experiences rather than perpetuating overgeneralizations gleaned from a single diary or preconceived ideas about what these diaries contain To facilitate this comparative approach Talley divides her study into six sections that are organized by location vocation and purpose diaries of elite planter women diaries of women on the Texas frontier diaries of women on the Confederate border diaries of espionage by women in the South diaries of women nurses near the battlefield and diaries of women missionaries in the Port Royal Experiment When read together these writings illustrate that the female experience in the Civil War South was not one but many Women s Diaries from the Civil War South A Literary Historical Reading is an essential text for scholars in women s studies autobiography studies and Civil War studies alike presenting an in depth and multifaceted look at how the Civil War reshaped women s lives in the South and how their diverse responses shaped the course of the war in return

The Business of War James McCarty,Matthew Tapie,Justin Bronson Barringer,2020-10-01 The Business of War incisively interrogates the development and contemporary implications of the military industrial complex It exposes the moral dangers of life in neoliberal economies dependent upon war making for their growth and brings the Christian tradition s abundance of resources into conversation with this phenomenon In doing so the authors invite us to rethink the moral possibilities of Christian life in the present day with an eye toward faithful resistance to the business of war and its influence in every aspect of our lives In combining biblical historical theological and ethical analyses of the business of war the authors invite us to better understand it as a new moral problem that demands a new faithful response With contributions from Pamela Brubaker Stan Goff Christina McRorie Kara Slade Won Chul Shin David Swartz Jonathan Tran Myles Werntz Matthew Whelan Tobias Winright *Graves Memoirs of the Civil War* ,1927 *Official Records of the Union and Confederate Navies in the War of Rebellion* United States.
