The Weekly Khutbah Volume 1: 2013-2014 Saiyan Islam, 2016-02-06 Every week Friday comes and for us Muslims Friday is very crucial in the sense we have our Jummah prayers Along with the Jummah prayers we have our weekly sermons What happens is that most of us tend to forget the sermons delivered by the Imams So I thought of this system of writing down all the sermons so that the knowledge we gain gets preserved Furthermore the sisters who are mostly unable to attend the Jummah prayer in many countries do not get the chance to learn from the weekly sermons The males can easily record their learning and teach the women at their home All the sermons are from the Imams from the Masjids I attend weekly and the Hadiths mentioned are from their own sermons Sometimes the Imams may tend to refer to weak Hadiths I have tried my best to classify them as much as possible May Allah have mercy upon us all and may we get guided to the Straight Path Ameen

You will notice the new name of our journal American Journal of Islam and Society AJIS that has replaced the older American Journal of Islamic Social Sciences AJISS Now in its thirty seventh year the journal has evolved along with the scholarly landscape and our global community of readers The new name reflects an expansion of the journal's scope which has in fact already reflected in the articles it has featured for years This change signals that social sciences and humanities are interrelated and that an Islamic engagement with one requires examining the other we therefore wish to underscore that we welcome all scholarship that pertains to the myriad ways in which Islam and human societies interact Furthermore in order to optimize our resources and further improve the quality of the content the journal will henceforth be published biannually rather than every quarter Ovamir Anjum Editor

[The Critical Qur'an](#) Robert Spencer, 2022-05-03

A unique resource for understanding the Islamic Holy Book As Islamic terrorism becomes a distressingly common feature of life in North America and Europe it has become increasingly important for non Muslims to be aware of the ideology that animates and motivates jihad violence and Sharia oppression of women and others an ideology that's rooted in Islam's holy book the Qur'an English speaking people however have found attempts to understand the Qur'an and Islam impeded by unclear densely worded translations and explanatory notes written by Islamic apologists attempting to conceal rather than reveal how Islamic jihadis use the texts and teachings of the Qur'an to justify violence and supremacism and to make recruits of peaceful Muslims The Critical Qur'an in contrast makes clear the passages that are used to incite violence Historian and Islamic scholar Robert Spencer elucidates the Qur'anic text with extensive references to the principal tafsir or commentaries that mainstream Muslims use today to understand the Qur'an showing how interpretations that sanction violence are unfortunately not outliers but central in Islamic theology The Critical Qur'an is the Islamic counterpart to numerous critical and skeptical editions of the Bible that have appeared over the last century and more It is the one edition of Islam's book that doesn't shy away from elucidating why the holy book of Islam is so frequently quoted and referred to with reverence by

people who commit and or justify acts of violence It is a basic resource for everyone who wishes to understand the persistent phenomenon of Islamic terrorism and the peculiar provenance of this most provocative book **Advancing Islāmic Psychology Education** G. research and the cultivation of intellectual dialogue Many of us found this journal a space for ruminating discussing and developing our own narratives on our Islamic heritage and what it means in the contemporary world Especially compared to anti Islamic biases in other corners of academia AJIS is a coming home One constant throughout the past four decades is the journal s commit ment to scholarship that documents and explores Islam s rich religious intellectual legal philosophical and social heritages The assumption is that these various perspectives have meaningful things to say about the human condition and our place in the world Debate discussion and disagreement all appear in these pages but always grounded in an underlying steadfastness that Islam is a faith tradition that is not obso lete that Muslims can contribute positively to humanity s betterment That said the journal is not a place of religious homilies This is an academic journal with a double blind peer review process Articles that are published thus pass muster in the discipline in which they conduct their research Let us thank the authors who have entrusted us with their groundbreaking research pushing the boundaries of knowledge and enriching our understanding of critical issues in our disciplines Let us thank the journal s editors editorial boards diligent reviewers and committed staff members who have meticulously upheld the journal s reputation for excellence contributing to its sustained success
