

THE HIGH COST OF ADA NON-COMPLIANCE FOR BUSINESSES

Businesses, governments, and health care facilities that fail to comply with the regulations outlined by the Americans with Disabilities Act risk significant costs in the form of penalties and lawsuits.

Here's what you need to know.

ADA PENALTIES FOR NON-COMPLIANCE

Lawsuits can be filed at the federal level for ADA non-compliance, and several states allow these lawsuits to be brought forth by disabled individuals seeking damages.

Federal lawsuits will impose a deadline for compliance, where individual lawsuits may seek to collect standard fines of \$4,000 per violation and punitive damages, among others.

DRIVE-BY ADA LAWSUITS

This involves the filing of single or multiple ADA lawsuits against non-compliant businesses. Whether done by a single organization or by multiple individuals, drive-by lawsuits can result in significant legal and settlement costs.

The ADA lawsuit can also be used as a threat by individuals and groups if a business does not offer a large settlement.

PERSONAL INJURY LAWSUITS

Personal injury lawsuits have been brought against those who rent or lease a business location and property owners for failing to follow accessibility guidelines for safe sidewalks, ramp surfaces, and proper maintenance of clearance for disabled individuals.

Successful lawsuits have resulted in awards and settlements of millions of dollars.

ACHIEVING AND MAINTAINING ADA COMPLIANCE SAVES MONEY

There are many high costs involved for knowingly or intentionally avoiding ADA regulations.

However, when the right equipment is installed, compliance can be maintained and the costs of settlements, lawsuits, fees, and fines can be avoided.
