G. Heath Ph. D., 2009-06 Awarded an American Legion Scholarship I am also an award winning author and have published numerous articles and books Having attended several colleges and universities eventually earning my Ph D in Human Behavior I hold several life credentials in education earned during many years as an educator together with years spent working in the Aerospace Industry and other occupations But to call Einstein's famous equation  $E=MC^2$  incomplete because it does not account for life and death does seem quite extraordinary yet these remain the two greatest mysteries they have ever been denying us thus far a theory of everything Something animates life and departs with death but what this something is not all our science has yet discovered though things like the Large Hadron Collider may provide needed insight and it has been in the pursuit of knowledge about these two greatest mysteries that has compelled me into so many varied academic studies and careers attempting to make sense of the world and our place in it and how people think and deal with the issues of life and death philosophically religiously and politically The things I have discovered along the way compelled me to much research and speculation about these mysteries and how they impact our lives to communicate my thoughts about them to share with others in a daily journal and posted to my website and provided in book format each year These writings are of importance in an increasingly dangerous world with a most uncertain future due to so much corruption ineptitude and lack of accountability in our own government as well as that of others the abject failure of our schools due to the very same things especially the same lack of accountability we find in government the religious and political hatreds with protracted wars worldwide and little to give hope for world peace I believed my articles about these important enough to publish in book format Some years ago I removed from the greater part of society to live in semi seclusion alone with my books and thoughts in a quiet part of the

Sequoia National Forest devoting myself to contemplation speculating about many things and committing my thoughts in writing fulltime As a writer and author given to much introspection and fascinated by human behavior nature and our universe it was important to me to simplify my life as much as possible as anyone given to philosophical speculation about many things must That much of my writing covers some metaphysical thoughts about God angels and demons an afterlife and Biblical stories of origins of prophecies of the End Times and so much more have been absorbing studies as well and I freely share my thoughts about these in this volume The Admiral Gift, Vol 1 Bertril A. Baird,2010-10-01 Apostles Didn t they all die out at the end of the first century Didn t I hear a person using that title on my radio Today this theological debate rages in these last days is God again raising up apostles with first century capabilities Certainly Bertril Baird knows the answer In a ministry spanning five decades this Admiral has brought hope and deliverance throughout the Caribbean region the Americas Africa and India God has uniquely prepared him to take up this debate Thanks to his countless stories in depth biblical and historical knowledge as well as balanced perspective you will gain fresh insights into the mindset outcomes and supernatural tools needed to exercise the Admiral Gift **Tell Me More** Pearson Education,2002-04-26 Navigator is a KS2 reading scheme which covers fiction and non fiction It provides material to give pupils a 20 minute guided reading session per week during each school year **Crescent City Fae Complete Boxed Set (Books, 1-3)** Deanna Chase,2015-05-01 Complete set of the Crescent City Fae saga Books 1 3 Includes Influential Magic Irresistible Magic Intoxicating Magic Influential Magic It s tough being a faery in New Orleans a city fraught with vampires especially when their very existence drains your life force Willow Rhoswen owner of The Fated Cupcake and part time vampire hunter for the Void is having a rough week Four years after her twin brother s mysterious death Willow s life is threatened and the director saddles her with a new partner her ex boyfriend David To her horror he s turned vamp which causes her physical pain whenever she touches him and any other specimen of the undead In order to save Willow s life David agrees to turn double agent against the most powerful vampire organization in New Orleans Or so he says And she s convinced they know something about her brother s death Unsure where David s loyalties lie she turns to Talisen her childhood crush to help her solve the mystery Caught between two gorgeous men and a director who ll stop at nothing to control Willow s gifts she ll have to follow her instincts and learn who to trust Otherwise she risks losing more than just her life Irresistible Magic Finding the perfect dress can be hell especially when a stranger tries to gun you down in broad daylight Void agent and magical baker extraordinaire Willow Rhoswen has been anticipating her first date with Talisen Kavanagh since she was sixteen After eight years of waiting there are only two things that can stand in her way an assassination attempt and a new game changing drug Talisen s invented a new elixir that creates superhumans ones that can rival vampire strength and everyone wants it Including the vampires With Willow s life on the line he makes a deal with the devil while she s forced to accept the always strings attached protection from the most notorious vampire organization in New Orleans But when Talisen and his drug go missing Willow will stop at nothing to find
