The Accursed Treasure Of Renneslechateau Keys Of Antiquity Series:

The Accursed Treasure of Rennes-Le-Chateau Gérard de Sède, Henry Lincoln, 2013-08-02 Since February 1972 when Henry Lincoln introduced Rennes le Chateau and its priest Berenger Sauniere to the world outside France vast numbers of people have become intrigued some even obsessed by the mystery But those who do not understand the French language could not read The Prime Source The first book to tell the strange story has never been properly translated This book fills that gap The Accursed Treasure was the first important sign post along a trail of discovery and it remains key to the mystery There is much yet to be found much work yet to be done before we can begin to understand its true significance In your hands you hold a mysterious a significant and a very important book Rennes-le-Chateau Gerard de Sede, 2006-06-01 This is an in depth review of the mystery surrounding the village of Rennes le Chateau the priest Berenger Sauniere and the immense fortune he dissipated before his death in 1917 This follows de Sede s first book published in the 60 s on the subject of this hilltop village in southwest France translated as The Accursed Treasure of Rennes le Chateau He now analyses of the various author s contributions and theories that have sprung from the fertile minds of a host of authors A new theory is put forward by de Sede after twenty years of intrigue and study His original photos are included together with some topical colour illustrations The shady characters lurking in the background are brought to life in these pages to give credence to this mystery which has baffled the world over the centuries A must read for the serious student of the subject the footnotes elucidate the finer points and the comprehensive index added by the translator contribute to this intriguing tale to provide a great source of reference from someone at the heart of the mystery *The Accursed Treasure of Rennes-le-Château* Gérard de Sède, Sophie de Sède, 2001 **Key to the Sacred Pattern** Henry Lincoln, 2002 The follow up to the bestseller The Holy Blood and The Holy Grail **Still Spins the Spider of Rennes-le-Château** Bill Kersey, 2004-01-01 A Mediaeval French artsit kneels before a tomb of his own creation The shadow he casts reaches through the centuries to this very day Yet the true value of the plot he reveals lies in its location The Paradise Co-ordinates John R. Pollard, 2002 Ever since Berenger Sauniere arrived as cure of the tiny church in Rennes le Chateau in the south west of France and unearthed its mystery nothing but more mystery has surrounded it Sauniere began his career there in 1885 and although himself poor and impoverished did manage to raise sufficient funds to begin much needed restoration work on the church In the course of that work it was discovered that one of the altar pillars was hollow Inside the pillar were several wooden scrolls and inside the scrolls were parchments Two of these parchments turned out to be encrypted messages which when decoded pointed to Rennes le Chateau as the repository of secret treasures With help Sauniere decoded these messages and as a result acquired vast wealth almost overnight There has been a great deal of speculation delivered in the form of TV documentaries a great many books and even these days various websites as to exactly what Sauniere s discovery was One theory suggests that Rennes le Chateau inherited the treasures of Jerusalem plundered by the Romans in AD 70 then plundered again by the

