**The Disneyization of Society** Alan Bryman,2004-06-09 Alan Bryman has expanded on his internationally well known work on Disney theme parks and Disneyization to create a fascinating and highly readable book It should prove of interest to

beginning students in a number of different courses and fields as well as to scholars interested in culture and consumption. There is no question that the model created by Disney and emulated in whole or in part by many organizations and in many settings will continue to influence social structure and culture well into the future. This is an important book about a significant social process. And it manages to be a fun read as well. George Ritzer, author of *McDonaldisation* and Professor of Sociology, University of Maryland, Bryman's analysis of contemporary consumption is full of detail and provides a host of examples ranging from restaurants and hotels to theme parks, zoos, and sports stadia. Without doubt, students will find it an accessible text, one that should allow them to think about consumption, familiar consumer products, settings, and activities sociologically. Barry Smart, Professor of Sociology, University of Portsmouth, Bryman's dissection of Disneyization is a timely and significant contribution to the growing literature on Disney. In fact, his excellent analysis of the extension of Disneyization throughout society explains why we should care about the Disney phenomenon at all. This is not only an important book for Disney scholars but for any one interested in the future of modern society. Janet Wasko, Professor of Communication Studies, University of Oregon. This is an agenda-setting new work in the sociology of culture and modern society. It argues that the contemporary world is increasingly converging towards the characteristics of the Disney theme parks. This process of convergence is revealed in the growing influence of themed environments in settings like restaurants, shops, hotels, tourism, and zoos; the growing trend towards social environments that are driven by combinations of forms of consumption: shopping, eating out, gambling, visiting the cinema, watching sports; the growth in cachet awarded to brands based on licensed merchandise; and the increased prominence of work that is a performance in which the employees have to display certain emotions and generally convey impressions as though working in a theatrical event. This insightful book demonstrates the importance of control and surveillance in consumer culture. Of interest to a wide variety of students studying in business, sociology, cultural studies, media studies, and leisure studies courses, this will also be of interest to anybody interested in understanding the intricacies of modern society.

**The Twentysomething Guide to Getting It Together** Mary Traina, 2014-06-15. Your guide to making it as a real-life grownup. Like a lot of people, author Mary Traina spent her early twenties making a mess out of her life until she realized it was time to toss the red Solo cups and finally grow up. In *The Twentysomething Guide to Getting It Together*, she teaches you how to bust out of your rut with practical advice for kicking your bad habits, taking action toward your goals, and moving on to the next stage of your life as an adult. From answering tough relationship questions to advancing your career, she'll tackle all your biggest issues as well as give you a step-by-step plan for getting through your twenties in one piece. Through Traina's signature humor, research, and real-world tips, this groundbreaking guide shows you how to: Date a real man. Escape entry-level hell. Stop binge drinking and overeating. Emerge from a mountain of debt. Cut those toxic friends of convenience. With the same hip-pop culture references and endless wit that landed her a regular column on Zooey Deschanel's website, Mary Traina makes getting life together fun, easy, and gasp, the

cool thing to do      **Turbo-Mom's Guide to Saving Money Without Wasting Time** Kristin Delfau, 2009 Delfau provides well researched straightforward advice and guidance on insurance taxes and investments direct from the tax and financial professionals      **The New York Times Guide to Marketing** Jamie Murphy, Edward J.
