Elderly Slaves of the Plantation South Stacey K. Close, 2015-12-22 Elderly slaves contributed substantially to the creation and perpetuation of the unique African American culture and antebellum plantation society in the South Interwoven with this major argument are two subthemes One centers on the fact that by the late antebellum period elderly slaves were some of the chief transmitters of Africanism the other focuses on how gender based distinctions of the elderly became blurred Although the roles of the

elderly often changed elderly slaves contributed to the plantation economy It is also true that those old people who were incapacitated posed serious economic and social concerns for owners although many of the problems of elderly care were solved by the compassion of slave community members Ph D Dissertation The Ohio State University 1992 revised with new preface and index

My Brother Slaves Sergio Lussana, 2016-05-20 Trapped in a world of brutal physical punishment and unremitting back breaking labor Frederick Douglass mused that it was the friendships he shared with other enslaved men that carried him through his darkest days In this pioneering study Sergio A L

A Question of Manhood, Volume 1 Darlene Clark Hine, Earnestine L. Jenkins, 1999-10-22 Each of these essays illuminates an important dimension of the complex array of Black male experiences as workers artists warriors and leaders The essays describe the expectations and demands to struggle to resist and facilitate the survival of African American culture and community Black manhood was shaped not only in relation to Black womanhood but was variously nurtured and challenged honed and transformed against a backdrop of white male power and domination and the relentless expectations and demands on them to struggle resist and to facilitate the survival of African American culture and community

The Civil War Era and Reconstruction Mary Ellen Snodgrass, 2015-03-26 The encyclopedia takes a broad multidisciplinary approach to the history of the period It includes general and specific entries on politics and business labor industry agriculture education and youth law and legislative affairs literature music the performing and visual arts health and medicine science and technology exploration life on the Western frontier family life slave life Native American life women and more than a hundred influential individuals

Down, Up, and Over Dwight N. Hopkins, First reconstructs the culutral matrix of African American religion a total way of life formed by Protestantism American culture and the institution of slavery 1619 1865 Whites from Europe and Blacks from Africa arrived with specific differing views of God faith and humanity Hopkins recreates their worldviews and shows how white theology sought to remake African Americans into naturally inferior beings divinely ordained into subservience The counter voice of enslaved blacks is the birth of the Spirit of liberation Back cover
