Sunny Side Up Ann Varnum,1998-12 Reviews some of the visitors that Ms Varnum interviewed on her program *Sunny Side Up* Mike Blackwood,2022-05-04 You may come to the same conclusion another reader came to when I was in the early process of simply sending my stories out to gauge the interest of a potential book She said You have led a charmed life My first reaction was Are you nuts The fact is although I grew up differently than almost all of you I haven t had a charmed life believe me That sounds like in some way I have been lucky that I haven t experienced hardships pain or defeat Nothing could be further from the truth But I will tell you what is true I have had a blessed life Through it all the Lord has kept me above my trials and tribulations even when I didn t believe He was there Through disappointment death disease He was there I truly believe that we all have choices to make in life You can allow disappointments and discouragement in life to make you bitter or you can use them to make you better That s why I titled this book *Sunny Side Up* It s how you view your circumstances and how you use them that make us who we are To me it s always been that simple and before you ask no I am not a Southern version of Tony Robbins I am just telling you the way I see it So with that being said I hope you will find some of these short stories humorous I hope a few of them will give you pause to appreciate your blessings and one or two that will tug at your heartstrings to encourage you to be a better friend and neighbor I know that some of these stories if not all will seem far fetched or unbelievable to many of you but like I said I grew up differently than most of you and my experiences in this life to say it bluntly are unbelievable in themselves But this book really isn t about me at all I am just a storyteller I love telling stories about characters with character and there are plenty of both in the stories before you And before I forget on behalf of my German shepherd Sadie and my black Lab Doc and myself thank you for buying this book We greatly appreciate it
