The Actes and Monuments John William Corrington, 1978 Presents five short stories about the South including three based on the author's experience as a lawyer The Southern Reporter and Other Stories John William Corrington, 1981-04-01 The past isn't dead It isn't even the past William Faulkner wrote The Southern Reporter constitutes a report on the collisions between a present that cannot find its voice and a past that reaches out incessantly into the lives of contemporary men and women An old Louisiana lawyer finds himself in California seeking a missing heir who is a physicist musician doctor theologian and a leader of a crazed and murderous santanistic cult A childless retired couple prepares treats for Halloween's children only to find that the children have taken on the character of their terrifying costumes An elderly lawyer dying of cancer is forced to recall an even greater pain and finds his own kind of salvation in the remembrance of love A court reporter who has spent his life recording the crimes and affairs of others at last cannot stand the flood of evil and visits his own justice on a man the jury has found innocent of rape A young boy is caught between his high spirited hell raising uncle and the deadly civilizing force of his mother The Southern Reporter penetrates the facade of contemporary life looking for its roots in the past not simply the past of its people but the looming imaginary structure of western history against which all of us lead our lives and die our deaths The search for images of order and the loss of them constitute the meaning of The Southern Reporter **The Oxford Handbook of Holinshed's Chronicles** Paulina Kewes, Ian W.
