

The Academic Bestiary

A natural history of the strange species
of Academe—The Full Professor, The Dissertation,
The Tenure, The Activist, and many others

BY RICHARD ARMOUR

ILLUSTRATED BY PAUL DARROW

The Academic Bestiary

William Allen

The Academic Bestiary:

The Academic Bestiary Richard Armour, 1974 *The Academic Bestiary* Richard Armour, 1974 *Habits of Mind* William Allen, 2017-09-20

Habits of Mind maintains that the fact that almost everyone now goes to college need not be seen as an obstacle to excellence in education. Some critics have insisted that college is not for everyone but William B Allen and Carol Allen assert that the college diploma has rightly become as much the norm in this century as the high school diploma was during the twentieth century. Accordingly it is essential that higher education remains true to its deepest purpose the cultivation of proficient humanity. The authors see the key to this goal as the development of judgment or habits of mind. Habits of mind are far and away the most influential determinants of human conduct and nowhere are they more profoundly shaped than in institutions of higher education. Furthermore liberal education has proven most effective in this undertaking. The authors elaborate on the purpose of higher education and identify the chief obstacles to achieving its aim. They demonstrate the critical role of academic leaders in achieving the aim of higher education and posit that excellence in judgment is the primary characteristic of the academic leaders who fulfill this role. They examine three aspects of access to higher education: academic readiness, the cost and funding of higher education and the capacity of the physical plant. Finally they use policies developed in Virginia to demonstrate realistic approaches to achieving the aims of access and quality discussed throughout the book. The authors draw on their years of experience as practitioners in both private and public institutions: liberal arts colleges and research universities to develop their material. This volume will be of interest to faculty and students in higher education programs, nation and state public policymakers, legislative and academic leaders and a general public concerned about the cost and value of a college education.

Academic Animals Lois Roney, 2002

Academic Animals: A Bestiary of Higher Education Teaching and How It Got That Way Profiles of eighteen ubiquitous faculty types, most of them tenured, including: Beaver democratically leveling the curricular landscape; Boar bullying his students and rooting out traitors among his colleagues; Mule supportively training her students how not to pull their weight; Moose making his way alone through the culture war blizzards that have ravaged his department; Snapping Turtle refusing to poke her head out of her impenetrable 60s style shell; Walrus stolidly defending his herd against the cold implacable currents of reality; Shark voraciously deconstructing colleagues and departments so as to free his students from the elitist trammels of the past and more. This is a Field Guide. From The Key Reporter, Winter 2003. Lois Roney's hilarious meander through our strife-torn zoos parades 18 prototypes of academic fauna that run from the armadillo to the walrus. They include a wonderful teacher and an awful one; a bully intimidating his dead white colleagues with racist anti-racist attacks; learning-disabled students in quest of B's; terrorizing teachers; learning-disabled profs impressing students and peers who know no better; and a remedial education specialist cashing in on the tide of illiteracy that swells over the campus. The only species missing from Roney's menagerie is the Mock Turtle with her account of lessons called lessons because they lessen from day to day. Keen-eyed readers will spot

students not their own and colleagues not their own preening professing convening caucusing theorizing swathed in prejudice or imbibing it When she hauls the ethics economics intellect and wonky professionalism of academe over the coals Roney is ruthless acerbic sardonic sometimes unjust but most of the time right on Subversively funny serious sparkling this is a deeply reactionary book All deep reactionaries should make a beeline for it by Eugen Weber Copyright 2003 by the Phi Beta Kappa Society *Knowledges* Ellen Messer-Davidow, David R. Shumway, David Sylvan, 1993 Anyone interested in the relationship between disciplines and today this means everyone should read this collection which is itself a model of interdisciplinarity Stanley Fish Duke University *On Becoming a Psychotherapist* Windy Dryden, Laurence Spurling, 2014-03-14 Why do people want to become a psychotherapist How do they translate this desire into reality On Becoming a Psychotherapist explores these and related questions Ten leading therapists write about their profession and their careers examining how and why they became psychotherapists The contributors representing a wide cross section of their profession come from both Britain and America from different theoretical backgrounds and are at different stages in their careers They write in a personal and revealing way about their childhoods families colleagues and training This absorbing and fascinating book offers a fresh perspective on psychotherapy and the people attracted to it This Classic Edition of the book includes a new introduction written by the authors and will be invaluable for qualified psychotherapists and those in training College Lisa Maxwell Arter, 2018-12-15 Every year millions of high schoolers take the next step to further their education by applying to college While the typical eighteen year old spends two thirds of his or her life in school college can be a daunting prospect Teens should be able to enjoy their final years of high school without feeling stressed about their life after graduation In *College The Ultimate Teen Guide* Lisa Maxwell Arter addresses high school students concerns about their college futures In addition to providing an overview of the application process this book offers advice on how to choose the right school successful application tips when and how to involve parents Uniquely this book also outlines the college experience particularly the first year offering useful information every freshman needs to survive and thrive on campus from housing and navigating the bookstore to safety and interactions with other students faculty and university personnel Tips included here help students develop successful relationships with roommates manage stress study effectively balance school and life responsibilities plan and manage finances Featuring real stories and quotes from teens about their experiences this book guides young adults through their transition from high school to college and sheds light on the entire process from committing to a school to the end of freshman year *College The Ultimate Teen Guide* serves as a valuable resource for all teens whether they are just beginning to think about their future or are ready to take the next steps in their education

Encyclopedia of American Humorists Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past

treated as inferior to British literature there has always been a large popular audience for the genre which this book shows. The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten, setting out to expose the foibles and foolishness of society and the individuals who compose it. It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume. Indeed, the book will demonstrate that the best humor has at its base a ready understanding of human nature.

The Academic Bestiary Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Academic Bestiary has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Academic Bestiary has opened up a world of possibilities. Downloading The Academic Bestiary provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Academic Bestiary has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Academic Bestiary. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Academic Bestiary. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Academic Bestiary, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Academic Bestiary has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Academic Bestiary Books

1. Where can I buy The Academic Bestiary books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Academic Bestiary book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Academic Bestiary books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Academic Bestiary audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Academic Bestiary books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
