has been the focus of considerable attention recently In particular the role parades and visual displays play in underscoring

opposition has come into the spotlight with the emergence of heightened tensions close on the heels of a tentative peace Providing penetrating insights into the historical roots of Northern Ireland's ethnic hostilities this timely book explores the role of images and material culture in shaping present attitudes Ritual identity class and memory are shown to be potent forces informing trenchant animosities animosities which are visually reflected in banners and murals for unionists and nationalists alike The pivotal role of the Twelfth of July parade in Belfast when an estimated 100 000 either parade or watch the Orangemen is highlighted Anyone interested in the future of Northern Ireland and concerned about escalating conflict across the globe will warmly welcome this impressive study      Day Hikes Around Orange County Robert Stone,2017-03-01

Orange County lies along the coast in southern California between Los Angeles and San Diego The county is framed by the Pacific Ocean on one side while the Santa Ana Mountains stretch along the entire back side of the county The coast to mountain landscape creates an interesting diverse terrain that offers many opportunities for exploration Despite the urban encroachment nearly 30% of Orange County is preserved as city parklands wilderness preserves national forests and state parks Along the county's 44 miles of shoreline reside long stretches of sandy beaches marine terraces and promontories The Cleveland National Forest and the San Mateo Canyon Wilderness cover thousands of acres of forested canyons and plateaus in the Santa Ana Range This essential guide describes how to get to backcountry trailheads in the Santa Anas the best trails to hike in the county's expansive parklands and where to find access points to the coastline Several inviting urban routes are included as well Highlights of the hikes include sheltered coves tidal estuaries forested canyons cascades weathered sandstone peaks and vista points that offer views from the ocean to the cities A range of hikes is included from easy coastal walks to strenuous hillside climbs Statistics accurate directions and a map for every hike makes these adventures stress free Dog access information is included as well as a thorough index Companion guides include Day Hikes On the California Southern Coast and Day Hikes Around Los Angeles      *Essential Readings in Health Behavior: Theory and Practice* Mark

Edberg,2009-07 *Essential Readings in Health Behavior Theory and Practice* is ideal as a companion to the textbook *Essentials of Health Behavior* It complements the text in several ways First it offers selections from readings referred to and outlined in the text Second the annotations introducing the readings provide guidance and tie them to themes outlined in the basic text Third the readings provides students and the instructor with options for exploring issues in more depth Finally the reader includes case related articles concerning ways in which the theoretical approaches to behavior have been applied in real world settings both successfully and unsuccessfully      **Best Hikes Raleigh, Durham, and Chapel Hill** Johnny

Molloy,2020-10-01 This updated guidebook covers 40 family friendly hikes within 100 miles or about 1 hour from the Raleigh Durham and Chapel Hill areas Colorful and full of easy and moderate hikes it's perfect for families and novice hikers Detailed hike descriptions at a glance specs and GPS coordinates for every trailhead make this a go to guide for the area      *Dead*

*Man Walking* Helen Prejean,1994-05-31 1 NATIONAL BESTSELLER A profoundly moving spiritual journey through our

system of capital punishment and an unprecedented look at the human consequences of the death penalty Stunning moral clarity The Washington Post Book World Basis for the award winning major motion picture starring Susan Sarandon and Sean Penn Sister Prejean is an excellent writer direct and honest and unsentimental She almost palpably extends a hand to her readers The New York Times Book Review In 1982 Sister Helen Prejean became the spiritual advisor to Patrick Sonnier the convicted killer of two teenagers who was sentenced to die in the electric chair of Louisiana s Angola State Prison In the months before Sonnier s death the Roman Catholic nun came to know a man who was as terrified as he had once been terrifying She also came to know the families of the victims and the men whose job it was to execute men who often harbored doubts about the rightness of what they were doing Out of that dreadful intimacy comes a profoundly moving spiritual journey through our system of capital punishment Here Sister Helen confronts both the plight of the condemned and the rage of the bereaved the fears of a society shattered by violence and the Christian imperative of love On its original publication in 1993 Dead Man Walking emerged as an unprecedented look at the human consequences of the death penalty Now some two decades later this story which has inspired a film a stage play an opera and a musical album is more gut wrenching than ever stirring deep and life changing reflection in all who encounter it **Outdoor Recreation** David Huddart, Tim

Stott, 2019-10-25 This textbook presents a comprehensive overview of the environmental impacts of various types of outdoor recreation and how these can be best managed As a field of study recreational ecology is both multidisciplinary and interdisciplinary and the authors seek to develop a deeper understanding of both the role and function of the factors that influence visitor numbers and their impact An accessible and comprehensive textbook it features numerous types of outdoor recreational activities including hill walking rock climbing mountain marathons skiing scuba diving and more Drawn from several global case studies the authors estimate the current and future numbers involved in outdoor recreation and how best these numbers can be managed Effective visitor impact management actions arise from collaboration between recreation ecologists social scientists experienced recreation managers recreation stakeholders and the recreationalists themselves as such this book will be multi disciplinary in scope This practical and engaging textbook will be invaluable to students and scholars of outdoor recreation and adventure tourism as well as practitioners and managers working in the field *We*
