Word Made Flesh Christopher West, 2018-09-07 One of the most influential movements in the Church today is centered on St John Paul II s Theology of the Body TOB of whose teachings Christopher West is the preeminent translator for a popular audience In Word Made Flesh A Companion to the Sunday Readings Cycle C West offers reflections on an entire cycle of Sunday Mass readings through the lens of TOB providing a fresh way to process and act on the Good News by orienting our desires for union with God with our understanding of ourselves and our relationships with others St John Paul II s TOB is most often framed as an extended catechesis on human sexuality and married love It is that to be sure but as John Paul II observed what we learn in the TOB concerns the whole Bible and the whole mission of Christ Wearing John Paul II s spousal lenses West takes us on a tour of the Sunday readings throughout the

liturgical year and opens their hidden meaning allowing God's word to take flesh in our own lives In a clearly written introduction West provides a primer on TOB an overview of its main teachings and an explanation of how these teachings brilliantly illuminate the whole story of salvation from Genesis to Revelation In Word Made Flesh West offers distinctive reflections on all fifty two Sunday readings from the first Sunday of Advent through Christ the King Sunday Some weeks he focuses primarily on the Gospel while in others he emphasizes a specific passage or verse from one of the other readings The reflections naturally and deeply connect with the human experience of living with body and soul in the world while also contemplating the nature of the glorified body in the eternal kingdom to come The material in Word Made Flesh can be used as a weekly devotional or as a preparation for Sunday Mass Subsequent editions of Word Made Flesh will be released prior to the start of liturgical cycles A Advent 2019 and B Advent 2020 **The Sunday Readings, "cycle A" (1)** Kevin

Sourcebook for Sundays, Seasons, and Weekdays 2011 Corinna Laughlin,2010-03-26 *Preaching to the Hungers of the Heart* James A. Wallace,2002 Preaching to the Hungers of the Heart is about words most particularly it is a book about the Word the living Word of God found in the Scriptures and embodied once and for all in the person of Jesus the Word made flesh In Preaching to the Hungers of the Heart Fr James Wallace offers a nuanced consideration of the homily as nourishment He focuses on three common liturgical contexts feasts of the Lord feasts of Mary and the saints and the sacramental rites He relates the preaching that occurs within each area to one of the heart's basic hungers for wholeness the great feasts of the Lord for guidance feasts of Mary and the saints and for meaning various rites He also addresses the spirituality of the preacher as it is worked out in the process of preparation For preachers and students in schools of ministry who are preparing to preach Preaching to the Hungers of the Heart will serve as a useful tool to help satisfy the hunger to preach the Gospel It includes homilies that provide excellent starting points for preachers looking for ideas Chapter one considers the image of feeding God's people with the Word of God Chapter two considering the innermost hunger of the human person looks to the preaching that takes place on the great feasts of the Lord and how such preaching can nourish the hunger for

wholeness Chapter three returns to the hunger for meaning already mentioned and extends to the other sacramental celebrations the homily's capacity to meet this hunger including those addressed by the various sacramental celebrations of the Church such as baptisms weddings funerals rites of reconciliation and anointing of the sick Chapters four and five present the homily as responding to the hunger to belong The final chapter considers one other hunger of the heart unique to the preacher referred to by John Paul II as a hunger to preach the gospel Pastores Dabo Vobis no 28 Chapters are Preaching's Task in a New Millennium Feeding God's People Preaching the Feasts of the Lord and the Hunger for Wholeness Preaching Within the Sacramental Rites and the Hunger for Meaning Preaching Through the Saints and the Hunger for Belonging I The Saints Preaching Through the Saints and the Hunger for Belonging II Mary and Cultivating the Preacher's Hunger To Make the Gospel Known and Loved James A Wallace CSsR PhD is professor of homiletics at Washington Theological Union His previous works include Preaching Through the Saints and The Ministry of Lectors published by The Liturgical Press He has also authored numerous articles and has given preaching conferences and workshops in the U S and abroad

Keys to the Council Richard R. Gaillardetz, Catherine Clifford, 2012-02-01 As the church marks the fiftieth anniversary of the opening of the Second Vatican Council too few Catholics have an adequate grasp of what the council contributed to the life of the church The problem is understandable The Second Vatican Council produced by far more document pages than any other council Consequently any attempt to master its core teachings can be daunting There is a danger of missing the forest for the trees With this in mind Keys to the Council identifies twenty key conciliar passages central texts that help us appreciate the Vision of the council fathers Each chapter places the given passage in its larger historical context explores its fundamental meaning and significance and finally considers its larger significance for the life of the church today Chapters include exploration of Sacrosanctum Concilium's demand for full conscious and active participation in the liturgy Lumen Gentium's eucharistic ecclesiology Gaudium et Spes's vision of marriage as an intimate partnership of life and love Nostra Aetate's approach to non-Christian religions and more
