**Situation Ethics: True or False?** John Warwick Montgomery, Joseph Fletcher, 2017-03-11 This riveting philosophical debate pits Christian apologist Dr John Warwick Montgomery against the situation ethicist Joseph Fletcher to grapple with the absoluteness of moral principles

**Situation Ethics** Joseph Francis Fletcher, John Warwick Montgomery, 1972

**The Philosophical Diseases of Medicine and their Cure** Josef Seifert, 2012-11-02 At all times physicians were bound to pursue not only medical tasks but to reflect also on the many anthropological and metaphysical aspects of their discipline such as on the nature of life and death of health and sickness and above all on the vital ethical dimensions of their practice For centuries almost for two millennia how ever those who practiced medicine lived in a relatively clearly defined ethical and implicitly philosophical or religious world order within which they could safely turn to medical practice knowing right from wrong or at least being told what to do and what not to do Today however the situation has radically changed mainly due to three quite different reasons First and most obviously physicians today are faced with a tremendous development of new possibilities and techniques which allow previously unheard of medical interventions such as cloning cryo conservation ge netic interference etc which call out for ethical reflection and wise judgment but regarding which there is no legal and medical ethical tradition Traditional medical education did not prepare physicians for coping with this new brave world of mod em medicine Secondly there are the deep philosophical crises and the philosophical diseases of medicine mentioned in the preface that lead to a break down of firm and formative legal and ethical norms for medical actions

*Dictionary Of Modern American Philosophers* John R. Shook, 2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought

[The Bloomsbury Encyclopedia of Philosophers in America](#) John R. Shook, 2016-02-11 For scholars working on almost any aspect of American thought The Bloomsbury Encyclopedia to Philosophers in America presents an indispensable reference work Selecting over 700 figures from the Dictionary of Early American Philosophers and the Dictionary of Modern American Philosophers this condensed edition includes key contributors to philosophical thought From 1600 to the present day entries cover psychology pedagogy sociology anthropology education

other reference features      Old Texts Through New Eyes Dallas R. Burdette, 2009-03 Christians frequently slaughter  
freedom of conscience with fanatical dogmatism It is not uncommon for various fellowships of God's people to lay an  
embargo on freedom in favor of their own exclusive doctrine or understanding of the Scriptures One objective of this book is  
to set Christians free from sectarianism The views set forth in this book are not bound by party ties It is my desire that these  
writings will assist Christians in their desire to escape the prevailing forms of radicalism manifested by so many sincere and  
devout believers In my fifty eight years of preaching and teaching I have witnessed that men and women for the most part  
are afraid of freedom This volume examines the philosophy of what we teach is true and what others teach is false Among  
some bodies of believers freedom of investigation is rigidly shackled The chapters in this book seek to defuse the attitude  
that the one who refuses to comply with the status quo is no longer a brother in Christ The diversity of the chapters in this  
book refutes the prevailing opinions of many Christians my opinion is the only sound one flawless and incontestable Dallas

Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary

**International Law Studies** Anthony D'amato,2023-12-18 Reader beware You are about to be challenged and drawn into a realm of unorthodox ideas often stated provocatively From the Foreword The field of international law is blessed with a broad range of high quality scholarship But a truly fresh approach and real original ideas always provide a welcome addition Any serious player in the international law world will seek out these rare challenges to classic scholarship International Law Studies is one of these unique works In this second volume of collected papers the author addresses environmental law human rights international criminal law foreign relations law the intersection of political science and international law and the study and practice of international law The insightful and probing nature of the author s wholly new analysis of these critical topics will intrigue any international law scholar or practitioner To miss International Law Studies is to shut out one of the most thought provoking voices in the field This is the second volume in a series of collected papers

**Christians In The Public Square** John Warwick Montgomery,2018-01-27 This collection of articles examining the inter relationship between law and gospel what a Christian should and should not attempt to do in the public realm of politics and bioethical issues Included are essays by David Kilgour one of Canada s longest serving Members of Parliament providing the perspective of a practicing politician and theologian C E B Cranfield on the New Testament s teaching

**Figures of Dissent** Terry Eagleton,2005-11-17 This is a collection of Terry Eagleton s best criticisms and book reviews His skill in this field is notable never content merely to assess the ideas of a writer Eagleton in his inimitable style always paints a vivid theoretical fresco as the background to his engagement with the texts

**Colossians** David J. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey
