

Sir James Whiteside Mccay

David W. Cameron

Sir James Whiteside McCay:

Sir James Whiteside McCay Christopher Wray, 2002 A biography of Lieutenant General Sir James Whiteside McCay a lawyer politician and General in the First AIF In the course of a successful political career he had been a member of Australia's first federal parliament and while Minister for Defence he had introduced far ranging reforms of the Australian Army's command structure

Our Friend the Enemy David W. Cameron, 2014-10-01 *Our Friend the Enemy* is the first detailed history of the Gallipoli campaign at Anzac since Charles Bean's *Official History* Viewed from both sides of the wire and described in first hand accounts Australian Captain Herbert Layh recounted that as they approached the beach on 25 April that once we were behind cover the Turks turned their fire on us and gave us a lively 10 minutes A poor chap next to me was hit three times He begged me to shoot him but luckily for him a fourth bullet got him and put him out of his pain Later that day Sergeant Charles Saunders a New Zealand engineer described his first taste of battle The Turks were entrenched some 50 100 yards from the edge of the face of the gully and their machine guns swept the edges Line after line of our men went up some lines didn't take two paces over the crest when down they went to a man and on came another line Gunner Recep Trudal of the Turkish 27th Regiment wrote of the fierce Turkish counter attack on 19 May designed to push the Anzac's back into the sea It started at morning prayer call time and then it went on and on never stopped You know there was no break for eating or anything Attack was our command That was what the Pasha said Once he says Attack you attack and you either die or you survive

British Battle Planning in 1916 and the Battle of Fromelles Roger Lee, 2016-03-09 Despite the substantial output of revisionist scholarship over the last decade reappraising the performance of the British Army on the Western Front during the First World War there still remains a stubborn perception that its commanders were incompetent inflexible and unimaginative Whilst much ink has been spilled vilifying or defending individual commanders or looking for overarching trends and learning curves this is the first work to examine systematically the vertical nature of command that is the transmission of plans from the high command down through the rank structure to the front line Through such an investigation a much more rounded measure of the effectiveness of British commanders can be gained one moves the argument beyond the overly simplistic casualties to ground gained equation that is usually offered The Battle of Fromelles 19 20 July 1916 was selected as the case study as it was relatively small in scale in the right period and retains sufficient primary sources available to sustain the analysis It also witnessed the first time Australian forces were used in offensive operations on the Western Front and thus looms large in wider Commonwealth perceptions of Bumbling British Generals The book follows the progress of the battle plan from its inception in the strategic designs of the supreme commander down through the various intermediate level commands at operational and tactical headquarters until it became the orders that sent the infantry forward into the attack In so doing it provides a unique insight into the strengths and weaknesses of British command structure allowing a much more scholarly judgement of its overall effectiveness

Haking: A Dutiful Soldier

Michael Senior,2012-04-19 Sir Richard Haking commanded the British XI Corps from 1915 to 1918 mainly in France but also in Italy December 1917 March 1918 This first study of Haking takes the form of a review and analysis of his career as a Corps Commander placing the activities of XI Corps in the context of events on the Western and Italian Fronts It has three aims First it is intended to make a balanced assessment of Haking as a Corps Commander in the light of an established popular reputation which places him firmly in the donkey category of First World War generals The second aim is to examine how Haking carried out his role as a Corps Commander and the third aim is to relate the experiences of Haking and XI Corps to a number of important topics connected with the conduct of the war trench warfare on the Western Front with particular reference to the much criticized attack at Fromelles in July 1916 the British involvement in Italy the relationship with the Portuguese Expeditionary Force in France and the British victories in 1918 Reference is made to several key operating issues such as command and control on the Western Front the learning curve in the BEF the doctrine of the offensive and the British policy on defense in depth Each is discussed taking account of Hakings experiences as XI Corps Commander The study concludes contrary to the general view that overall Haking made a positive contribution to the conduct of the war and that his dismal reputation is largely unjustified **Fred Johns's Annual** Fred Johns,1914 **Anzac and Empire** John

Connor,2011-04-11 The story behind the man central to how Australia planned for and fought in WWI *Soldiers and Gentlemen* William Westerman,2017-02-14 In *Soldiers and Gentlemen* Westerman explores the stories of the vitally important yet often forgotten Australian commanding officers **Who's who in the Commonwealth of Australia** ,1922

