But when Gillian talks with the doctor, he assures her there's no medical reason behind her mother's state. Now on a mission to restore her mother to health, Gillian insists Mother get out of bed, eat, exercise, and hopefully choose to live. She also sets about reviving the garden to its former glory, enlisting the help of Adam, a handsome man who owns a family gardening business with his father. Gillian is delighted when a pair of hummingbirds appear, and her friendship with Adam grows. Soon Mother's health improves, and one day she announces she and her friend Enzo are going on a cruise.