Visigoths when they sacked Rome Thereafter the Visigoths spread their kingdoms into what is now France Whatever this treasure was with his new found wealth Saunier embarked on a wide range of private and civic building projects in Rennes le Chateau He lived out the remainder of his life there until 1917 in comfort and well being Precisely how he found these riches has stimulated much interest since with most who have studied the subject believing the treasure still remains in Rennes le Chateau and awaits re discovery So far all scholarship and writing surrounding it has failed to offer even the slightest insight as to where the treasure is located However it is now the case that John R Pollard s Paradise Co ordinates can and does reveal the point in Rennes le Chateau where the author determines the treasure is buried through a reasoned working out of just those same clues and codes that were available to Saunier This is a subject that recurrently surfaces in the national press has been featured in TV documentaries and whose related websites receive an enormous number of visitors First intimation that treasure was at some point secreted at Rennes le Chateau occurred during the seventeenth century when a shepherd called Ignace Paris went looking for a lost sheep Ignace stumbled on the entrance to a cave and went inside to look He found himself in a crypt The crypt was littered with coffers under the dead gaze of several skeletons Amazingly the coffers were filled with gold coins Naturally Ignace helped himself and with his pockets full of gold returned to his village where he was quizzed When he refused to tell anyone where the vault was he was accused of theft and executed Much later in 1885 the church of Rennes le Chateau received a new curate Berenger Saunier who fared a good deal better than Ignace Initially Saunier was taken in and looked after by a family more impoverished than he Their name was Denarnaud Somehow Saunier was granted church permission to move the Denarnaud family into the presbytery and he arranged also for Marie the Denarnaud daughter still then a teenager to help him run the church Thereafter he and Marie became lifelong companions In 1891 Saunier raised funds to carry out restoration work to the church in the course of which it was found that the altar pillars were hollow Inside one pillar were four or five sealed wooden rolls one of which contained a parchment This parchment bore an inscription its text a mix of French and Latin which at first glance appeared to be a passage from the Gospels The mayor got to hear of it and was soon asking Saunier all about it Satisfied that the mayor would never on his own interpret the text Saunier showed it him and offered the view that the parchments were to do with the Revolution but were without real value That temporarily kept the mayor quiet though Saunier called a halt to his restoration project In February 1892 it is believed that Saunier went to Paris Here he sought the help of church paleographers who examined the parchment text At this time Saunier also made a few social calls notably on Emma Calve world famous opera star and friend to Claude Debussy He and Emma entered a relationship that was destined to endure Probably as a result of the paleographers findings Saunier next headed off to the Louvre where he acquired a copy of Poussin s Shepherds of Arcadia Poussin was a Renaissance painter born near Paris in 1594 and who died in Rome in 1665 where he had spent most of his working life He is known today principally for his scenes from the Bible and from Greco

Roman antiquity of which Shepherds of Arcadia might be said to be an example With his print and his paleographers report Sauniere returned to Rennes le Chateau having assembled sufficient information to locate whatever treasure was hidden in or around or beneath his church Evidently one of the parchments yielded a measurement from the church altar to a position outside called the castle The documents also drew attention to a specific tomb in the churchyard that of Marie de Negri D Ables Dame d Hautpoul de Blanchefort whose grave and headstone bore slightly eccentric inscriptions These turned out to provide a key to the encrypted text of his parchments which Sauniere was now able to decode When he and Marie dug it was at the entrance to a vault whose treasures were intact Inevitably Sauniere may have sold certain pieces and thereby amassed his fortune Whatever was the case he returned to his restoration work now conceiving it on a far larger scale than before The presbytery was repaired and a new wall put up round the churchyard New works included a summer house a rock garden fountains The five kilometre cart track that led to the village Sauniere remade nearby as a modern highway He purchased houses and land He and Marie kept open house for the local gentry and persons such as Emma Calve were known to visit Generally both he and Marie lived high with Sauniere careful enough to cover his tracks Title deeds were put in Marie s name and the inscriptions on the Blanchefort grave and headstone he obliterated not knowing that a written copy had previously been made The mayor called round again superficially angered at Sauniere s treatment of the tomb but in truth curious as to his new found wealth Sauniere fobbed him off with food wine and cash as was also the case with the bishop of Carcassonne who himself came snooping Undeterred Sauniere went on with his projects He built a villa with ramparts and a tower where he installed an extensive library Soon after that the then bishop of Carcassonne retired His successor a Monsignor de Beausejour was a little more forceful and demanded to know the source of Sauniere s wealth Sauniere prevaricated The bishop had him summoned to the court of Rome and suspended A new priest came to Rennes le Chateau but was given the cold shoulder not only by Sauniere but by the villagers whose loyalties hadn t changed Eventually the bishop accepted defeat In January 1917 Sauniere arranged for a new water supply to the entire village work that he himself didn t live to see carried out He died on 22nd January of cirrhosis of the liver all that high living leaving Marie as his sole beneficiary That left Marie as the only person who knew his secret which meant Marie was richly provided for throughout the remainder of her life She shut herself away and for many years lived as a recluse In 1946 a M Corbu and his wife came to live with her To M Corbu she related her fantastic story She promised him her house and told him his future was certain to be secure while not exactly saying how The bad news for Corbu Rennes-le-Château R. Lionel Fanthorpe,P. A.

