Risk/benefit Analysis in the Legislative Process, 1980 Reading for Preaching Cornelius Plantinga, Jr., 2013-11-30 In Reading for Preaching Cornelius Plantinga makes a striking claim preachers who read widely will most likely become better preachers Plantinga himself a master preacher shows how a wide reading program can benefit preachers First he says good reading generates delight and the preacher who enters the world of delight goes with God Good reading can also help tune the preacher's ear for language his or her primary tool General reading can enlarge the preacher's sympathies for people and situations that she or he had previously known nothing about And above all the preacher who reads widely has the chance to become wise This beautifully written book will benefit not just preachers but anyone interested in the wisdom to be derived from reading Works that Plantinga interacts with in the book include The Kite Runner by Khaled Hosseini Enrique's Journey by Sonia Nazario Silence by Shusaku Endo How Much Land Does a Man Need by Leo Tolstoy Narcissus Leaves the Pool by Joseph Epstein Les Misérables by Victor Hugo and many more
