Cultural Encounters in Translated Children's Literature Helen Frank,2014-04-08 Cultural Encounters in Translated Children s Literature offers a detailed and innovative model of analysis for examining the complexities of translating children s literature and sheds light on the interpretive choices at work in moving texts from one culture to another The core of the study addresses the issue of how images of a nation locale or country are constructed in translated children s literature with the translation of Australian children s fiction into French serving as a case study Issues examined include the selection of books for translation the relationship between children s books and the national and international publishing industry the packaging of translations and the importance of titles blurbs and covers the linguistic and stylistic features specific to translating for children intertextual references the function of the translation in the target culture didactic and pedagogical aims euphemistic language and explicitation and literariness in translated texts The findings of the case study suggest that the most common constructs of Australia in French translations reveal a preponderance of traditional Eurocentric signifiers that identify Australia with the outback the antipodes the exotic the wild the unknown the void the end of the world the young and innocent nation and the Far West Contemporary signifiers that construct Australia as urban multicultural Aboriginal worldly and inharmonious are seriously under represented The study also shows that French translations are conventional conservative and didactic showing preference for an exotic rather than local specificity with systematic manipulation of Australian referents betraying a perception of Australia as antipodean rural exoticism The significance of the study lies in underscoring the manner in which a given culture is constructed in another cultural milieu especially through

translated children's literature **The Last Dogs: Dark Waters** Christopher Holt, 2013-06-11 When canine heroes Max Rocky and Gizmo encounter a lavish riverboat moored close to shore they're wary of what they might find on board. But as they're welcomed by a friendly community of dogs, the trio discovers that there's more to their new world than they expected. These dogs have seen humans who Max Rocky and Gizmo thought had disappeared without a trace. The brave companions meet new friends and encounter old enemies in their search for their people traveling to places they never imagined from a high speed monorail to a zoo filled with exotic animals. Max Rocky and Gizmo uncover secrets that promise to change their lives forever as they draw closer to figuring out why the humans left and being reunited with their families. *The Last Dogs: Dark Waters* is the second book in a thrilling series about three friends on a journey to find their people and bring them home.

Barking Mad Lexy Timms, After a time even the dog begins to compromise with the cat. Aimee Price thought she had it all in the bag. An apartment of her very own in New York City, a thriving design career, and a hot boyfriend. Then she got home and found her boyfriend cheating on her. Desperate for a break from the city and the drama it brings, she heads for her hometown and her parents. When her brother offers to let her stay on his rental property, she jumps at the chance for some peace and quiet and a chance to get her life organized again. ____ Morgan Clarke is home from the Marines with scars on his leg and heart after an accident that left his best friend dead. He's suffering from PTSD and doesn't know what the future holds, but he knows that healing will start here in his hometown. When his best friend offers to let him stay at the farmhouse he's been renovating, he agrees and heads for the address he's been given. When he finds Aimee there, the girl who used to tag along after him in high school, he knows things are about to get complicated. What he doesn't know is that Aimee might just be the answer he's been looking for, and that he himself might be the safe spot she needs to get her life back on track.
