mutual influence between Lakota religion and Christianity has been far more extensive than most scholars have suggested *Tribal Dancing and Social Development* Wilfrid Dyson Hambly, 1927 **Indians of the Great Plains** Daniel J. Gelo, 2016-12-05 Plains Societies and Cultures Indians of the Great Plains written by Daniel J Gelo of The University of Texas at San Antonio is a text

that emphasizes that Plains societies and cultures are continuing living entities Through a topical exploration it provides a contemporary view of recent scholarship on the classic Horse Culture Period while also bringing readers up to date with historical and cultural developments of the 20th and 21st centuries In addition it contains wide and balanced coverage of the many different tribal groups including Canadian and southern populations Teaching Learning Experience Improve Critical Thinking Indians of the Great Plains provides recent scholarship and up to date historical and cultural developments of the twentieth and twenty first centuries to see the Plains societies and cultures as continuing living entities including charts showing tribal organization and kinship systems Engage Students Indians of the Great Plains features excerpts of Native poetry songs and ethnographic accounts as well as Chapter Summaries and End of Chapter Review Questions **We Do Not Want the Gates Closed between Us** Justin Gage,2020-10-08 In the 1860s and 1870s the United States government forced most western Native Americans to settle on reservations These ever shrinking pieces of land were meant to relocate contain and separate these Native peoples isolating them from one another and from the white populations coursing through the plains We Do Not Want the Gates Closed Between Us tells the story of how Native Americans resisted this effort by building vast intertribal networks of communication threaded together by letter writing and off reservation visiting Faced with the consequences of U S colonialism the constraints population loss and destitution Native Americans far from passively accepting their fate mobilized to control their own sources of information spread and reinforce ideas and collectively discuss and mount resistance against onerous government policies Justin Gage traces these efforts drawing on extensive new evidence including more than one hundred letters written by nineteenth century Native Americans His work shows how Lakotas Cheyennes Utes Shoshones Kiowas and dozens of other western tribal nations shrewdly used the U S government s repressive education system and mechanisms of American settler colonialism notably the railroads and the Postal Service to achieve their own ends Thus Natives used literacy a primary tool of assimilation for U S policymakers to decolonize their lives much earlier than historians have noted Whereas previous histories have assumed that the Ghost Dance itself was responsible for the creation of brand new networks among western tribes this book suggests that the intertribal networks formed in the 1870s and 1880s actually facilitated the rapid dissemination of the Ghost Dance in 1889 and 1890

Documenting the evolution and operation of intertribal networking Gage demonstrates its effectiveness and recognizes for the first time how through Native activism long distance intercultural communication persisted in the colonized American West **An Oral History of the Special Olympics in China Volume 2** William P. Alford,Mei Liao,Fengming

Cui,2020-05-25 This open access book contains the oral histories that were inspired by the work of the Special Olympics in conjunction with the 50th anniversary of its founding The foreword and prefatory materials provide an overview of the Special Olympics and its growth in the People s Republic of China The sections that follow record interview transcripts of individuals with intellectual disabilities living in Shanghai In addition to chronicling the involvement of these individuals and

their families in the Special Olympics movement the interview transcripts also capture their daily lives and how they have navigated school and work

Sun Dancing Michael Hull, 2000-10-01 A powerful story of one man's redemption through the Lakota Sun Dance ceremony Written by the only white man to be confirmed as a Sundance Chief by traditional Lakota elders Includes forewords by prominent Lakota spiritual leaders Leonard Crow Dog Charles Chipps Mary Thunder and Jamie Sams The Sun Dance is the largest and most important ceremony in the Lakota spiritual tradition the one that ensures the life of the people for another year In 1988 Michael Hull was extended an invitation to join in a Sun Dance by Lakota elder Leonard Crow Dog a controversial action because Hull is white This was the beginning of a spiritual journey that increasingly interwove the life of the author with the people process and elements of Lakota spirituality On this journey on the Red Road Michael Hull confronted firsthand the transformational power of Lakota spiritual practice and the deep ambivalence many Indians had about opening their ceremonies to a white man Sun Dancing presents a profound look at the elements of traditional Lakota ceremonial practice and the ways in which ceremony is regarded as life giving by the Lakota Through his commitment to following the Red Road Michael Hull gradually won acceptance in a community that has rejected other attempts by white America to absorb its spiritual practices leading to the extraordinary step of his confirmation as a Sun Dance Chief by Leonard Crow Dog and other Lakota spiritual leaders