Fanthorpe,1991 This work represents a Christian response to the controversial book The Holy Blood and the Holy Grail which first brought the mystery surrounding Rennes le Chateau to the public s attention The labyrinthine story involves the mysterious hidden treasure of Rennes Cathars and the Knights Templar alchemists and Rosicrucians the Habsburg royal family the Inquisition and an opera star it takes the reader from France to Glastonbury and to Nova Scotia site of the equally

mysterious Money Pit **The Mysterious Treasure of Rennes-Le-Château** R. Lionel Fanthorpe,1982 Reproduction of the manuscript of the book published in 1982 by Newcastle Publishing Co of North Hollywood CA and by The Borgo Press of San Bernardino CA under the title The Holy Grail revealed the real secret of Rennes Le Chateau The book was extensively edited and reworked by R Reginald as a response to the bestseller Holy blood holy grail he also contributed a rebuttal introduction

The Secret to the Treasure of Rennes-le-Chateau Michael Alan Kuhn,2018-01-17 In the south of France is the quaint village of Rennes le Chateau It is the source of mystery and many theories as to how the poor local priest found the money to make the major renovation and additions to the church property Did he find the treasurers of the Knight Templar While the author was sitting in the chapel of the church this vision came forth It may change your life forever Secrets of Rennes-le-Château Lionel Fanthorpe,P. A. Fanthorpe,1992 A parish priest becomes rich overnight and begins the eccentric restoration of his church Almost 100 years have passed and the mystery remains unsolved Secret societies and mysteries abound as Lionel and Patricia Fanthorpe provide an introduction to the mystery of Rennes le Chateau The Holy Place

Henry Lincoln,1991 **Saunier's Model and the Secret of Rennes-le-Chateau** André Douzet,2015-02-25 In 1916 Berenger Sauniere the enigmatic priest of the French village of Rennes le Chateau created his ultimate clue he went to great expense to create a model of a region said to be the Calvary Mount indicating the Tomb of Jesus But the region on the model does not resemble the actual lay out of Jerusalem Did Sauniere leave a clue as to the true location of his treasure And what is that treasure After years of research Andre Douzet discovered this model never collected from the model maker by Sauniere who had died just before the model s completion Backed by evidence showing correspondence between Sauniere and the model maker Douzet also reveals much new evidence including the revelation that Sauniere spent large amounts of time and money in the city of Lyons often on exotic and high tech photographic instruments And for the first time it is shown Sauniere met some very interesting people from esoteric in particular Martinist circles in Lyons This body of evidence for the first time demonstrates there is indeed a true mystery surrounding this village priest a theory widely speculated on so far by others authors but seldom if ever backed by evidence The model is the only real clue Sauniere left behind as to the nature and location of his treasure and is unveiled in this book which includes pictures and detailed drawings of the model among many other things It also reveals the location of the region where Sauniere had located his treasure and where Douzet himself has so far recovered large quantities of precious and semi precious materials Above all Douzet demonstrates that grounds of Perillos not so much hold a treasure though present but rather a secret and that this secret was the true importance of Sauniere s mystery a secret that is said to be of vital importance and terrifying force **The Mysteries of Rennes-le-Château** Christina A Roberts,2025-03-07 Unveil the Secrets of Rennes le Chateau Deep in the majestic landscapes of Southern France lies Rennes le Chateau a tiny village with a historically complex enigma that has captured imaginations worldwide In The Mysteries of Rennes le Chateau Treasure or Treason author Christina A Roberts guides