Sword and Baton Volume 1: 1900 to 1939 Justin Chadwick,2017-02-05 *Sword and Baton* is a collection of 86 biographies representing every Australian Army officer to reach the rank of major general from Federation to the outbreak of World War II This is the first of two volumes and its scope is broad including chaplains general surgeons general and British Army officers who served with the AIF or the permanent forces Author Justin Chadwick portrayal of these officers careers provides a lens through which he examines trends such as the development of military skills which ensured that by the commencement of hostilities in 1914 Australia boasted a pool of well trained albeit inexperienced officers The effects of command under pressure of war and the enormous physical impact of combat are likewise portrayed in these comprehensive biographies By the end of hostilities Australian officers had garnered immense experience and were among the best in the Allied forces Ironically this hard won skill base was to be all but lost in the interwar period *Sword and Baton* offers its readers more than a series of biographies Rather it describes a crucial period in Australian military history through the lives of the extraordinary men at its head To Win the Battle Robert Stevenson,2013 *To Win the Battle* tells the story of how the 1st Australian Division forged a reputation as one of the great fighting formations of the British Empire during World War One In 1915 it led the way ashore on Gallipoli and in 1916 it achieved the first Australian victory on the Western Front at Pozieres Later it was still serving with distinction in the final battles that defeated the German army in 1918 It was central to

the birth of the Anzac legend This ground breaking study describes and explains how the 1st Australian Division rose from obscurity and over three and a half years of hard and bloody campaigning earned a combat record second to none Drawing extensively on primary sources as well as recent scholarship this important book provides a fresh approach and a balanced assessment of the factors that led to the division s success **Fromelles: French Flanders** Peter Pedersen,2004-04-19

Historian Peter Pedersen examines the World War I battle on the Western Front that decimated an Australian regiment in Fromelles French Flanders The attack at Fromelles is significant for a number of reasons It was the Australians first major operation on the Western Front and pitted them against a part of the German line that was an object lesson in the siting of a defense Before the battle the Australian Gallipoli veterans had airily dismissed the fighting in the new theater as pleasant After it they said grimly that Anzac was a picnic compared to France Fromelles came as a terrible shock and was a foretaste of things to come Both the genesis and aftermath of the operation were controversial The objectives and the tactics employed to achieve them were changed several times and the sufficiency of resources vigorously debated After the war the British and Australian Official Historians argued as to how the battle should be interpreted Most of the correspondence that accompanied their exchange of drafts has not been published Peter Pedersen s thorough account of the battle explores the genesis of the operation through the aftermath covering this monumental moment in World War I history **Fromelles** Carole Wilkinson,2015-02-01 Part of the award winning series The Drum and by the multi award winning author Carole Wilkinson The first shots were fired at 11am 19 July 1916 The Battle of Fromelles lasted less than 24 hours When it was over more than 5000 Australian soldiers were killed wounded or taken prisoner More soldiers died at Fromelles than in the Boer Korean and Vietnam war combined What was the point of this bloody loss of life And why almost a century later did the attention of the world once again turn to Fromelles Gallipoli David W. Cameron,2011-03-01 In early August with the failure of the August Offensive at Gallipoli the senior commanders still believed that victory was possible To help prepare for a new offensive sometime in the first half on 1916 the allied forces attempted to straighten out the line connecting Suvla and Anzac at a small hillock called Hill 60 *ANZACS on the Western Front* Peter Pedersen,2018-02-14 A newly updated lavishly illustrated account of the ANZACs involvement in the Western Front complete with walking and driving tours of 28 battlefields With rare photographs and documents from the Australian War Memorial archive and extensive travel information this is the most comprehensive guide to the battlefields of the Western Front on the market Every chapter covers not just the battles but the often larger than life personalities who took part in them Following a chronological order from 1916 through 1918 the book leads readers through every major engagement the Australian and New Zealanders fought in and includes tactical considerations and extracts from the personal diaries of soldiers Anzacs On The Western Front The Australian War Memorial Battlefield Guide is the perfect book for anyone who wants to explore the battlefields of the Western Front either in person or from the comfort of home It does far more than show where the lines that generals drew

on their maps actually ran on the ground and retrace the footsteps of the men advancing towards them It is a graphic and wide ranging record of the Australian and New Zealand achievements and of the huge sacrifices both nations made in what is still arguably the most grueling episode in their history A complete guide to the ANZAC battlefields on the Western Front featuring short essays on important personalities and events details on relevant cemeteries museums memorials and nearby places of interest and general travel information Carefully researched and illustrated with colorful maps and both modern and period photographs Includes information about the Sir John Monash Centre near Villers Bretonneux in France a new interpretative museum set to open on Anzac Day 2018 coinciding with the centenary of the Year of Victory 1918 Anzacs On The Western Front The Australian War Memorial Battlefield Guide is the perfect book for historians history buffs military enthusiasts and Australians and New Zealanders who want to explore the military history and battlefields of their heritage

