Sunshines Visions:

Love's Vision Troy Jollimore, 2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In Love s Vision Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love s moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato s Symposium love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love s blindness does not undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love s Vision is an original examination of a subject of vital philosophical and human concern Be Your Own Sunshine James Allen, 2022-02-10 Be Your Own Sunshine is a collection of four works by James Allen that sum up the hows whys and whats of taming the mind and its infinite energies of channelizing the power of positive thinking and striking a balance between the inner world of our thoughts as against the outer world of action As A Man Thinketh maps out the way in which our thoughts can affect our physical mental emotional and social health It also discusses ways in which we can use our visions and ideas to lead us to peace of mind From Passion to Peace is a step by step discussion on conquering the factors within us that hinder us from achieving success Man King of Mind Body and Circumstance aims at freeing us from the slavery of our negative and binding thoughts enabling us to conquer our inhibitions and set our spirit free Foundation Stones to Happiness and Success help us lay the foundation for a stronger self with the right balance of thoughts speech and its implementation in action *The Land of Sunshine* , 1896 **The Land of Sunshine** Charles Fletcher Lummis, 1896
