Sir Gawains Little Green Two Tales From The Middle Ages:

Sir Gawain's Little Green Book Mark J. Mitchell, 2000-11-30 Sir Gawains Little Green Book retells two of the classic stories about one of King Arthurs foremost knights The Green Knight takes its title and its story from the Middle English poem Sir Gawain and the Green Knight In The Green Knight Sir Gawain reminisces looking back on his life from his point of view as an aging legend He recalls his youth when he was much greener and his first adventure the only one that has remained his through all the centuries One Christmas the knights of King Arthur are waiting for the Yuletide banquet Arthur as is his custom will not start a meal on a great feast until some wonder has been seen or miracle performed This Christmas he is rewarded by a huge green giant riding into his castle on his green horse carrying a huge green axe The giant proposes a simple game an exchange of blows One knight gets to try to chop the giants head off with the green axe In a year and a day that knight will seek out the Green Knight offering his neck for a return stroke No one is eager to take up this challenge and just when it looks like it will fall to Arthur Gawain and the kings nephew volunteers He takes the green axe and neatly and completely slices off the head of the green giant The intruder walks over to where his head had fallen picks it up and it announces that he is the knight of the Green Chapel and that is where Sir Gawain should seek him in a year and day to receive his return blow He then remounts his horse and carrying his head rides away For the rest of the year Gawain dallies He wants to ride out in search of the Green Knight but Arthur keeps him close to court out of love Spring become fall and Gawain finally sets out In the course of his journey he meets several different types of people A peasant wife a knight guarding a ford and a wild man of the woods None of them have ever heard of a place called the Green Chapel Finally just before Christmas he finds himself before a great castle He is welcomed and made much of as a famous knight from a great court He is told that the Green Chapel is very nearby His host proposes a game Gawain should rest until New Years Day when he must keep his appointment In that time he would exchange whatever he won around the castle with the lord of the castle for whatever he got in the course of a days hunting Each morning for the next three days when Gawain awakes the lady of the castle is in his room She throws herself at him asking for lessons in love Gawain is honorable and does not give in He does accept kisses from her Meanwhile her husband is hunting first deer then a boar then a fox Each evening Gawain gives the host kisses in return for his hunting prizes On the final morning Gawain weakens While he doesnt give in to the ladys demands for love he does accept a gift from her a green belt that she tells him will keep him from being wounded in any way When that nights exchange takes place Gawain doesnt mention this prize Finally Gawain sets out for the Green Chapel It is a cold and gray day The page sent along to guide tries to scare him off but Gawain goes on alone He descends into the valley where the Green Chapel is said to be but doesnt see anything Eventually he hears the sound of a sharpening wheel Then the Green Knight makes himself known vaulting down to the valley floor on the haft of a new axe Gawain true to his word opens his collar and offers his neck to the giant The knight takes his swing but Gawain flinches The giant tries again

but it is a feint Finally a third blow comes which nicks Gawains neck causing just a scratch Gawain leaps back ready to fight but the Green Knight just stands laughing at him The Green Knight then reveals himself as the lord of the castle that had harbored Gawain He had been changed into this form by Gawai

Medieval Literature: A Very Short Introduction Elaine Treharne, 2015-09-24 This Very Short Introduction provides a compelling account of the emergence of the earliest literature in Britain and Ireland including English Welsh Scottish Irish Anglo Latin and Anglo Norman Introducing the reader to some of the greatest poetry prose and drama ever written Elaine Treharne discusses the historical and intellectual background to these works and considers the physical production of the manuscripts and the earliest beginnings of print culture Covering both well known texts such as Beowulf The Canterbury Tales and the Mabinogion as well as texts that are much less familiar such as sermons saints lives lyrics and histories Treharne discusses major themes such as sin and salvation kingship and authority myth and the monstrous and provides a full but brief account of one of the major periods in literary history

