Fish, Angela Hornsby, Gutting, Jennifer, McFarlane, Harris, Neely, McLaughlin, Darcy, Metcalfe, Phillip, Luke, Sinitiere, P. Jane, Splawn, Laura, L. Sullivan, and Hettie V. Williams. *Activism in the Name of God: Religion and Black Feminist Public Intellectuals from the Nineteenth Century to the Present* recognizes and celebrates twelve Black feminists who have made an indelible mark not just on Black women's intellectual history but on American intellectual history in general. The volume includes essays on Jarena Lee, Theresa Hoover, Pauli Murray, and Alexis Pauline Gumbs, to name a few. These women's commitment to the social, political, and economic well-being of oppressed people in the United States shaped their work in the public sphere, which took the form of preaching, writing, singing, marching, presiding over religious institutions, teaching, assuming leadership roles in the civil rights movement, and creating politically subversive print and digital art. This anthology offers readers exemplars with whose minds and spirits we can engage, from whose ideas we can learn, and upon whose social justice work we can build. The volume joins a burgeoning chorus of texts that call attention to the creativity of Black women who galvanized their readers, listeners, and fellow activists to seek justice for the oppressed. Pushing back on centuries of institutionalized injustices that have relegated Black women to the sidelines, the work of these Black feminist public intellectuals reflects both Christian gospel ethics and non-Christian religious traditions that celebrate the wholeness of Black people. **In The Name Of The Mother** John Broughton, 2022-02-02. Disorderly Sisters Leila Silvana May,2001 Historians and literary critics have long understood the crucial significance of the family to the nineteenth century middle class sensibility but almost all critical analyses to date have concentrated on the vertical pole of the familial axis the parent child relationship and very little on the horizontal pole the sibling bond This book looks beyond these analyses to show that at the core of nineteenth century domestic ideology is the figure of the sister
