Deconstructing Prayer Hephzibah, 2022-05-05 Deconstruction does not mean Demolition It means breaking down or to analyse something to discover its true meaning In Deconstructing Prayer it looks at why believers prayers seem to go unanswered It addresses and answers difficult questions we wrestle with about Faith sin and unbelief Are these the only reasons why we don't see answers or is there another reason why It seeks to separate the wheat from the tears by exposing dangerous doctrines of men that are killing the body of Christ It explains the Dark Knight of the Soul that believers don't realise their going through Causing some to fall away from the Faith confused and broken with no help from the church You will learn how to discern what type of spirits like to manifest as the Holy Spirit What you are really fighting with and how to overcome it Learn how to spiritually cleanse yourself family home and sacred space Understand how Faith really works How to do spiritual warfare using the book of Psalms and the whole armour of God Learn how sickness manifests and why you can't find healing Understand why you are doing all they tell you to do but it's not working So much more is within this book you will finally come to know the Truth and the Truth will set you free *Sunburned Prayer*,

Praying When Prayer Doesn't Work Jack Corbin Getz, 2010-07-07 Almost everyone has an opinion about what prayer is and how it ought to work But for many prayer produces far less than the saints say it should While some surveys suggest that up to 90 percent of us believe in prayer enough to do it daily that lofty statistic is tempered by the sobering claim that average believers only pray for eight to twelve minutes a week If that's not a red warning flag that prayer has a serious public relations problem what is Praying When Prayer Doesn't Work is a thoughtful often witty account of the author's journey to find prayer's elusive promise for himself A pastor for thirty years Jack uses humor plenty of secondary resources scripture real life stories and his own unique insights to illustrate how both routine and exceptional circumstances may be used to trigger meaningful ongoing and productive prayer While challenging harmful assumptions dogma with unconventional observations Getz also looks at prayer's four public relations problems identifies the perfect environment for prayer and examines the three critical attitudes necessary to pray with great effect Also the wisdom and helpful suggestions found in the useful study guide can teach sincere seekers of the truth how to get personal with God and make praying a choice not a chore