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every

subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable Thematic Guide to Biblical Literature Nancy M. Tischler,2007-04-30 The Bible has had a tremendous influence on world history and culture but it is largely unfamiliar to many students This book relates the Bible to a wide range of literary works commonly read by students and thus helps students understand these texts as well as the cultural and historical contexts surrounding them Included are chapters on 20 themes such as creation family and friends love and marriage the hero war and death and the afterlife Each chapter discusses the biblical significance of the theme provides scriptural quotations and citations and explores the biblical presence of the theme in literary works often read by students Each chapter cites works for further reading and the volume closes with a selected general bibliography Imagination and Fantasy in the Middle Ages and Early Modern Time Albrecht Classen,2020-08-24 The notions of other peoples cultures and natural conditions have always been determined by the epistemology of imagination and fantasy providing much freedom and creativity and yet have also created much fear anxiety and horror In this regard the pre modern world demonstrates striking parallels with our own insofar as the projections of alterity might be different by degrees but they are fundamentally the same by content Dreams illusions projections concepts hopes utopias dystopias desires and emotional attachments are as specific and impactful as the physical environment This volume thus sheds important light on the various lenses used by people in the Middle Ages and the early modern age as to how they came to terms with their perceptions images and notions Previous scholarship focused heavily on the history of mentality and history of emotions whereas here the history of pre modern imagination and fantasy assumes center position Imaginary things are taken seriously because medieval and early modern writers and artists clearly reveal their great significance in their works and their daily lives This approach facilitates a new deep structure analysis of pre modern culture **The Mammoth Book of King Arthur** Mike Ashley,2011-09-01 The most complete guide ever to the real Arthurian world and the legends that surround it He defeated the Saxons so decisively at the Battle of Badon that he held the Saxon invasion of Britain at bay for at least a generation He has inspired more stories books and films than any other historical or legendary figure But who was the real King Arthur Here is the most comprehensive guide to the real Arthurian world and the legends that surround and often obscure it Sifting fact from fancy Mike Ashley reveals the originals not only of King Arthur but also of Merlin Guinevere Lancelot and the knights of the Round Table as well as all the major Arthurian sites He traces each of the legends as they developed and brilliantly shows how they were later used to inspire major works of art poetry fiction and film There is clear evidence that The Arthurian legends arose from the exploits of not just one man but at least three originating in Wales Scotland and Brittany The true historical Arthur really existed and is distantly related to the present royal family The real Arthur and the real Merlin never knew each other The real Lancelot was not British but was closer to a sixth century asylum seeker The Holy Grail legend probably grew out of a cosmic catastrophe

that could have destroyed most of civilization **A Guide to the Middle English Metrical Romances Dealing with English and Germanic Legends and with the Cycles of Charlemagne and of Arthur** Anna Hunt Billings, 1901

Laughter and Awkwardness in Late Medieval England David Watt, 2023-08-24 We live according to Adam Kotsko in an awkward age While this condition may present some challenges it may also help us to be more attuned to awkwardness in other ages This book pairs medieval texts with twenty first century films or television programmes to explore what the resonance between them can tell us about living together in an awkward age In this nuanced and engaging study David Watt focuses especially but not exclusively on the 15th century which seems to intervene awkwardly in the literary trajectory between Chaucer and the Renaissance This book's hypothesis is that the social discomfort depicted and engendered by writers as diverse as Thomas Hoccleve Margery Kempe and Sir Thomas Malory is a feature rather than a flaw Laughter and Awkwardness in Late Medieval England explains that these authors have a great deal in common with other fifteenth century authors who generated embodied experiences of social discomfort in a range of genres by adopting and adapting literary techniques used by their predecessors and successors in slightly different ways Like the twenty first century texts with which they are paired the late medieval texts that feature in this book use the relationship between laughter and awkwardness to ask what it means to live with each other and how we can learn to live with ourselves Sir Gawain John

the social structure of England in the period 1200 to 1500 What were the basic forms of social inequality To what extent did such divisions generate social conflict How significantly did English society change during this period and what were the causes of social change Is it useful to see medieval social structure in terms of the theories and concepts produced within the medieval period itself What does modern social theory have to offer the historian seeking to understand English society in the

later middle ages These are the questions which this book seeks to answer Beginning with an analysis of class structure of medieval England Part One of this book asks to what extent class conflict was inherent within class relations and discusses the contrasting successes and outcomes of such conflict in town and country Part Two of the book examines to what extent such class divisions interacted with other forms of social inequality such as those between orders nobility and clergy between men and women and those arising from membership of a status group the Jews Dr Rigby's discussion of medieval English society is located within the context of recent historical and sociological debates about the nature of social stratification and using the work of social theorists such as Parkin and Runciman offers a synthesis of the Marxist and Weberian approaches to social structure The book should be extremely useful to those undergraduates beginning their studies of medieval England whilst in offering a new interpretative framework within which to examine social structure also interesting those historians who are more familiar with this period
