Reynel Martinez

Six Silent Men Bk 2 101st Lrp Rangers:

Six Silent Men...Book Three Gary Linderer,1997-09-28 The Eyes and Ears of the Screaming Eagles By 1969 the NVA had grown more experienced at countering the tactics of the long range patrols and SIX SILENT MEN Book Three describes some of the fiercest fighting Lurps saw during the war Based on his own experience and extensive interviews with other combat vets of the 101st s Lurp companies Gary Linderer writes this final heroic chapter in the seven bloody years that Lurps served God and country in Vietnam These tough young warriors grossly outnumbered and deep in enemy territory fought with the guts tenacity and courage that have made them legends in the 101st *Six Silent Men* Reynel Martinez,1996-12-28 No way in hell you could survive out there with six men You couldn t live thirty minutes out there with only six men pg 13 In 1965 nearly four hundred men were interviewed and only thirty two selected for the infant LRRP Detachment of the 1st Brigade 101st Airborne Division Old timers called it the suicide unit Whether conducting prisoner snatches search and destroy missions or hunting for the enemy s secret base camps LRRPs depended on one another 110 percent One false step one small mistake by one man could mean sudden death for all Author Reynel Martinez himself a 101st LRRP Detachment veteran takes us into the lives and battles of the extraordinary men for whom the brotherhood of war was and is an ever present reality the courage the sacrifice the sense of loss when one of your own dies In the hills valleys and triple canopy jungles the ambushes firefights and copter crashes LRRPs were among the best and bravest to fight in Vietnam Phantom Warriors: Book 2 Gary Linderer,2001-04-03 MORE GRIPPING NO HOLDS BARRED LRRP ACCOUNTS FROM THE FRONT LINES During the Vietnam War few combat operations were more dangerous than LRRP Ranger missions Vastly outnumbered the patrols faced overwhelming odds as they fought to carry out their missions from gathering intelligence acting as hunter killer teams or engaging in infamous Parakeet flights actions in which teams were dropped into enemy areas and expected to develop the situation PHANTOM WARRIORS II presents heart pounding edge of your seat stories from individuals and teams These elite warriors relive sudden deadly firefights prolonged gun battles with large enemy forces desperate attempts to help fallen comrades and the sheer hell of bloody no quarter combat The LRRP accounts here are a testament to the courage guts daring and sacrifice of the men who willingly faced death every day of their lives in Vietnam

Eyes Behind the Lines: US Army Long-Range Reconnaissance and Surveillance Units James F. Gebhardt,2005 Eyes Behind the Lines US Army Long Range Reconnaissance and Surveillance Units is the 10th study in the Combat Studies Institute CSI Global War on Terrorism GWOT Occasional Paper series This work is an outgrowth of concerns identified by the authors of On Point The United States Army in Operation IRAQI FREEDOM Specifically these authors called into question the use of long range surveillance LRS assets by commanders during that campaign and suggested an assessment ought to be made about their continuing utility and means of employment This revision contains some important additional information the author received after this book was originally published Major Retired James Gebhardt of CSI researched and wrote this

Occasional Paper with that end in view In this study Gebhardt surveys the US Army s historical experience with LRRP and LRS units from the 1960s Cold War and Vietnam War through their resurgence in the 1980s and use in Operations JUST CAUSE and DESERT STORM to the advent of the GWOT The paper s analytical framework examines each era of LRS units in terms of doctrine organization training materiel leadership and personnel In doing so the author makes a strong case for continuing the LRS capability in the Army s force structure The variety of environments and enemies likely to be faced by the military in the GWOT continues to demand the unique human intelligence abilities of trained and organized LRS units As the Army leads the Armed Forces of the United States in combating terrorists where they live the lessons found in this survey remain timely and relevant

Eyes Behind the Lines James F. Gebhardt,2005 Ensuring The Continued Relevance Of Long Range Surveillance Units Major Valery C. Keaveny Jr.,2015-11-06 Long Range Surveillance Units LRSUs provide a unique and necessary capability to today s commanders and to commanders who will fight in the future In looking to the future operational environment LRSUs must ensure their ability to operate across the full spectrum of operations at a rapid tempo and in a short notice force projection Army Current LRSU doctrine is primarily built around the AirLand Battle doctrine of the Cold War a conventional threat linear battlefield and employment at great distances behind enemy lines As a result LRSU doctrine and Tactics Techniques and Procedures TTPs require update or change These changes will ensure continued LRSU relevance and their maximum effectiveness This study identifies an increased and unaddressed emphasis on target acquisition Stability and Support Operations and operations in urban environments These operations lend themselves to non traditional and creative tasking of LRSUs and will necessitate increased requirements for friendly unit coordination vehicular insertion and potential task organization of reconnaissance elements This study recommends changes to doctrine tactics techniques procedures and training based on lessons learned by LRSUs on recent operational missions and the lessons of similar units These changes require proponent leadership LRS community teamwork and warrant additional Army oversight and assistance

A Shau Jay Phillips,2021-05-11 Nestled in Vietnam s Thua Thien Province west of the city of Hue and bordering Laos the narrow 40 kilometer long A Shau Valley situated between densely forested mountain ranges witnessed prolonged campaigning throughout the Vietnam War and served as a hub of the Communist supply network as well as a key point of access to South Vietnam Drawing upon an impressive array of archival materials this deeply researched book offers the first comprehensive account of operations and battles that transpired there during the war coupled with a trenchant analysis of the American failure to wrest control of the Valley despite years of commitment of troops and resources and how that failure contributed to the final outcome of the war In so doing it not only sheds light on where military tactics and strategy devised by American leaders went awry but also traces the extraordinary acts of heroism on the part of American soldiers many of whom lost their lives fighting the North Vietnamese in this hostile forbidding terrain This book which fills a gap in the historiography of the Vietnam War will appeal to scholars seeking to enhance their understanding of

major events and turning points in the war as well as to students of military history and strategy **Fighting Elites** John C. Fredriksen, 2011-12-12 From Army Rangers to Green Berets to the U S Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth Most civilians have only a vague idea of what the U S Special Forces are all about who they are how they differ from our normal military forces what they ve accomplished throughout our history and how they operate today *Fighting Elites A History of U S Special Forces* examines the rich and varied history of U S Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence In this first ever reference guide to U S Special Forces military historian John C Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known The text also contains 20 biographical entries of noted personalities associated with special purpose activities **Forthcoming Books**
