**Lennon On Lennon: Conversations With John Lennon** Jeff Burger, John Lennon, 2017-05-15 The electric spearhead of The Beatles meteoric rise one half of the most creative and powerful songwriting partnerships ever figurehead of peace and an icon of generations John Lennon s adventure through life is an immortalised legend Lennon on Lennon is Jeff Burger s dazzling digest of John Lennon s views on the world around him Sharp insightful contrary witty opinionated or downright aggressive these illuminating interviews and quotations open a window into the musician and the man and the volatile culture in which he lived and died Most of this material has never been available in print some has remained entirely hidden until now Jeff Burger s meticulously researched book offers a truly unique and captivating glimpse into the mind and philosophy of one of the world s most complex and inspiring talents A Philosophy of Material Culture Beth Preston, 2013 This book focuses on material culture as a subject of philosophical inquiry and promotes the philosophical study of material culture by articulating some of the central and difficult issues raised by this topic and providing innovative solutions to them most notably an account of improvised action and a non intentionalist account of function in material culture Preston argues that material culture essentially involves activities of production and use she therefore adopts an action theoretic foundation for a philosophy of material culture Part 1 illustrates this foundation through a critique revision and extension of existing philosophical theories of action Part 2 investigates a salient feature of material culture itself its functionality A basic account of function in material culture is constructed by revising and extending existing theories of biological function to fit the cultural case Here the adjustments are for the most part necessitated by special features of function in material culture These two parts of the project are held together by a trio of overarching themes the relationship between individual and society the problem of centralized control and creativity

Whoever saves a life saves a world: an ancient Jewish maxim. *Alouette's Song* is a New Adult romantic action adventure featuring two couples: one heroic and one support, each having a college-aged teen plus a teen accelerated into college or beyond. Themes from government conspiracy thrillers, inspirational fiction, and coming of age are presented through a dramatic storytelling style infused with frequent humor and irony. There are even a few small paranormal elements: a sworn protector of humanity hiding behind someone else's eyes; a 6000-year-old guardian spirit keeping safe a treasure that if used selflessly could save a people; and an inherited gift infused with generation after generation of sacred use from a Jewish village in Eastern Europe. Meet Dotty and Rick. Dotty is a professional violinist with a GED. Rick is a college sophomore having graduated high school early to pursue interests that steer him away from an abusive home. While not a typical love-at-first-sight scenario, they do get thrown together in a spectacular manner. Dotty gets mugged in a subway and falls onto the tracks of a train due to arrive in a minute, getting injured in the fall. Rick is considering suicide by the very same train, but the moment he decides to do so, he hears Dotty's screams. He places Dotty's need to live above his own need to die. Their collision turns into a kiss that lights up the universe for both of them. Martin and Margie have been friends from childhood. Margie has autism but is brilliant enough to hide her condition at the price of extreme loneliness. Martin is the only one who accepts her for exactly who and what she is. Margie won't reveal her hopeless love for him because of this, as she knows he's gay. But Margie stumbles onto an answer for them both, having to do with the power of Time. Martin takes Margie's discovery and, along with his engineering talent, utilizes both to build a spacecraft. Soon both couples are together and, in a way over their heads, within the sea of stars, only ingenuity, compassion, valor, and prayer can get them safely home. *Nimita's Place* Akshita Nanda, 2019-01-30. It is 1944 in India, and Nimita Khosla yearns to attend university to become an engineer, but her parents want a different life for her. As she accepts her fate and marries, religious upheaval is splitting the country and forcing her family to find a new home. In 2014, her granddaughter, molecular biologist Nimita Sachdev, escapes India to run away from the prospect of an arranged marriage. Staking out a future in Singapore, she faces rising anger against immigrants and uncertainty about her new home. Two generations apart, these two women walk divergent paths but face the same quandaries: who are we, and what is home. **Indian Summer** Arthur J. Frankel, 2014-02. Under the shadow of the turbulent 1960s, this is my story of a journey through village India as an American Peace Corps Volunteer. I graduated college in 1966 with no idea of what I wanted to do in life. I asked the Peace Corps to send me to a place that was more different than anything I had ever known. I got what I asked for. India unfolded into a kaleidoscope of fascinating people and unforgettable scenes in a culture that never failed to amaze me. The sights, smells, and sounds of village India offer the backdrop of what happened: some stories quite incredible but all true. After two years, I was infused

with the spiritual and mystical quality that was and still is India something that is almost beyond explaining It cannot be found by touring India or even visiting an ashram but only by living there learning the local language and being with Indians in their homes and work Forty four years after leaving the Peace Corps I returned to village India Surprisingly very little had changed All of the profits from the sale of this book will be donated to the Vishwa Bharati non profit village school in Anavatti India and to the School of Social Work at the University of North Carolina Wilmington to support students and faculty in visiting India
