The Swan and Her Crew, Or the Adventures of Three Young Naturalists and Sportsmen on the Broads and Rivers of Norfolk ... With Numerous Illustrations George Christopher DAVIES, 1876 **The Penguin Pool Murder** Stuart Palmer, 2013-05-14 On a trip to the New York Aquarium with her third grade class a teacher discovers a dead body One of the world's shrewdest and most amusing detectives The New York Times For the third graders at Jefferson School a field trip is always a treat But one day at the New York Aquarium they get much more excitement than they bargained for A pickpocket sprints past stolen purse in hand and is making his way to the exit when their teacher the prim Hildegard Withers knocks him down with her umbrella By the time the police and the security guards finish arguing about what to do with Chicago Lew he has escaped and Miss Withers has found something far more interesting a murdered stockbroker floating in the penguin tank With the help of Detective Oscar Piper this no nonsense spinster embarks on her first of many adventures The mystery is baffling the killer dangerous but for a woman who can control a gaggle of noisy third graders murder isn't frightening at all The Penguin Pool Murder is part of the Hildegard Withers Mysteries series which also includes *Murder on the Blackboard* and *Murder on Wheels* *He Was Some Kind of a Man* Roderick McGillis, 2011-04-08 *He Was Some Kind of a Man* Masculinities in the B Western explores the construction and representation of masculinity in low budget western movies made from the 1930s to the early 1950s These films contained some of the mid twentieth century's most familiar names especially for youngsters cowboys such as Roy Rogers Hopalong Cassidy and Red Ryder The first serious study of a body of films that was central to the youth of two generations *He Was Some Kind of a Man* combines the author's childhood fascination with this genre with an interdisciplinary scholarly exploration of the films influence on modern views of

masculinity McGillis argues that the masculinity offered by these films is less one dimensional than it is plural perhaps contrary to expectations Their deeply conservative values are edged with transgressive desire and they construct a male figure who does not fit into binary categories such as insider outsider or masculine feminine Particularly relevant is the author s discussion of George W Bush as a cowboy and how his aspirations to cowboy ideals continue to shape American policy This engagingly written book will appeal to the general reader interested in film westerns and contemporary culture as well as to scholars in film studies gender studies children s literature and auto biography
