Sister Sahibs The Vads With The 14th Army 1944 46:

Nursing Times ,1990-04

Nursing Times, Nursing Mirror ,1990

Indian Sisters Madelaine Healey,2014-08-07

Health and medicine cannot be understood without considering the role of nurses both as professionals and as working women In India unlike other countries nurses have suffered an exceptional degree of neglect at the hands of state a situation that has been detrimental to the quality of both rural and urban health care Charting the history of the development of nursing in India over 100 years *Indian Sisters* examines the reasons why nurses have so consistently been sidelined and excluded from health care governance and policymaking The book challenges the routine suggestion that nursing s poor status is mainly attributable to socio cultural factors such as caste limitations on female mobility and social taboos It argues instead that many of its problems are due to an under achieved relationship between a patriarchal state on the one hand and weak professional nursing organisations shaped by their colonial roots on the other It also explores how the recent phenomenon of large scale emigration of nurses to the West leading to better pay working conditions and career prospects has transformed the profession lifting its status dramatically At the same time it raises questions about the implications of emigration for the fate of health care system in India An important contribution to the growing academic genre of nursing history the book is essential reading for scholars and students of health care the history of medicine gender and women s studies sociology and migration studies It will also be useful to policymakers and health professionals

Getting the books **Sister Sahibs The Vads With The 14th Army 1944 46** now is not type of inspiring means.
