The Adventures And Discourses Of Captain John Smith 1570 1631:

The Early English Caribbean, 1570-1700 Vol 1 Carla Gardina Pestana, Sharon V Salinger, 2021-12-16 This four volume collection brings together rare pamphlets from the formative years of the English involvement in the Caribbean Texts presented in the volumes cover the first impressions of the region imperial rivalries between European traders and settlers and the experience of day to day life in the colonies Volume 1 Conceptualizing the West Indies The texts in this volume chart the growth of English interest in the West Indies as seen through the publications of the time Beginning with the Spanish discovery and colonization there followed reports of Spanish cruelty Gradually the English started to make incursions into the area and this new era of colonization is reflected in the sources Later publications document the landscape of the islands the native inhabitants and the other settlers who began to arrive British Autobiography in the Seventeenth Century Paul Delany, 2015-08-14 Originally published in 1969 In the seventeenth century neither the literary genre nor the term autobiography existed but we see in seventeenth century literature many kinds of autobiographical writings to which their authors gave such titles as Journal of the Life of Me Confessions etc This work is a study of nearly two hundred of these published and unpublished which together represent a very varied group of writings The book begins with an examination of the rise of autobiography as a genre during the Renaissance It discusses seventeenth century autobiographical writings under two main headings religious where the autobiographies are grouped according to the denomination of their writer and secular where a wide variety of writings is examined including accounts of travel and of military and political life as well as more personal accounts Autobiographies by women are treated separately and the author shows that they in general have a deeper revelation of sentiments and more subtle self analyses than is found in comparable works by men Sources and influences are recorded and also the essential historical details of each work This book gives a critical analysis of the autobiographies as literary works and suggests relationships between them and the culture and society of their time Review of the original publication a contribution to cultural history which is of quite exceptional merit Its subject is of great intrinsic interest and manifest importance and Professor Delany has treated it with exemplary thoroughness lucidity and intelligence Lionel Trilling **Cultural Representations of Piracy in England, Spain, and the Caribbean** Mariana-Cecilia Velázquez, 2023-03-07 This book examines the concept of piracy as an instrument for the advancement of legal economic and political agendas associated with early modern imperial conflicts in the Caribbean Drawing on historical accounts literary texts legal treatises and maps the book traces the visual and narrative representations of Sir Francis Drake who serves as a case study to understand the various usages of the terms pirate and corsair Through a comparative analysis the book considers the connotations of the categories related to maritime predation pirate corsair buccaneer and filibuster and nationalistic and religious denominations Lutheran Catholic heretic Spaniard English and Creole to argue that the flexible usage of these terms corresponds to unequal colonial and imperial relations and ideological struggles The book

chronologically records the process by which piracy changed from an unregulated phenomenon to becoming legally defined after the Treaty of London 1604 and the Treaty of Westphalia 1648 The research demonstrates that as piracy grew less ambiguous through legal and linguistic standardization the concept of piracy lost its polemical utility This interdisciplinary volume is ideal for researchers working in piracy studies early modern history and imperial history **The Adventures and Discourses of Captain John Smith, Sometime President of Virginia and Admiral of New England** John Smith,1883

Dictionary Catalog of the Edward E. Ayer Collection of Americana and American Indians in the Newberry Library
Newberry Library,1961 *Adventures and Discourses of Captain John Smith* John Smith,2019-03 **Curating Lived Islam in the Muslim World** Iftikhar H. Malik,2021-06-17 Beginning with the medieval period this book collates and reviews first hand scholarship on Muslims in the Middle East and South Asia as noted down by eminent British travellers sleuths and observers of lived Islam The book foregrounds the pre colonial and pre Orientalist phase and locates the multi disciplinarity of Britain s relationship with Muslims over the last millennium to demonstrate a multi layered interface Fully sensitive to a gender balance the book focuses on specially selected individuals and their transformative experiences while living and working among Muslims Examining the writings of male and female authors including Adelard Thomas Coryate Mary Montagu and Fanny Parkes the book analyses their understanding of Islam Moreover the author explores the works of a salient number of representative colonial British women to move away from the imperious wives stereotype and shed light on gender and Islam in Near East and South Asia by illustrating the status of women tribal hierarchies historic and architectural sites and regional politics Going beyond familiar views about colonialism travel writings and memsahibs without losing sight of the complex relations between Britain and Asian Muslims this book will be of interest to academics working on British history Imperial history the study of religions Shi i Islam Islamic studies Gender and the Empire and South Asian Studies

The Invasion of America Francis Jennings,1975 The cultural devastation of Atlantic coastal Indian tribes by European civilization particularly New England Puritans and the creation of an ideology to justify the cruelty are studied Captain John Smith (1579-1631) Sometime Governor of Virginia, and Admiral of New England Charles Dudley Warner,1881 The Publishers' Circular and Booksellers' Record ,1911