Their Names Shall Live Forever More Trevor Jardine,2023-07-25 This book is a thorough and thought provoking account of the first year of existence of the 60th Australian Infantry Battalion Interspersed with Divisional Brigade and other Battalion s perspectives are the personal views of officers and other ranks relating to events and places Included in the story is an investigation into a previously untold account of a group of soldiers called the Needle Trench 10 who were killed by a single artillery shell on the 26th November 1916 For more than 100 years the identity of one of these soldiers buried in the Guards Cemetery at Lesboeufs France has been lost to time A document filed in the archives of the Commonwealth War Graves Commission in Maidenhead England for over 100 years and only coming to light in 2021 has finally enabled this soldier s possible identity to be established Also revealed in the same document is the initial burial location of another soldier wounded by the same artillery shell and dying later that day whilst on his way to receive medical treatment Woven throughout the book are the human stories of the battalion s soldiers including biographies of those killed on the 26th November with many of the details provided by the descendants of these soldiers The investigation details how a simple bookkeeping entry resulted in families and descendants of ten of the eleven soldiers who died on the 26th November being provided incorrect details concerning their deaths This error has been perpetuated in official documents publications online resources and inscribed in stone since this time Days of Violence (Volume 2 of 2) (EasyRead Super Large 24pt Edition) ,

Fromelles 1916 Paul Cobb,2011-09-30 At Fromelles in July 1916 two divisions one British and one Australian within a few weeks of arriving in France went into action for the first time Their task was to prevent the Germans from moving troops to the Somme where a major British offensive was in progress but the attack on 19 20 July was a disaster with nearly 7 000 casualties in a few hours This account explores this battle which for many epitomises the futility of the Great War In those few hours many heroic deeds were done but the battle caused a souring of Anglo Australian relationships and truly was a baptism of fire for these British and Australian troops This is their history In a new section Paul Cobb explores the recent discovery in 2008 09 of a mass war grave on the battlefield and includes details of the findings of the archaeological dig the

recovery of 250 bodies and the creation of a new military cemetery **Pozieres** Christopher Wray,2015-01-15 Christopher Wray explores the impact the battle of Pozieres has had on Australia and how it is remembered today An Anzac on the Western Front H.R. Williams,2012-10-24 A remarkably candid and graphic account of the World War I service of a member of the Australian and New Zealand Army Corps Britain at War Magazine Having enlisted in 1915 and serving in the 56th Battalion Australian Imperial Force Harold Roy Williams arrived in France from Egypt on June 30 1916 He describes the horrors of the Fromelles battlefield in shocking clarity and the conditions the troops had to endure are revealed in disturbing detail Surviving a later gas attack Harold Williams's subsequent postings read like a tour of the Western Front Following the Somme there was the mud and squalor of the line south of Ypres the German Spring Offensive of 1918 the Battle of Amiens frequently described as the most decisive battle against the Germans in France and Flanders the capture of Villers Bretonneux and finally the assault on Peronne Injured at Peronne and invalided back to the United Kingdom Williams survived the war to return to Australia in 1919 An Anzac on the Western Front is his vivid description of his service in the First World War an account that was described as the best soldier's story yet read in Australia when it was first published Williams experience was defined by his rise from private soldier to platoon commander and he confined his writing to it This is a story of cold hunger injury fear humour friendship and death So bloody good War History Online Guide to Government Ministers Robin Bidwell,2018-10-24 First published in 1974 This book is divided into seven sections Europe and the Arab World are both geographical units in addition to having political ties and therefore these are grouped the Ministers together by office the Prime Ministers of all the countries are followed by the Foreign Ministers of all the countries

Decoding **Sir James Whiteside Mccay**: Revealing the Captivating Potential of Verbal Expression
