An aerial photograph of a winding river or coastline, rendered in a monochromatic blue color. The water body is highly irregular and sinuous, creating a complex, meandering pattern. The surrounding land is visible as darker, more uniform areas. The overall image has a high-contrast, graphic quality.

## **Sinuousities Lesbian Poetic Politics:**

Sinuositities, Lesbian Poetic Politics Jeffner Allen, 1996-01-22 Allen's work is virtually unique among American writers. It illustrates a deep knowledge of the issues raised by the postmodernists yet she does not succumb to the playing field constructing instead her own philosophical direction and aesthetic. Sarah Hoagland. Jeffner Allen shapes a poetic politics that transforms textual and everyday realities. The surprising resilient and transformative windings of lesbian writing and lesbian lives a poetics of sinuous movement the turning of women to women informs these reflections. My Lesbian Husband Barrie Jean Borich, 2013-03-12 In My Lesbian Husband Barrie Jean Borich asks a fascinating question: do the names we give our relationships change their meanings? Each chapter entertains an aspect of this question with prose that is spirited, artful, anything but pat. Here is an author who takes neither love nor the power of language for granted and her book is as provocative and lively as the love it evokes. An extraordinary performance by a writer who renews our wonder at the complexity of human connection. Bernard Cooper. Barrie Jean Borich wins my respect with her ingenious and original description of feelings which for many need translating into a familiar language. She writes about her lover and their life together with a rare deftness, clarity, and antic sense of humor, never strident or defensive, rather self-confident and as if she herself were curious to discover what she is thinking about their relationship. Tyrkus, 1997 Profiles the achievements of prominent and noteworthy gays/lesbians. *May Sarton* Margot Peters, 2011-05-04 The first biography of May Sarton, a brilliant revelation of the life and work of a literary figure who influenced her thousands of readers not only by her novels and poetry but by her life and her writings about it. May Sarton's career stretched from 1930 (early sonnets published in *Poetry* magazine) to 1995 (her journal *At Eighty-Two*). She wrote more than twenty novels and twenty-five books of poems and journals. The acclaimed biographer Margot Peters was given full access to Sarton's letters, journals, and notes and during five years of research came to know Sarton herself, the complex woman and artist. She gives us a compelling portrait of Sarton: the actress, the poet, the novelist, the feminist, the writer who struggled for literary acceptance. She shows us beneath Sarton's exhilarating, irresistible spirit: the needy courtier and seducer, the woman whose creativity was propelled by the psychic drama she created in others. We watch young May at age two as she is abruptly uprooted from her native Belgium by World War I, a child ignored both by her mother who was intent on her own artistic vision and reluctant to cope with a child and by her father obsessed with his academic research. We see Sarton as a young girl in America and then later at nineteen choosing a life in the theatre, landing a job in Eva Le Gallienne's Civic Repertory and gathering what would become a tight-knit coterie of friends and lovers. Sarton

beginning to write poetry and novels Sartre making friends with Elizabeth Bowen and Julian Huxley Erika and Klaus Mann Virginia Woolf the poet H D charming and enlisting them with her work her vitality her hunger for love driven by her need to conquer among her conquests Bowen Huxley and later his wife Juliette We see her intense friendships with literary pals including Muriel Rukeyser her lover and Louise Bogan Sartre's literary sibling who at once encouraged her and excluded her from a world in which Bogan was a central figure We see Sartre begin to create in the spiritual journals that inspired the devotion of readers the image of a strong independent woman who lived peacefully with solitude an image that contradicted the reality of her neediness loneliness and isolation as she pushed away loved ones with her demands and betrayals A fascinating portrait of one of our major literary figures a book that for the first time reveals the life that she herself kept hidden     Bibliotheca Classica: Or, a Classical Dictionary ...
